"TeleTech is honored that our commitment to making the health and wellness of our employees a priority has been recognized by the American Diabetes Association," said Michael Wellman, Chief People Officer, TeleTech. "We are proud to support our associates with on-campus fitness facilities, healthy eating options, wellness incentives, stay healthy kiosks, dedicated health and wellness navigators and employee assistance programs."

To qualify for the Health Champion designation, TeleTech provides a company-wide commitment to healthy living criteria in core focus areas including:

- Nutrition and Weight Management
 - Offering of healthy food choices
 - Promotion of nutritional information
 - Provision of healthy vending options
 - Mission Fitpossible nutrition, exercise, and mindset program
- Physical Activity
 - Facilitation of bike to work program
 - Programmatic wellness communications encouraging regular movement
 - Discount program for purchase of activity trackers
 - Discount program for gym memberships and onsite workout facilities at many locations
- Organizational Well-Being
 - Organization-wide smoke-free policy on all TeleTech campuses
 - Dedicated health and wellness navigators
 - Integration of health information in digital and physical company communications
 - Stress management and personal care/advocacy programs such as "A Healthier You"
