

## TeleTech Named to Best Companies for Diversity and Team Culture 2017 Lists

December 13, 2017

### Comparably Recognizes Company for Inclusive Workforce Based on Employee Feedback

DENVER, Dec. 13, 2017 /PRNewswire/ -- [TeleTech](#) (NASDAQ: TTEC), a leading global provider of customer experience, engagement, growth and trust and safety solutions delivered through its proprietary end-to-end Humanify™ Customer Engagement as a Service offering, today announced that the company has been named to Comparably's [Best Companies for Diversity](#) and [Best Team Culture](#) lists for 2017.

Comparably analyzed thousands of employee reviews posted through November 2017 to determine which companies are creating a workforce that's inclusive and diverse. The organizations "Best Of" lists are derived from sentiment ratings provided by employees who anonymously rated their employers on Comparably.com during the 2017 eligibility period (1/1/17– 11/17/17).

"TeleTech is proud to be recognized as one of the best large companies for diversity and team culture," said Michael Wellman, Chief People Officer, TeleTech. "Our employees consistently say the #1 reason they love working for our company is the people that they work within the organization. And while our roles and our people are diverse, we are united in our singular passion for delivering amazing customer experiences, across every channel, every time."

TeleTech associates are brand ambassadors, working with global brands to provide meaningful brand experiences, build customer loyalty and grow their business. We are transforming our company to help our clients transform theirs. Every interaction we have with our clients, their customers, our colleagues and the communities where we operate are guided by this vision and these values.

- **Purpose:** Deliver humanity to business.
- **Vision:** Leading the world's most respected organizations to create and grow emotionally connected, valuable, lasting relationships.
- **Mission:** Accelerate growth by simplifying and personalizing interactions that build deep engagement between people and brands.
