

## TeleTech Technology Introduces Bundled Cloud Solutions for Mid-Sized Organizations and Enterprises

March 7, 2016

### **New Predefined Bundles Delivered as Unified Communications as a Service for Contact Center as a Service; Allow Clients to Opt for Solution Best Suited for Current and Future Needs**

DENVER, March 7, 2016 /PRNewswire/ -- [TeleTech](#) Technology, comprised of subsidiaries eLoyalty and TSG, and a leading provider of cloud and on-premises contact center solutions powered by Avaya and Cisco, today announced the introduction of new bundled cloud solutions for mid-sized organizations and enterprises during the [2016 Enterprise Connect](#) conference in Orlando, Florida.

Created to deliver comprehensive Unified Communications (UC) and Contact Center solutions in a hassle-free delivery model, TeleTech Technology now offers a portfolio of packaged cloud solutions with robust feature sets that leverage the cloud's ability to scale and add functionality as required.

The four new bundles include:

- **Cloud Connect** – Designed for the enterprise looking to provide seamless collaboration capabilities without the need to purchase and maintain equipment, Cloud Connect offers a rich UC collaboration environment as a service (UCaaS) built on an industry-leading platform. Enterprises can operationalize IT expenses while adding scale or features as needed.
- **Cloud Direct** – Intended for the enterprise seeking to provide a next-generation customer experience, Cloud Direct offers a powerful contact center solution delivered as a service (CCaaS) built on an industry gold standard contact center platform. Enterprises can access the latest customer engagement features and functionality, and take advantage of a usage-based billing model.
- **Cloud Direct Plus** – An option well suited to the mid-market enterprise desiring a seamless omnichannel solution, with robust features to make customer experiences a brand differentiator at a fraction of the standard startup cost.
- **Cloud Select** – Created for organizations demanding cutting-edge technology solutions, Cloud Select is the most inclusive of TeleTech's bundles, providing every channel, every option, and every feature for a peerless, competition-crushing customer experience.

"TeleTech Technology's Cloud bundle solutions allow our clients to opt for the feature-rich solution best suited for their needs," said Steve Pollema, senior vice president, TeleTech Technology. "These predefined bundles offer the advantages of implementation and cost efficiencies made possible by standardization, while simultaneously serving as a starting point to further customize a solution as business needs evolve."
