(1) OVERVIEW AND BASIS OF PRESENTATION

Summary of Business

Founded in 1982, TTEC Holdings, Inc. (“TTEC”, “the Company”; pronounced “T-TEC”) is a global customer experience (“CX”) outsourcing partner for marquee and disruptive brands and public sector clients. The Company designs, builds, and operates technology-enabled customer experiences across live interaction channels and provides data-driven digital solutions to help clients improve customer satisfaction and loyalty, increase customer revenue and profitability, and optimize overall cost to serve. As of September 30, 2025, TTEC served approximately 660 clients across targeted industry verticals including financial services, healthcare, public sector, communications, technology, media, entertainment, travel and hospitality, automotive and retail.

The Company operates and reports its financial results of operations through two business segments:

- **TTEC Digital** is one of the largest CX technology and service providers and is focused on the intersection of Contact Center as a Service (“CCaaS”), Customer Relationship Management (“CRM”), and Artificial Intelligence (AI) and Analytics. A professional services organization comprised of software engineers, systems architects, data scientists and CX strategists, this segment creates and implements strategic CX transformation roadmaps; sells, operates, and provides managed services for cloud platforms and premise-based CX technologies including Amazon Web Services (“AWS”), Cisco, Genesys, Google, and Microsoft; and creates proprietary IP to support industry specific and custom client needs. TTEC Digital serves clients across enterprise and small and medium-sized business segments and has a dedicated unit with government technology certifications serving the public sector.
- **TTEC Engage** provides the digitally enabled CX operational and managed services to support large, complex enterprise clients’ end-to-end customer interactions at scale across the world. Tailored to meet industry-specific business needs, this segment delivers data-driven omnichannel customer care, customer acquisition, growth, and retention services, tech support, fraud mitigation and back-office solutions. The segment’s technology-enabled delivery model covers the entire solution lifecycle including associate recruitment, onboarding, training, delivery, workforce management and quality assurance.

TTEC pursues its CX market leadership through strategic collaboration across TTEC Digital and TTEC Engage. Together, TTEC’s ability to deliver comprehensive and transformational customer experience solutions to its clients is a marketplace differentiation, including integrated CX technology and service solutions, go-to-market strategies, and innovative offerings.

During the third quarter of 2025, the TTEC global operating platform delivered onshore, nearshore, and offshore services in 22 countries on six continents – the United States, Australia, Belgium, Brazil, Bulgaria, Canada, Colombia, Costa Rica, Egypt, Germany, Greece, Honduras, India, Ireland, Mexico, the Netherlands, New Zealand, the Philippines, Poland, South Africa, Thailand, and the United Kingdom, with contributions from approximately 52,000 customer care associates, consultants, technologists, and CX professionals.

TTEC HOLDINGS, INC. AND SUBSIDIARIES
Notes to Consolidated Financial Statements
(Unaudited)

The unaudited Consolidated Financial Statements do not include all of the disclosures required by accounting principles generally accepted in the U.S. (“GAAP”), pursuant to the rules and regulations of the Securities and Exchange Commission (“SEC”). The unaudited Consolidated Financial Statements reflect all adjustments which, in the opinion of management, are necessary to state fairly the consolidated financial position of the Company and the consolidated results of operations and comprehensive income (loss) and the consolidated cash flows of the Company. All such adjustments are of a normal, recurring nature. Operating results for the periods presented are not necessarily indicative of the results that may be expected for the year ending December 31, 2025.

These unaudited Consolidated Financial Statements should be read in conjunction with the Company’s audited Consolidated Financial Statements and footnotes thereto included in the Company’s Annual Report on [Form 10-K](#) for the year ended December 31, 2024.

Use of Estimates

The preparation of the Consolidated Financial Statements in conformity with GAAP requires management to make estimates and assumptions in determining the reported amounts of assets and liabilities, disclosure of contingent liabilities at the date of the Consolidated Financial Statements and the reported amounts of revenue and expenses during the reporting period. On an ongoing basis, the Company evaluates its estimates including those related to derivatives and hedging activities, income taxes including the valuation allowance for deferred tax assets, litigation reserves, restructuring reserves, allowance for credit losses, contingent consideration, and valuation of goodwill, long-lived and intangible assets. The Company bases its estimates on historical experience and on various other assumptions that are believed to be reasonable, the results of which form the basis for making judgments about the carrying values of assets and liabilities. Actual results may differ materially from these estimates under different assumptions or conditions.

Concentration of Credit Risk

The Company is exposed to credit risk in the normal course of business, primarily related to accounts receivable and derivative instruments. Historically, the losses related to credit risk have been immaterial due to the Company’s focus on managing its collection processes to reduce its credit risk. The Company regularly monitors its credit risk to mitigate the possibility of current and future exposures resulting in a loss. The Company evaluates the creditworthiness of its clients prior to entering into an agreement to provide services and as necessary through the life of the client relationship. The Company does not believe it is exposed to more than a nominal amount of credit risk in its derivative hedging activities, as the Company diversifies its activities across multiple investment-grade financial institutions.

Liquidity

As discussed in Note 10, the Company’s Credit Agreement includes a number of financial covenants and operating restrictions, failure to comply with which could result in a default under the Credit Agreement. On November 5, 2025, the Company entered into a Tenth Amendment (the “Tenth Amendment”) to the Credit Agreement, which extends the maturity date to November 23, 2027 and modifies certain other material terms of the Credit Facility, including the size of the facility, pricing, and certain covenants. The Tenth Amendment is discussed in more detail in Note 10. As of the issuance of these unaudited Consolidated Financial Statements, the Company believes it has sufficient cash on hand, positive working capital, and availability to access additional cash under the Credit Facility to meet its business operating requirements and make its capital expenditures and to continue to comply with the financial covenants under the Credit Agreement for the next 12 months from the issuance of these financial statements. In the event that the Company does not remain in compliance with the financial covenants under the Credit Agreement, it may need to negotiate additional amendments to or waivers of the terms of such credit facilities, refinance its debt, reduce discretionary spending or raise additional capital.

Recently Adopted Accounting Pronouncements

In July 2025, the FASB issued ASU 2025-05, “Financial Instruments – Credit Losses” which relates to measurement of credit losses for accounts receivable and contract assets and provides a practical expedient. When developing reasonable and supportable forecasts as part of estimating credit losses, all entities may elect a practical expedient that assumes current conditions as of the balance sheet do not change for the remaining life of the asset. The ASU is effective for fiscal years beginning after December 15, 2025, and interim periods within those annual reporting periods. Early adoption is permitted in both interim and annual reporting periods in which financial statements have not yet been issued or made available for issuance. The Company adopted the standard September 30, 2025. The adoption did not impact the Company’s consolidated balance sheet or income statement.

In November 2023, the FASB issued ASU 2023-07, “Segment Reporting - Improvements to Reportable Segment Disclosures” which relates to disclosures regarding a public entity’s reportable segments and provides more detailed information about a reportable segment’s expenses. The ASU is effective for fiscal years beginning after December 15, 2023 and interim periods beginning after December 15, 2024, with retrospective application required. The Company adopted the standard December 31, 2024, retrospectively to all periods presented in the financial statements. The adoption resulted in the Company adding the required detailed segment information within the Company’s segment disclosure footnote.

Other Accounting Pronouncements

In December 2023, the FASB issued ASU 2023-09, “Improvements to Income Tax Disclosures” to enhance the transparency and decision usefulness of income tax disclosures. The ASU is effective for fiscal years beginning after December 15, 2024, with retrospective application permitted. The Company is evaluating the effect on its annual consolidated financial statement disclosures; however, adoption is not expected to impact the Company’s consolidated balance sheets or income statements.

In November 2024, the FASB issued ASU 2024-03, “Disaggregation of Income Statement Expenses” in response to longstanding requests from investors for more information about an entity’s expenses, specifically categories of expenses such as (purchases of inventory, employee compensation, depreciation, and amortization, and depletion). The ASU is effective for fiscal years beginning after December 15, 2026, with retrospective application permitted. The Company is still evaluating the potential impact of the pronouncement.

In September 2025, the FASB issued ASU 2025-06, “Intangibles-Goodwill and Other Internal Use Software” which was issued to modernize the accounting for software costs and removes all references to prescriptive and sequential software development stages. The ASU is effective for fiscal years beginning after December 15, 2027, and interim reporting periods within those fiscal reporting periods. Early adoption is permitted as of the beginning of an annual reporting period. The Company is still evaluating the potential impact of the pronouncement.

Certain Assets of Faneuil

On April 1, 2022, the Company completed an asset acquisition through its subsidiary TTEC Government Solutions LLC, of certain public sector citizen experience contracts in the transportation infrastructure and healthcare exchange industries from Faneuil, Inc., a subsidiary of ALJ Regional Holdings, Inc. (“the Faneuil Transaction”). The acquired business is operated as part of the TTEC Engage segment and was fully consolidated into the financial statements of TTEC. (Unaudited)

Total cash paid at the time of acquisition was \$142.4 million. The Faneuil Transaction included contingent payments that were based on the revenue and EBITDA performance of certain contracts with the value of the contingent payments to be determined.

During the second quarter of 2023, the contingent payment obligation was modified to a minimum payment of \$7.4 million and a maximum payment of \$10.4 million. An initial payment of \$7.4 million was completed in May 2023. During 2023, a combined \$3.0 million net expense was recorded related to fair value adjustments for the estimated contingent payment based on changes in estimated EBITDA, the timing of cash flows and market interest rate changes. During 2024, a combined \$1.5 million net gain was recorded related to fair value adjustments for the estimated contingent consideration payment based on changes in estimated EBITDA, the timing of cash flows and market interest rate changes. These benefits (expenses) were included in Other income (expense) in the Consolidated Statements of Comprehensive Income (Loss). The earn-out period was completed at the end of January 2025. Based on final results, no final earn-out payment was required.

Assets Held for Sale

In the second quarter of 2024, the Company reclassified \$29.4 million from Property, plant and equipment, net to Assets held for sale as the Company expected to sell its former headquarters building in Englewood, Colorado within the next twelve months, which consummated in the fourth quarter of 2024. This included \$16.7 million from leasehold improvements, \$6.7 million from buildings, \$5.9 million from land, and \$0.1 million from other Property, plant and equipment categories. These assets were allocated 85% to the TTEC Engage segment and 15% to the TTEC Digital segment. Funds received were used to reduce the Company's existing debt. The Company ceased depreciation on the assets upon reclassification. The estimated fair value less costs to sell the assets held for sale exceeded their carrying value as of the quarter ended June 30, 2024 and no impairment was considered necessary.

(4) SIGNIFICANT CLIENTS AND OTHER CONCENTRATIONS

The Company had one client that contributed in excess of 10% of total revenue for the nine months ended September 30, 2025; this client operates in the automotive industry and is included in the TTEC Engage segment. This client contributed 10.8% and 11.1% of total revenue for the nine months ended September 30, 2025 and 2024, respectively. In addition, the Company has other clients with aggregate revenue exceeding \$100 million annually and the loss of one or more of these clients could have a material adverse effect on the Company's business, operating results, or financial condition. To mitigate this risk, the Company's business arrangements with these larger clients are structured as multiple contracts with different statements of work that are specific to a different line of business or service; these contracts have different durations and renewal dates and could have a revenue opportunity above the \$100 million aggregate. In the first quarter of 2024, one of our larger financial services clients notified us that it was exiting one of the lines of business that we support.

To limit the Company's credit risk with its clients, management performs periodic credit evaluations, maintains allowances for credit losses and may require pre-payment for services from certain clients whose financial stability or payment practices raise concern. Based on currently available information, management does not believe significant credit risk existed as of September 30, 2025 beyond what was already recognized.

Activity in the Company's Allowance for credit losses consists of the following (in thousands):

	Three Months Ended September 30,		Nine Months Ended September 30,

Accounts Receivable Factoring Agreement

In the third quarter of 2024, the Company terminated its Uncommitted Receivables Purchase Agreement (“Agreement”) with BMO Bank, N.A. (“Bank”, or “BMO”), under the terms of which the Company had the right to sell, on a revolving basis, U.S. accounts receivables of certain clients at a discount to the Bank for cash on a limited recourse basis. The sales of accounts receivable in accordance with the prior Agreement were reflected as a reduction of Accounts Receivable, net on the Consolidated Balance Sheets. The Company retained no interest in the sold receivables but did retain all collection responsibilities on behalf of the Bank. The discount on the accounts receivable sold was recorded within Other expense, net in the Consolidated Statements of Comprehensive Income (Loss). The cash proceeds from the prior Agreement were included in the change in accounts receivable within the operating activities section of the Consolidated Statements of Cash Flow.

(5) GOODWILL

Goodwill consisted of the following (in thousands):

	<u>December 31,</u> <u>2024</u>	<u>Acquisitions /</u> <u>Adjustments</u>	<u>Impairments</u>	<u>Effect of</u> <u>Foreign</u> <u>Currency</u>	<u>September 30,</u> <u>2025</u>
TTEC Digital	\$ 498,213	\$ —	\$ —	\$ 2,087	\$ 500,300
TTEC Engage	72,984	—	—	506	73,490
Total	<u>\$ 571,197</u>	<u>\$ —</u>	<u>\$ —</u>	<u>\$ 2,593</u>	<u>\$ 573,790</u>

The Company performs an annual goodwill impairment assessment on December 1st, or more frequently, if indicators of impairment exist. The Company also monitors its reporting units for any triggering events and performs qualitative assessments of impairment indicators. During the Company’s annual impairment testing as of December 1, 2024, the Company identified all three reporting units, Engage, Digital Recurring and Digital Professional Services as being at risk for future impairment if projected operating results are not met or other inputs into the fair value measurement change.

The carrying value of Engage was \$612.0 million at December 1, 2024, including approximately \$73.0 million of goodwill. Based on the Company’s assessment, the estimated fair value of the Engage reporting unit exceeded its carrying value by approximately 17%. If all assumptions are held constant, either a 6.4% increase in the discount rate or a 19.7% decrease in each year’s projected revenue over the forecast period would result in approximately a \$103.0 million decrease in the estimated fair value of the Engage reporting unit. Such a change in either of these assumptions individually would have resulted in the Engage reporting unit failing Step 1 of the goodwill impairment analysis on December 1, 2024.

The carrying value of Digital Recurring was \$433.5 million at December 1, 2024, including approximately \$310.2 million of goodwill. Based on the Company’s assessment, the estimated fair value of the Digital Recurring reporting unit exceeded its carrying value by approximately 7%. If all assumptions are held constant, either a 1.7% increase in the discount rate or a 2.6% decrease in each year’s projected revenue over the forecast period would result in approximately a \$30.0 million decrease in the estimated fair value of the Digital Recurring reporting unit. Such a change in either of these assumptions individually would have resulted in the Digital Recurring reporting unit failing Step 1 of the goodwill impairment analysis on December 1, 2024.

TTEC HOLDINGS, INC. AND SUBSIDIARIES
Notes to Consolidated Financial Statements
(Unaudited)

The carrying value of Digital Professional Services was \$225.9 million at December 1, 2024, including approximately \$188.0 million of goodwill. Based on the Company's assessment, the estimated fair value of the Digital Professional Services reporting unit exceeded its carrying value by approximately 10%. If all assumptions are held constant, either a 3.0% increase in the discount rate or a 3.5% decrease in each year's projected revenue over the forecast period, would result in approximately a \$22.1 million decrease in the estimated fair value of the Digital Professional Services reporting unit. Such a change in either of these assumptions individually would have resulted in the Digital Professional Services reporting unit failing Step 1 of the goodwill impairment analysis on December 1, 2024.

As an international outsourcing agent, TTEC's revenue and cash flows are susceptible to global economic conditions and client business volumes. In performing the Step 1 evaluation, the reporting unit's current backlog and pipeline of customer business were considered, as well as inflation rates, gross domestic product rates, historical revenue growth and profitability, and state of the CX industry. The estimate of fair value was based on generally accepted valuation techniques and information available at the date of the assessment, which incorporated management's assumptions about expected revenues, future cash flows and available market information for comparable companies.

Outside of our annual impairment testing process, the Company monitors its reporting units for any triggering events while also performing qualitative assessments of impairment indicators. During the third quarter of 2025, the Company concluded there were no triggering events and completed its qualitative assessment of impairment indicators, which included, among other things, an assessment of changes in macroeconomic conditions, comparison of the actual results to those forecasted in the most recent annual impairment test and performing sensitivity analysis on key assumptions.

(6) DERIVATIVES

TTEC's Financial Risk Management Committee monitors cash flow and fair value foreign exchange exposures and interest rate exposures on a worldwide basis, assesses the potential economics and earnings impact from foreign exchange and/or interest rate fluctuations, and deploys risk management policies and solutions to reduce volatility related to TTEC's exposure to foreign exchange rate changes and interest rate changes.

The Company enters into foreign exchange forward and option contracts to reduce its exposure to foreign currency exchange rate fluctuations that are associated with forecasted revenue earned in foreign locations. Upon proper qualification, these contracts are designated as cash flow hedges. The Company formally documents at the inception of the hedge all relationships between hedging instruments and hedged items as well as its risk management objective and strategy for undertaking various hedging activities.

The Company also enters into fair value derivative contracts that hedge against foreign currency exchange gains and losses primarily associated with short-term payables and receivables. These swap contracts are not designated as hedges under ASC Topic 815, *Derivatives and Hedging*.

It is the Company's policy to only enter into derivative contracts with investment grade counterparty financial institutions, and correspondingly, the fair value of derivative assets considers, among other factors, the creditworthiness of these counterparties. Conversely, the fair value of derivative liabilities reflects the Company's creditworthiness. As of September 30, 2025, the Company has not experienced, nor does it anticipate, any issues related to derivative counterparty defaults.

All derivative financial instruments are reported at gross fair value and recorded in Prepaids and other current assets, Other long-term assets, Other current liabilities, and Other long-term liabilities in the accompanying Consolidated Balance Sheets as applicable for each period end.

Cash Flow Hedges

Changes in fair value of derivative instruments designated as cash flow hedges are recorded in Accumulated other comprehensive income (loss), a component of Stockholders' Equity, to the extent they are deemed effective. Ineffectiveness is measured based on the change in fair value of the forward contracts and the fair value of the hypothetical derivatives with terms that match the critical terms of the risk being hedged. Based on the criteria established by current accounting standards, the Company's cash flow hedge contracts are deemed to be highly effective. Any realized gains or losses resulting from the foreign currency cash flow hedges are recognized together with the hedged transaction within Revenue.

(7) FAIR VALUE

The authoritative guidance for fair value measurements establishes a three-level fair value hierarchy that prioritizes the inputs used to measure fair value. This hierarchy requires that the Company maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of inputs used to measure fair value are as follows:

- Level 1 — Quoted prices in active markets for identical assets or liabilities.
- Level 2 — Observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets and liabilities in active markets, similar assets and liabilities in markets that are not active or can be corroborated by observable market data.
- Level 3 — Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. This includes certain pricing models, discounted cash flow methodologies and similar techniques that use significant unobservable inputs.

The following presents information as of September 30, 2025 and December 31, 2024 for the Company's assets and liabilities required to be measured at fair value on a recurring basis, as well as the fair value hierarchy used to determine their fair value.

Accounts Receivable and Payable - The amounts recorded in the accompanying balance sheets approximate fair value because of their short-term nature.

Investments – The Company measures investments, including cost and equity method investments, at fair value on a nonrecurring basis when they are deemed to be other-than-temporarily impaired. The fair values of these investments are determined based on valuation techniques using the best information available, and may include market observable inputs, and discounted cash flow projections. An impairment charge is recorded when the cost of the investment exceeds its fair value and this condition is determined to be other-than-temporary.

Debt - The Company's debt consists primarily of the Company's Credit Facility, which permits floating-rate borrowings based upon the current Prime Rate or SOFR plus a credit spread as determined by the Company's leverage ratio calculation (in each case as defined in the Credit Agreement discussed in Note 10). As of September 30, 2025 and December 31, 2024, the Company had \$882.5 million and \$975.0 million, respectively, of borrowings outstanding under the Credit Facility. During the third quarter of 2025 outstanding borrowings accrued interest at an average rate of 6.6% per annum, excluding unused commitment fees. The amounts recorded in the accompanying Balance Sheets approximate fair value due to the variable nature of the debt based on Level 2 inputs.

Derivatives - Net derivative assets (liabilities) are measured at fair value on a recurring basis. The portfolio is valued using models based on market observable inputs, including both forward and spot foreign exchange rates, interest rates, implied volatility, and counterparty credit risk, including the ability of each party to execute its obligations under the contract. As of September 30, 2025, credit risk did not materially change the fair value of the Company's derivative contracts.

Deferred Compensation Plan — The Company maintains a non-qualified deferred compensation plan for certain eligible employees. The deferred compensation asset represents the combined fair value of all the funds based on quoted values and market observable inputs.

Contingent Consideration - The Company recorded contingent consideration payable related to the acquisition of Faneuil that closed in 2022. The contingent payables for Faneuil were calculated using a Monte Carlo simulation including a discount rate of 19.3%. The measurements were based on significant inputs not observable in the market. The Company records interest expense each period using the effective interest method until the future value of these contingent payments reaches the expected total future value.

During 2022 and 2023, fair value adjustments of a \$2.9 million benefit and a \$3.0 million expense, respectively, were recorded related to fair value adjustments of the estimated contingent payments associated with the Faneuil acquisition based on updated discount factors, the passage of time, updated EBITDA estimates and a modification to the agreement (see Note 2) for one contract, and a complete reduction for the second contract as it was not awarded to the Company. During 2024, a fair value adjustment of a \$1.5 million benefit was recorded related to fair value adjustments of the estimated contingent payments associated with the Faneuil acquisition based on updated discount factors, the passage of time, and updated EBITDA estimates. The fair value adjustment benefits(expenses) were included in Other income (expense) in the Consolidated Statements of Comprehensive Income (Loss). As of December 31, 2024, the contingent consideration payment was accrued at \$0.0 million. The earn-out period was completed at the end of January 2025. Based on final results, no final earn-out payment was required.

(8) IMPAIRMENT OF ASSETS

The Company evaluated the recoverability of its leasehold improvement assets at certain customer engagement centers, building and land assets, as well as all internally developed software projects. An asset group is considered to be impaired when the anticipated undiscounted future cash flows of its asset group is estimated to be less than the asset group's carrying value. The amount of impairment recognized is the difference between the carrying value of the asset group and its fair value. To determine fair value, the Company used Level 3 inputs in its discounted cash flows analysis. Assumptions included the amount and timing of estimated future cash flows and assumed discount rates. During the three months ended September 30, 2025 and 2024, TTEC Digital recognized impairment losses related to leasehold improvements assets, right of use lease assets, capitalized software and certain computer equipment of \$0.0 million and \$0.4 million, respectively. During the nine months ended September 30, 2025 and 2024, TTEC Digital recognized impairment losses related to leasehold improvement assets, right of use lease assets, capitalized software and certain computer equipment of \$0.2 million and \$2.9 million, respectively. During the three months ended September 30, 2025 and 2024, TTEC Engage recognized impairment losses related to leasehold improvement assets, right of use lease assets, capitalized software and certain computer equipment of \$0.4 million and \$4.3 million, respectively. During the nine months ended September 30, 2025 and 2024, TTEC Engage recognized impairment losses related to leasehold improvement assets, right of use lease assets, capitalized software and certain computer equipment of \$1.7 million and \$5.1 million, respectively.

(9) INCOME TAXES

The Company accounts for income taxes in accordance with the accounting literature for income taxes, which requires recognition of deferred tax assets and liabilities for the expected future income tax consequences of transactions that have been included in the Consolidated Financial Statements. Under this method, deferred tax assets and liabilities are determined based on the difference between the financial statement and tax basis of assets and liabilities using tax rates in effect for the year in which the differences are expected to reverse. Quarterly, the Company assesses the likelihood that its net deferred tax assets will be recovered. Based on the weight of all available evidence, both positive and negative, the Company records a valuation allowance against deferred tax assets when it is more-likely-than-not that a future tax benefit will not be realized. The Company's selection of an accounting policy with respect to both the global intangible low taxed foreign income ("GILTI") and base erosion and anti-abuse tax ("BEAT") rules is to compute the related taxes in the period the entity becomes subject to either GILTI or BEAT.

On July 4, 2025, the One Big Beautiful Bill Act (OBBBA) was signed into law, extending key provisions of the 2017 Tax Cuts and Jobs Act. The Company has evaluated the provisions of the new law and determined there was no material impact on the Company's consolidated financial statements.

At the end of each interim period, we are required to estimate our annual effective tax rate for the fiscal year and to use that rate to provide for income taxes for the current year-to-date reporting period. The Company's 2025 estimated annual effective tax rate of 27.4%, before discrete items, is driven by the distribution of forecasted income between the U.S. and international tax jurisdictions, earnings in international jurisdictions currently under an income tax holiday, and the impact of valuation allowances in the United States and several other jurisdictions. The Company's effective tax rate for the nine months ended September 30, 2025 was 189.9%. This rate was the result of the jurisdictional mix of year-to-date income, foreign currency gains and losses and the impact of the exclusion of losses related to entities with a full valuation allowance.

TTEC HOLDINGS, INC. AND SUBSIDIARIES
Notes to Consolidated Financial Statements
(Unaudited)

The Company's U.S. income tax returns filed for the tax years ending December 31, 2017, December 31, 2018, and from December 31, 2020 to present, remain open tax years. The Company has been notified of the intent to audit or is currently under audit with respect to income taxes for the United States for tax year 2017 and 2018, the Philippines for tax years 2021 to 2023, Canada for tax year 2021, and India for tax years 2017 through 2023. Although the outcome of examinations by taxing authorities are always uncertain, it is the opinion of management that the resolution of these audits will not have a material effect on the Company's Consolidated Financial Statements.

The Organization for Economic Co-operation and Development (OECD), supported by 140 of their member countries, have agreed to implement a minimum 15% tax rate on certain multinational enterprises and have released model guidance. This global minimum tax, known as the Pillar 2 framework, became effective across various countries in 2024, as each country works to enact legislation influenced by the OECD Pillar 2 rules. The Company does not expect the adoption of the Pillar 2 framework to have a material impact on its effective tax rate and the Company continues to evaluate additional guidance released by the OECD, along with the pending and adopted legislation in each of the countries in which it operates.

When there is a change in judgment concerning the recovery of deferred tax assets in future periods, a valuation allowance is recorded into earnings during the quarter in which the change in judgment occurred. During the first, second and third quarters of 2024, a \$3.0 million, \$81.1 million and a \$1.7 million net valuation allowance was recorded, respectively, for assets that are not expected to be recovered in future periods. No new valuation allowances have been recorded in 2025.

The Company has been granted "Tax Holidays" as an incentive to attract foreign investment by the governments of the Philippines and Honduras. Generally, a Tax Holiday is an agreement between the Company and a foreign government under which the Company receives certain tax benefits in that country, such as exemption from taxation on profits derived from export-related activities. In the Philippines, the Company has been granted multiple agreements under local laws which result in an overall reduced tax rate. These incentives have varying benefit year over year and expire at various times beginning in 2031. The aggregate benefit to income tax expense for the three months ended September 30, 2025 and 2024 was approximately \$0.6 million and \$0.7 million, respectively, which had an impact on diluted net income per share of \$0.01 and \$0.02, respectively. The aggregate benefit to income tax expense for the nine months ended September 30, 2025 and 2024 was approximately \$1.8 million and \$2.1 million, respectively, which had an impact on diluted net income per share of \$0.03 and \$0.04, respectively.

(10) COMMITMENTS AND CONTINGENCIES

Credit Facility

On November 5, 2025, the Company entered into the Tenth Amendment, which extends the maturity date to November 23, 2027 (the “New Maturity Date”) and modifies certain other material terms of the Credit Facility, including the size of the facility, pricing and certain covenants. The aggregate revolving commitment is reduced from \$1.2 billion to \$1.05 billion, with further reductions of \$25 million each on April 1, 2026 and July 1, 2026. The letter of credit sublimit is reduced from \$100 million to \$50 million. Base rate loans bear interest at a rate equal to the highest of (a) the prime rate, (b) the federal funds rate plus 0.50%, and (c) SOFR in effect on such day plus 1.0%. Base rate loans shall be based on the base rate, plus the applicable credit margin of 2.0% through September 30, 2026, increasing to 5.0% thereafter. SOFR loans bear interest at a rate equal to the applicable spread adjusted SOFR plus applicable credit margin of 3.0% through September 30, 2026, increasing to spread adjusted SOFR plus 6.0% thereafter. Alternative currency loans (not denominated in U.S. Dollars) bear interest at rates applicable to their respective currencies. A one-time extension fee of 1.5% of the aggregate revolving credit commitment is payable if the Credit Facility is still in effect on October 1, 2026. Limits on certain indebtedness, liens, investments and mergers are reduced by 50%, while acquisitions and restricted payments (subject to limited exceptions) are reduced by 100%. Certain other uses of cash are also restricted, subject to limited exceptions. The period during which certain covenant adjustments apply are as of March 31, 2026 and June 30, 2026. The maximum net leverage ratio steps down from the currently permitted 4.25 to 3.00 by Q3 2027 (TTEC’s Q3 2025 net leverage ratio is 3.46). The upfront fee payable to consenting lenders is 20 basis points of the revolving credit commitment.

On August 8, 2024, the Company entered into a Ninth Amendment to the Credit Agreement (the “Ninth Amendment”) to, among other things, provide for less restrictive financial covenants in respect of the leverage ratio and the interest coverage ratio for the period beginning with the third quarter of 2024 through the first quarter of 2026 (the “Covenant Adjustment Period”). Specifically, the revisions permit a maximum leverage ratio of up to 5.15 to 1.00 and a minimum interest coverage ratio of not less than 2.00 to 1.00 as of the end the third quarter of 2024, with such levels gradually becoming more restrictive during subsequent quarters of the Covenant Adjustment Period and returning to a leverage ratio of 3.50 to 1.00 as of the end of the first quarter of 2026. Pursuant to the Ninth Amendment, the Company agreed to permanently reduce the total lenders’ commitment from \$1.3 billion to \$1.2 billion and to provide certain additional assets as collateral, with the effect that the facility is now secured by substantially all personal property assets of the Company and its subsidiaries. In addition, the Company agreed to certain other changes, including, among others, (i) increased pricing on borrowings and increased facility fees, in each case, determined according to the Company’s leverage ratio, (ii) more restrictive limitations in respect of debt, liens, investments, acquisitions, asset sales and restricted payments, and (iii) requirements to apply certain equity and debt issuances and asset sale proceeds to the prepayment of the facility and permanent reduction of the total facility commitment amount.

On February 26, 2024, the Company entered into an Eighth Amendment to the Credit Agreement to increase the net leverage ratio covenant, the lenders’ commitment fee rate and margin for a period starting with the quarter ending March 31, 2024 through the quarter ending March 31, 2025, from the current 3.5 to 1 to between 4.0 to 1 and 4.5 to 1, as may be applicable in different quarters; and to reduce the total lenders’ commitment from \$1.5 billion to \$1.3 billion.

Letter of credit fees are one eighth of 1% of the stated amount of the letter of credit on the date of issuance, renewal or amendment, plus an annual fee equal to the borrowing margin for SOFR loans.

TTEC HOLDINGS, INC. AND SUBSIDIARIES
Notes to Consolidated Financial Statements
(Unaudited)

The Credit Agreement includes a number of financial covenants and operating restrictions and failure to comply with them could result in a default under the Credit Agreement. As of the issuance of these unaudited Consolidated Financial Statements, the Company believes it has sufficient cash on hand, positive working capital, and availability to access additional cash under the Credit Facility to meet its business operating requirements and make its capital expenditures and to continue to comply with the financial covenants under the Credit Agreement for the next 12 months. In the event the Company does not remain in compliance with the financial covenants under the Credit Agreement, it may need to negotiate additional amendments to or waivers of the terms of such Credit Agreement, refinance its debt, or raise additional capital.

As of September 30, 2025 and December 31, 2024, the Company had borrowings of \$882.5 million and \$975.0 million, respectively, under its Credit Facility, and its average daily utilization was \$993.9 million and \$1,047.3 million for the nine months ended September 30, 2025 and 2024, respectively. Based on the level of availability per the covenant calculations as of September 30, 2025, the Company's remaining borrowing capacity was approximately \$190 million. As of September 30, 2025, the Company was in compliance with all covenants and conditions under its Credit Agreement.

Letters of Credit

As of September 30, 2025, outstanding letters of credit under the Credit Facility totaled \$5.2 million. As of September 30, 2025, letters of credit and contract performance guarantees issued outside of the Credit Agreement totaled \$0.3 million.

Guarantees

Indebtedness under the Credit Agreement is guaranteed by the Company's present and future subsidiaries.

Legal Proceedings

From time to time, the Company has been involved in legal actions, both as plaintiff and defendant, which arise in the ordinary course of business. The Company accrues for exposures associated with such legal actions to the extent that losses are deemed both probable and reasonably estimable. To the extent specific reserves have not been made for certain legal proceedings, their ultimate outcome, and consequently, an estimate of possible loss, if any, cannot reasonably be determined at this time.

Based on currently available information and advice received from counsel, the Company believes that the disposition or ultimate resolution of any current legal proceedings, except as otherwise specifically reserved for in its financial statements, will not have a material adverse effect on the Company's financial position, cash flows or results of operations. In the event of unexpected further developments, however, it is possible that the ultimate resolution of these matters, or other similar matters, if unfavorable, may be materially adverse to the Company's financial position, cash flows, or results of operations.

(11) DEFERRED REVENUE AND REMAINING PERFORMANCE OBLIGATIONS

Revenue recognized for the nine months ended September 30, 2025 from amounts included in deferred revenue as of December 31, 2024 was \$59.8 million. Revenue recognized for the nine months ended September 30, 2024 from amounts included in deferred revenue as of December 31, 2023 was \$74.1 million. Prior period amounts have been adjusted to correct for identified errors in the calculation of deferred revenue recognized for the nine months ended September 30, 2024.

Remaining performance obligations ("RPO") represent the amount of contracted future revenue that has not yet been recognized, including both deferred revenue and non-cancelable contracted amounts that will be invoiced and recognized as revenue in future periods. The Company's RPO excludes performance obligations from on-demand arrangements as there are no minimum purchase commitments associated with these arrangements, and certain time and materials contracts that are billed in arrears.

TTEC HOLDINGS, INC. AND SUBSIDIARIES
Notes to Consolidated Financial Statements
(Unaudited)

As of September 30, 2025, the Company's RPO was \$392.4 million, which will be delivered and recognized within the next six years. The Company expects to recognize approximately 61% of the RPO over the next 12 months, 24% of the RPO over the subsequent 13 to 24 months, and the remainder thereafter.

Performance Based Restricted Stock Unit Grants

During 2022, the Company granted awards of two different performance-based RSU (“PRSU”) programs that are subject to service and performance vesting conditions: ordinary course annual PRSUs and one-time stretch financial goals PRSUs. For the ordinary course annual PRSUs, if defined minimum targets were met, the annual value of the PRSUs issued would have been between \$0.9 million and \$3.5 million and the PRSUs would have vested in March 2025. If the defined minimum targets were not met, then no shares would be issued. The number of shares awarded would have been based on the Company’s annual revenue and adjusted EBITDA for fiscal year 2024. For the 2022 ordinary course annual PRSUs, no shares were issued in March 2025 as defined minimum targets were not met. For the one-time stretch financial goals PRSUs, if defined minimum targets at TTEC Engage and TTEC Digital business segments’ levels are met, the Company will issue between 0.0 million and 0.5 million PRSUs that will vest immediately in March 2026. If the defined minimum targets are not met, then no shares will be issued. The number of shares awarded will be based on the TTEC Engage and TTEC Digital business segments’ annual revenue and adjusted EBITDA for fiscal year 2025. The Company did not recognize any compensation expense related to these awards for the three and nine months ended September 30, 2025, as they were not deemed probable of being achieved.

During 2023, the Company awarded PRSUs to senior executives that are subject to service and performance vesting conditions. If defined minimum targets are met, the Company will issue PRSUs with an annual value between zero and \$8.9 million that will vest in 2026. If the defined minimum targets are not met, then no PRSUs will be issued. The number of PRSUs awarded will be based on the Company’s annual revenue and adjusted EBITDA for fiscal year 2025. Expense for these awards began at the start of the requisite service period, beginning January 1, 2025. The Company did not recognize any compensation expense related to these awards for the three and nine months ended September 30, 2025, as they were not deemed probable of being achieved.

During the fourth quarter of 2024, the Company awarded PRSUs to senior executives that are subject to service and performance vesting conditions. If defined minimum targets are met, the Company will issue PRSUs with an annual value between zero and \$4.0 million that will vest in 2027. If the defined minimum targets are not met, then no PRSUs will be issued. The number of PRSUs awarded will be based on the Company’s annual revenue and adjusted EBITDA for fiscal year 2026 and on TTEC Digital’s annual revenue and adjusted EBITDA for fiscal year 2026. Expense for these awards will begin at the start of the requisite service period, beginning January 1, 2026.

(15) NON-QUALIFIED DEFERRED COMPENSATION PLAN

The Company maintains a non-qualified deferred compensation plan for executive officers and other eligible employees that permits such employees to defer a portion of their compensation, on a pretax basis, until after their termination of employment (the “NQ Deferred Compensation Plan”). The plan allows for deferral of up to 75% of a participant’s base salary, bonus, commissions, and any amounts that U.S. highly compensated employees are limited from contributing into TTEC’s Deferred Tax Retirement Savings Plan (the “401K Plan”). All amounts deferred under the plan are unfunded, unsecured obligations and are recorded within Other long-term liabilities in the accompanying Consolidated Condensed Balance Sheets. In the event of bankruptcy, the assets of this plan are available to satisfy the claims of general creditors. Participants may choose among alternative earnings rates for the amounts they defer, which are primarily based on investment options within the 401K Plan. Amounts contributed and deferred under the Plan are credited or charged with the performance of investment options offered under the plan as elected by the participants. The Company manages the risk of changes in the fair value of the liability for deferred compensation by electing to match its liability under the plan with investment vehicles that offset a portion of its exposure including a Company owned life insurance policy held in a rabbi trust. In the fourth quarter of 2024 the Company suspended additional deferrals into the Plan for 2025 and until further notice.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

Executive Summary

Founded in 1982, TTEC is a global customer experience ("CX") outsourcing partner for marquee and disruptive brands and public sector clients. The Company designs, builds, and operates technology-enabled customer experiences across live interaction channels and provides data-driven digital solutions to help clients improve customer satisfaction and loyalty, increase customer revenue and profitability, and optimize overall cost to serve. As of September 30, 2025, TTEC served approximately 660 clients across targeted industry verticals including financial services, healthcare, public sector, communications, technology, media, entertainment, travel and hospitality, automotive and retail.

TTEC operates and reports its financial results of operations through two business segments:

- **TTEC Digital** is one of the largest CX technology and service providers and is focused on the intersection of Contact Center as a Service ("CCaaS"), Customer Relationship Management ("CRM"), and Artificial Intelligence (AI) and Analytics. A professional services organization comprised of software engineers, systems architects, data scientists and CX strategists, this segment creates and implements strategic CX transformation roadmaps; sells, operates, and provides managed services for cloud platforms and premise-based CX technologies including Amazon Web Services ("AWS"), Cisco, Genesys, Google, and Microsoft; and creates proprietary IP to support industry specific and custom client needs. TTEC Digital serves clients across enterprise and small and medium-sized business segments and has a dedicated unit with government technology certifications serving the public sector.
- **TTEC Engage** provides the digitally enabled CX operational and managed services to support large, complex enterprise clients' end-to-end customer interactions at scale across the world. Tailored to meet industry-specific business needs, this segment delivers data-driven omnichannel customer care, customer acquisition, growth, and retention services, tech support, fraud mitigation and back-office solutions. The segment's technology-enabled delivery model covers the entire solution lifecycle including associate recruitment, onboarding, training, delivery, workforce management and quality assurance.

TTEC pursues its CX market leadership through strategic collaboration across TTEC Digital and TTEC Engage. Together, TTEC's ability to deliver comprehensive and transformational customer experience solutions to its clients is a marketplace differentiation, including integrated CX technology and service solutions, go-to-market strategies, and innovative offerings.

During 2025, the TTEC global operating platform delivered onshore, nearshore, and offshore services in 22 countries on six continents -- the United States, Australia, Belgium, Brazil, Bulgaria, Canada, Colombia, Costa Rica, Egypt, Germany, Greece, Honduras, India, Ireland, Mexico, the Netherlands, New Zealand, the Philippines, Poland, South Africa, Thailand, and the United Kingdom with contributions from approximately 52,000 customer care associates, consultants, technologists, and CX professionals.

Our revenue for third quarter 2025 was \$519.1 million, of which approximately \$121.9 million, or 23% was generated from our TTEC Digital segment and \$397.2 million, or 77%, was generated from our TTEC Engage segment.

To advance our competitive position in a rapidly changing market and to provide our clients with modernized CX technology and service solutions, we continue to invest in innovation and service offerings for both mainstream and high-growth disruptive businesses, diversifying and strengthening our core customer care services with technology-enabled, outcomes-focused services, data analytics, insights, and consulting.

We also invest to broaden our CX product and service capabilities, increase our global client base and industry expertise, expand our geographic footprint to the needs of our global clientele, and further scale our integrated solutions within and between our TTEC Digital and TTEC Engage segments.

Financial Highlights

In the third quarter of 2025, our revenue decreased \$10.3 million, or 1.9%, to \$519.1 million over the same period in 2024 including an increase of \$2.2 million, or 0.4%, due to foreign currency fluctuations. The decrease in revenue was comprised of a \$6.2 million, or 5.4%, increase for TTEC Digital and a decrease of \$16.5 million, or 4.0%, for TTEC Engage.

Our third quarter 2025 income (loss) from operations decreased \$0.6 million to \$12.3 million or 2.4% of revenue, compared to \$12.9 million or 2.4% of revenue in the third quarter of 2024. The TTEC Digital operating margin decreased 2.5% over the same period last year primarily due to lower margins in our recurring business and higher one-time on-premise revenue that yields lower margins. The TTEC Engage operating margin increased 0.6% over the same period last year due to lower impairment expenses.

Income (loss) from operations in the third quarter of 2025 and 2024 included \$2.2 million and \$5.7 million of restructuring charges and asset impairments, respectively.

Our offshore customer experience centers spanning 15 countries serve clients based in the U.S. and in other countries with 22,000 workstations, representing 82% of our global delivery capability. Revenue for our TTEC Engage segment provided in these offshore locations represented 39% of our revenue for the third quarter of 2025, as compared to 35% of our revenue for the corresponding period in 2024.

Our seat utilization is defined as the total number of utilized workstations compared to the total number of available production workstations. As of September 30, 2025, the total production workstations for our TTEC Engage segment was 26,600, a net decrease of 3,600 workstations over the same period last year, with an overall capacity utilization 73% versus 70% in the prior year period. The increase was due to seat reductions in the U.S. and Philippines, partially offset by reduced client forecasts.

We plan to continue to selectively retain and grow capacity and expand into new offshore markets, while maintaining appropriate capacity onshore. As we grow our offshore delivery capabilities and our exposure to foreign currency fluctuation increases, we will continue to actively manage this risk via a multi-currency hedging program designed to minimize operating margin volatility.

Smaller Reporting Company Status

We are a “smaller reporting company” as defined in Item 10(f)(1) of Regulation S-K. Although, as a smaller reporting company, we are eligible to provide scaled disclosures in our filings with the SEC, the Company elected not to avail itself of this relief in this Quarterly Report on Form 10-Q and will continue to provide the same level of disclosures as in its most recent fiscal periods. The Company may re-evaluate this decision at a later date.

Recently Issued Accounting Pronouncements

Refer to Part I, Item I. Financial Statements, Note 1 to the Consolidated Financial Statements for a discussion of recently adopted and issued accounting pronouncements.

Critical Accounting Policies and Estimates

Management’s Discussion and Analysis of our Financial Condition and Results of Operations is based upon our Consolidated Financial Statements, which have been prepared in accordance with GAAP. The preparation of these financial statements requires us to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenue and expenses as well as the disclosure of contingent assets and liabilities. We regularly review our estimates and assumptions. These estimates and assumptions, which are based upon historical experience and on various other factors believed to be reasonable under the circumstances, form the basis for making judgments about the carrying values of assets and liabilities that are not readily apparent from other sources. Reported amounts and disclosures may have been different had management used different estimates and assumptions or if different conditions had occurred in the periods presented. For further information, please refer to the discussion of all critical accounting policies in Note 1 of the Notes to the Consolidated Financial Statements in our Annual Report on [Form 10-K](#) for the year ended December 31, 2024.

Results of Operations

Three months ended September 30, 2025 compared to three months ended September 30, 2024

The tables included in the following sections are presented to facilitate an understanding of Management's Discussion and Analysis of Financial Condition and Results of Operations and present certain information by segment for the three months ended September 30, 2025 and 2024 (amounts in thousands). All intercompany transactions between the reported segments for the periods presented have been eliminated.

TTEC Digital

	Three Months Ended September 30,		\$ Change	% Change
	2025	2024		
Revenue	\$ 121,916	\$ 115,669	\$ 6,247	5.4 %
Operating Income	4,859	7,474	(2,615)	(35.0)%
Operating Margin	4.0 %	6.5 %		

The increase in revenue for the TTEC Digital segment was driven by higher one-time on-premise related revenue.

The operating income decrease was primarily related to lower margins in our recurring business and higher one-time on-premise revenue that yields lower margins. Operating income as a percentage of revenue decreased to 4.0% in the third quarter of 2025 as compared to 6.5% in the prior period. Included in operating income was amortization expense related to acquired intangibles of \$3.7 million and \$4.1 million for the quarters ended September 30, 2025 and 2024, respectively.

TTEC Engage

	Three Months Ended September 30,		\$ Change	% Change
	2025	2024		
Revenue	\$ 397,227	\$ 413,758	\$ (16,531)	(4.0)%
Operating Income (loss)	7,470	5,415	2,055	38.0 %
Operating Margin	1.9 %	1.3 %		

The decrease in revenue for the TTEC Engage segment is explained by lower demand from select large onshore enterprise clients due to clients' continued conservative cost management by moderating the level of customer support to address cost pressures.

The operating income increase was primarily attributable to lower impairment expenses. Operating income as a percentage of revenue increased to 1.9% in the third quarter of 2025 as compared to 1.3% in the prior period. Included in operating income was amortization expense related to acquired intangibles of \$4.1 million and \$4.1 million for the quarters ended September 30, 2025 and 2024, respectively.

Interest Income (Expense)

For the three months ended September 30, 2025 interest income increased to \$0.5 million from \$0.3 million in the same period in 2024 due to \$0.3 million of interest income on an aged VAT receivable. Interest expense decreased to \$16.6 million during 2025 from \$21.7 million during 2024 due to lower utilization and lower rates.

Other Income (Expense)

For the three months ended September 30, 2025 Other income (expense), net increased to income of \$3.8 million from expense of \$1.0 million during the prior year quarter.

Included in the three months ended September 30, 2025 was a \$1.7 million gain related to a recovery of an aged VAT receivable.

Included in the three months ended September 30, 2024 was a \$0.5 million gain related to the fair value adjustment of a contingent consideration accrual.

Income Taxes

The effective tax rate for the three months ended September 30, 2025 was 21,930.3%. This compares to an effective tax rate of (98.1)% for the comparable period of 2024. The effective tax rate for the three months ended September 30, 2025 is primarily driven by the distribution of income between the U.S. and international tax jurisdictions, earnings in international jurisdictions currently under an income tax holiday, foreign currency gains and losses, and the impact of valuation allowances in the United States and several other jurisdictions.

Nine months ended September 30, 2025 compared to nine months ended September 30, 2024

The tables included in the following sections are presented to facilitate an understanding of Management's Discussion and Analysis of Financial Condition and Results of Operations and present certain information by segment for the nine months ended September 30, 2025 and 2024 (in thousands). All intercompany transactions between the reported segments for the periods presented have been eliminated.

TTEC Digital

	Nine Months Ended September 30,		\$ Change	% Change
	2025	2024		
Revenue	\$ 343,702	\$ 344,068	\$ (366)	(0.1)%
Operating Income	22,132	16,771	5,361	32.0 %
Operating Margin	6.4 %	4.9 %		

The slight decrease in revenue for the TTEC Digital segment was driven by lower recurring revenue offset by higher one-time on-premise related revenue.

The operating income increase is primarily attributable to the sale of software, lower employee related costs, improved utilization, and lower impairment expenses. Operating income as a percentage of revenue increased to 6.4% for the nine months ended September 30, 2025 as compared to 4.9% in the prior period. Included in operating income was amortization expense related to acquired intangibles of \$11.0 million and \$12.7 million for the nine months ended September 30, 2025 and 2024, respectively.

TTEC Engage

	Nine Months Ended September 30,		\$ Change	% Change
	2025	2024		
Revenue	\$ 1,223,240	\$ 1,296,082	\$ (72,842)	(5.6)%
Operating Income (loss)	33,262	(205,583)	238,845	116.2 %
Operating Margin	2.7 %	(15.9)%		

The decrease in revenue for the TTEC Engage segment is explained by a long tenured client exiting a large line of business supported by TTEC and lower demand from select large onshore enterprise clients due to clients' continued conservative cost management by moderating the level of customer support to address cost pressures.

The operating income (loss) change was primarily attributable to the Q2 2024 goodwill impairment of \$233.5 million and lower impairment expenses. As a result, operating income (loss) as a percentage of revenue increased to 2.7% for the nine months ended September 30, 2025 as compared to (15.9)% in the prior period. Included in operating income was amortization expense related to acquired intangibles of \$12.2 million and \$12.3 million for the nine months ended September 30, 2025 and 2024, respectively.

Interest Income (Expense)

For the nine months ended September 30, 2025 interest income increased to \$8.3 million from \$1.7 million in the same period in 2024 due to \$7.6 million of interest income on an aged VAT receivable. Interest expense decreased to \$54.7 million during 2025 from \$63.2 million during 2024 due to the termination of the factoring agreement, lower utilization and lower rates.

Other Income (Expense)

For the nine months ended September 30, 2025 Other income (expense), net increased to net income of \$7.1 million from net income of \$1.0 million during the prior year period.

Included in the nine months ended September 30, 2025 was a \$8.3 million gain related to a recovery of an aged VAT receivable.

Included in the nine months ended September 30, 2024 was a \$1.5 million gain related to the fair value adjustment of a contingent consideration accrual.

Income Taxes

The effective tax rate for the nine months ended September 30, 2025 was 189.9%. This compared to an effective tax rate of (26.4)% for the comparable period of 2024. The effective tax rate for the nine months ended September 30, 2025 is primarily driven by the distribution of income between the U.S. and international tax jurisdictions, earnings in international jurisdictions currently under an income tax holiday, foreign currency gains and losses, and the impact of valuation allowances in the United States and several other jurisdictions.

Liquidity and Capital Resources

Our principal sources of liquidity are our cash generated from operations, our cash and cash equivalents, and borrowings under our Credit Facility. During the nine months ended September 30, 2025, we generated operating cash flows of \$118.5 million. We believe that our cash generated from operations, existing cash and cash equivalents, and available credit will be sufficient to meet expected operating and capital expenditure requirements for the next 12 months. However, if our access to capital is restricted or our borrowing costs increase, our operations and financial condition could be adversely impacted.

The Company believes that the Tenth Amendment to the Credit Facility provides additional liquidity and flexibility to support ongoing operations in the short term. The increased pricing, reduced size of the Credit Facility, and more restrictive covenants may limit the Company's ability to pursue certain strategic initiatives, including acquisitions. Management expects to continue to monitor the credit markets and, starting in 2026, to actively seek alternative credit arrangements designed to provide the Company with greater flexibility. Pending any refinancing of the Credit Facility, management will continue to evaluate the impact of these changes on the Company's financial position and results of operations.

We manage a centralized global treasury function in the United States with a focus on safeguarding and optimizing the use of our global cash and cash equivalents. Our cash is held in the U.S. in U.S. dollars, and outside of the U.S. in U.S. dollars and foreign currencies. We expect to use our cash to fund working capital, global operations, dividends, acquisitions, and other strategic activities. While there are no assurances, we believe our global cash is well protected given our cash management practices, banking partners and utilization of diversified bank deposit accounts and other high-quality investments.

We have global operations that expose us to foreign currency exchange rate fluctuations that may positively or negatively impact our liquidity. To mitigate these risks, we enter into foreign exchange forward and option contracts through our cash flow hedging program. Please refer to Part I, Item 3. Quantitative and Qualitative Disclosures About Market Risk, Foreign Currency Risk, for further discussion. We are also exposed to interest rate fluctuations associated with our variable rate debt.

The following discussion highlights our cash flow activities during the nine months ended September 30, 2025 and 2024.

Cash and Cash Equivalents

We consider all liquid investments purchased within three months of their original maturity to be cash equivalents. Our cash and cash equivalents totaled \$73.5 million and \$85.0 million as of September 30, 2025 and December 31, 2024, respectively.

We reinvest our cash flows to grow our client base, expand our infrastructure, invest in research and development, make strategic acquisitions and to pay dividends.

Cash Flows from Operating Activities

For the nine months ended September 30, 2025 and 2024, net cash flows provided by/(used in) operating activities was \$118.5 million and \$ (57.7) million, respectively. The increase is primarily due to a \$171.8 million increase in net working capital and a \$4.4 million increase in net cash income from operations.

Cash Flows from Investing Activities

For the nine months ended September 30, 2025 and 2024, net cash flows used in investing activities was \$21.9 million and \$36.3 million, respectively. The decrease was due to a \$10.1 million decrease in capital expenditures as we rephased our timing of capital expenditures.

Cash Flows from Financing Activities

For the nine months ended September 30, 2025 and 2024, net cash flows provided by/(used in) financing activities was \$(102.9) million and \$14.8 million, respectively. The change in net cash flows from 2024 to 2025 was primarily due to a \$(122.5) million net change in the line of credit.

Free Cash Flow

Free cash flow (see “Presentation of Non-GAAP Measurements” below for the definition of free cash flow) increased for the nine months ended September 30, 2025 compared to the nine months ended September 30, 2024 primarily due to an increase in net working capital and cash from operations. Free cash flow was \$92.1 million and \$(94.2) million for the nine months ended September 30, 2025 and 2024, respectively.

Presentation of Non-GAAP Measurements

Free Cash Flow

Free cash flow is a non-GAAP liquidity measurement. We believe that free cash flow is useful to our investors because it measures, during a given period, the amount of cash generated that is available for debt obligations and investments other than purchases of property, plant and equipment. Free cash flow is not a measure determined by GAAP and should not be considered a substitute for “income from operations,” “net income,” “net cash provided by operating activities,” or any other measure determined in accordance with GAAP. We believe this non-GAAP liquidity measure is useful, in addition to the most directly comparable GAAP measure of “net cash provided by operating activities,” because free cash flow includes investments in operational assets. Free cash flow does not represent residual cash available for discretionary expenditures, since it includes cash required for debt service. Free cash flow also includes cash that may be necessary for acquisitions, investments and other needs that may arise.

The following table reconciles net cash provided by operating activities to free cash flow for our consolidated results (in thousands):

	Three Months Ended September 30,		Nine Months Ended September 30,	
	2025	2024	2025	2024
Net cash provided by operating activities	\$ 4,204	\$ (91,377)	\$ 118,505	\$ (57,732)
Less: Purchases of property, plant and equipment	13,794	8,783	26,381	36,465
Free cash flow	<u>\$ (9,590)</u>	<u>\$ (100,160)</u>	<u>\$ 92,124</u>	<u>\$ (94,197)</u>

Obligations and Future Capital Requirements

There were no material changes to the Company’s contractual obligations and future capital requirements outside the normal course of business from the date of our 2024 [Form 10-K](#) filing on February 27, 2025 through the filing of this report.

Future Capital Requirements

We expect total capital expenditures in 2025 to be between 1.8% and 2.0% of revenue. Approximately 55% of these expected capital expenditures are to support growth in our business and 45% relate to the maintenance for existing assets. The anticipated level of 2025 capital expenditures are primarily driven by facility refreshes and maintenance, site optimizations, IT network modernization and PC refreshes, digital product development and ongoing site expansions/new sites but not at the same level as the prior year.

The amount of capital required over the next 12 months will depend on our levels of investment in infrastructure necessary to maintain, upgrade or replace existing assets. Our working capital and capital expenditure requirements could also increase materially in the event of acquisitions or joint ventures, among other factors. These factors could require that we raise additional capital through future debt or equity financing. We can provide no assurance that we will be able to raise additional capital upon commercially reasonable terms acceptable to us.

Client Concentration

During the nine months ended September 30, 2025 and 2024, one of our clients represented more than 10% of our total revenue. Our five largest clients, collectively, accounted for 31.8% and 31.5% of our consolidated revenue for the three months ended September 30, 2025 and 2024, respectively and 31.0% and 32.6% of our consolidated revenue for the nine months ended September 30, 2025 and 2024, respectively. We have had long-term relationships with our top five TTEC Engage clients, ranging from 6 to 23 years, with all of these clients having completed multiple contract renewals with us. The relative contribution of any single client to consolidated earnings is not always proportional to the relative revenue contribution on a consolidated basis and varies greatly based upon specific contract terms. In addition, clients may adjust business volumes served by us based on their business requirements. We believe the risk of this concentration is mitigated, in part, by the long-term contracts we have with our largest clients. Although certain client contracts may be terminated for convenience by either party, we believe this risk is mitigated, in part, by the service level disruptions and transition/migration costs that would arise for our clients if they terminated our contract for convenience.

Some of the contracts with our five largest clients expire between 2026 and 2029, but many of our largest clients have multiple contracts with us with different expiration dates for different lines of work. We have historically renewed most of our contracts with our largest clients, but there can be no assurance that future contracts will be renewed or, if renewed, will be on terms as favorable as the existing contracts.

ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

Market risk represents the risk of loss that may impact our consolidated financial position, consolidated results of operations, or consolidated cash flows due to adverse changes in financial and commodity market prices and rates. Market risk also includes credit and non-performance risk by counterparties to our various financial instruments. We are exposed to market risk due to changes in interest rates and foreign currency exchange rates (as measured against the U.S. dollar), as well as credit risk associated with potential non-performance of our counterparty banks. These exposures are directly related to our normal operating and funding activities. We enter into derivative instruments to manage and reduce the impact of currency exchange rate changes, primarily between the U.S. dollar/Philippine peso, the U.S. dollar/Mexican peso, and the Australian dollar/Philippine peso. To mitigate against credit and non-performance risk, it is our policy to only enter into derivative contracts and other financial instruments with investment grade counterparty financial institutions and, correspondingly, our derivative valuations reflect the creditworthiness of our counterparties. As of the date of this report, we have not experienced, nor do we anticipate, any issues related to derivative counterparty defaults.

Interest Rate Risk

The interest rate on our Credit Agreement is variable based upon the Prime Rate and SOFR (in each case as defined in the Credit Agreement) and, therefore, is affected by changes in market interest rates. As of September 30, 2025, we had \$882.5 million of outstanding borrowings under the Credit Agreement. Based upon average outstanding borrowings during the three months ended September 30, 2025, interest accrued at a rate of approximately 6.6% per annum. If the Prime Rate or SOFR increased by 100 basis points, there would be an annualized \$1.0 million of additional interest expense per \$100.0 million of outstanding borrowing under the Credit Agreement.

Foreign Currency Risk

Our subsidiaries in the Philippines, Mexico, India, Bulgaria, Colombia, South Africa, Egypt, Honduras and Poland use the local currency as their functional currency for paying labor and other operating costs. Conversely, revenue for these foreign subsidiaries is derived principally from client contracts that are invoiced and collected in U.S. dollars or other foreign currencies. As a result, we may experience foreign currency gains or losses, which may positively or negatively affect our results of operations attributed to these subsidiaries. For the nine months ended September 30, 2025 and 2024, revenue associated with this foreign exchange risk was 23% and 21% of our consolidated revenue, respectively.

In order to mitigate the risk of these non-functional foreign currencies weakening against the functional currencies of the servicing subsidiaries, which thereby decreases the economic benefit of performing work in these countries, we may hedge a portion, though not 100%, of the projected foreign currency exposure related to client programs served from these foreign countries through our cash flow hedging program. While our hedging strategy can protect us from adverse changes in foreign currency rates in the short term, an overall weakening of the non-functional foreign currencies would adversely impact margins in the segments of the servicing subsidiary over the long term.

Cash Flow Hedging Program

To reduce our exposure to foreign currency exchange rate fluctuations associated with forecasted revenue in non-functional currencies, we purchase forward and/or option contracts to acquire the functional currency of the foreign subsidiary at a fixed exchange rate at specific dates in the future. We have designated and account for these derivative instruments as cash flow hedges for forecasted revenue in non-functional currencies.

While we have implemented certain strategies to mitigate risks related to the impact of fluctuations in currency exchange rates, we cannot ensure that we will not recognize gains or losses from international transactions, as this is part of transacting business in an international environment. Not every exposure is or can be hedged and, where hedges are put in place based on expected foreign exchange exposure, they are based on forecasts for which actual results may differ from the original estimate. Failure to successfully hedge or anticipate currency risks properly could adversely affect our consolidated operating results.

Our cash flow hedging instruments as of September 30, 2025 and December 31, 2024 are summarized as follows (in thousands). All hedging instruments are forward contracts, except as noted.

As of September 30, 2025	Local Currency Notional Amount	U.S. Dollar Notional Amount	% Maturing in the next 12 months	Contracts Maturing Through
Philippine Peso	3,467,000	\$ 60,451 ⁽¹⁾	88.8 %	March 2027
Mexican Peso	426,500	21,218	83.5 %	December 2026
Colombian Peso	8,000,000	1,931	100.0 %	August 2026
		\$ 83,600		
As of December 31, 2024	Local Currency Notional Amount	U.S. Dollar Notional Amount	% Maturing in the next 12 months	Contracts Maturing Through
Philippine Peso	6,034,000	\$ 105,098 ⁽¹⁾	67.8 %	March 2027
Mexican Peso	548,000	26,682	64.6 %	December 2026
		\$ 131,780		

⁽¹⁾ Includes contracts to purchase Philippine pesos in exchange for New Zealand dollars and Australian dollars, which are translated into equivalent U.S. dollars on September 30, 2025 and December 31, 2024.

The fair value of our cash flow hedges as of September 30, 2025 was assets/(liabilities) (in thousands):

	September 30, 2025	Maturing in the Next 12 Months
Philippine Peso	\$ (1,261)	\$ (1,131)
Mexican Peso	1,550	1,347
Colombian Peso	47	47
	<u>\$ 336</u>	<u>\$ 263</u>

Our cash flow hedges are valued using models based on market observable inputs, including both forward and spot foreign exchange rates, implied volatility, and counterparty credit risk. The increase in fair value from December 31, 2024 reflects changes in the currency translation between the U.S. dollar and Mexican peso and U.S. dollar and Philippine pesos.

We recorded net gains/(losses) of \$0.9 million and \$2.7 million for settled cash flow hedge contracts and the related premiums for the nine months ended September 30, 2025 and 2024, respectively. These gains/(losses) were reflected in Revenue in the accompanying Consolidated Statements of Comprehensive Income (Loss). If the exchange rates between our various currency pairs were to increase or decrease by 10% from current period-end levels, we would incur a material gain or loss on the contracts. However, any gain or loss would be mitigated by corresponding increases or decreases in our underlying exposures.

Other than the transactions hedged as discussed above and in Part I, Item 1. Financial Statements, Note 6 to the Consolidated Financial Statements, the majority of the transactions of our U.S. and foreign operations are denominated in their respective local currency. However, transactions are denominated in other currencies from time-to-time. We do not currently engage in hedging activities related to these types of foreign currency risks because we believe them to be insignificant as we endeavor to settle these accounts on a timely basis. For the nine months ended September 30, 2025 and 2024, approximately 17% and 15%, respectively, of revenue was derived from contracts denominated in currencies other than the U.S. dollar. Our results from operations and revenue could be adversely affected if the U.S. dollar strengthens significantly against foreign currencies.

Fair Value of Debt and Equity Securities

We did not have any investments in marketable debt or equity securities as of September 30, 2025 or December 31, 2024.

ITEM 4. CONTROLS AND PROCEDURES

This report includes the certifications of our Chief Executive Officer (the "CEO") and Chief Financial Officer (the "CFO") required by Rule 13a-14 of the Securities Exchange Act of 1934 (the "Exchange Act"). See Exhibits 31.1 and 31.2. This Item 4 includes information concerning the controls and control evaluations referred to in those certifications.

Disclosure Controls and Procedures

Disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Exchange Act) are designed to provide reasonable assurance that information required to be disclosed in reports filed or submitted under the Exchange Act is recorded, processed, summarized, and reported within the time periods specified in SEC rules and forms and that such information is accumulated and communicated to management, including our CEO and CFO, as appropriate, to allow timely decisions regarding required disclosure.

We carried out an evaluation under the supervision and with the participation of management, including the CEO and CFO, of the effectiveness of our disclosure controls and procedures, as of September 30, 2025, the end of the period covered by this Form 10-Q. Based on this evaluation, our CEO and CFO have concluded that the Company's disclosure controls and procedures were effective at the reasonable assurance level.

Inherent Limitations of Internal Controls

Our management, including the CEO and CFO, believes that any disclosure controls and procedures or internal controls and procedures, no matter how well conceived and operated, can provide only reasonable, not absolute, assurance that the objectives of internal controls are met. Further, the design of internal controls must consider the benefits of controls relative to their costs. Inherent limitations within internal controls include the realities that judgments in decision-making can be faulty, and that breakdowns can occur because of simple errors or mistakes. Additionally, controls can be circumvented by the individual acts of some persons, by collusion of two or more people, or by unauthorized override of controls. Over time, controls may become inadequate because of changes in conditions or deterioration in the degree of compliance with associated policies or procedures. While the objective of the design of any system of controls is to provide reasonable assurance of the effectiveness of controls, such design is also based in part upon certain assumptions about the likelihood of future events, and such assumptions, while reasonable, may not take into account all potential future conditions. Thus, even effective internal control over financial reporting can only provide reasonable assurance of achieving their objectives. Therefore, because of the inherent limitations in cost effective internal controls, misstatements due to error or fraud may occur and may not be prevented or detected.

Changes in Internal Control over Financial Reporting

There were no changes in our internal control over financial reporting during the quarter ended September 30, 2025 that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

Section 1.3 Terms Generally. The foregoing definitions shall be applicable to the singular and plural forms of the foregoing defined terms. Unless otherwise defined in this Article I, terms that are defined in the U.C.C. are used herein as so defined.

Section 1.5 Divisions. For all purposes under the Loan Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction’s laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized on the first date of its existence by the holders of its capital stock or other equity interests at such time.

Section 1.6 Rates. The interest rate on Loans denominated in Dollars or an Alternate Currency may be determined by reference to a benchmark rate that is, or may in the future become, the subject of regulatory reform or cessation. Regulators have signaled the need to use alternative reference rates for some of these benchmark rates and, as a result, such benchmark rates may cease to comply with applicable laws and regulations, may be permanently discontinued or the basis on which they are calculated may change. The

London interbank offered rate, which may be one of the benchmark rates with reference to which the interest rate on Loans may be determined, is intended to represent the rate at which contributing banks may obtain short-term borrowings from each other in the London interbank market. On March 5, 2021, the ICE Benchmark Administration (“IBA”), the administrator of the London interbank offered rate, and the Financial Conduct Authority (the “FCA”), the regulatory supervisor of IBA, announced in public statements (the “Announcements”) that the final publication or representativeness date for the London interbank offered rate for: (a) Sterling, Yen and Euros will be December 31, 2021, (b) Dollars for 1-week and 2-month tenor settings will be December 31, 2021 and (c) Dollars for overnight, 1-month, 3-month, 6-month and 12-month tenor settings will be June 30, 2023. No successor administrator for IBA was identified in such Announcements. As a result, it is possible that commencing immediately after such dates, the London interbank offered rate for such currencies and tenors may no longer be available or may no longer be deemed a representative reference rate upon which to determine the interest rate on applicable Loans. There is no assurance that the dates set forth in the Announcements will not change or that IBA or the FCA will not take further action that could impact the availability, composition or characteristics of any London interbank offered rate. Public and private sector industry initiatives have been and continue, as of the date hereof, to be underway to implement new or alternative reference rates to be used in place of London interbank offered rates. In the event that the London interbank offered rate or any other then-current Benchmark is no longer available or in certain other circumstances set forth in Section 3.5(c), such Section 3.5(c) provides a mechanism for determining an alternative rate of interest. The Agent will notify the Borrower, pursuant to Section 3.5(c), of any change to the reference rate upon which the interest rate on Loans is based. However, the Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, (i) the continuation of, administration of, submission of, calculation of or any other matter related to the London interbank offered rate, the rates in the definition of “Eurodollar Rate” or any Benchmark, any component definition thereof or rates referenced in the definition thereof or with respect to any alternative, successor or replacement rate thereto (including any then-current Benchmark or any Benchmark Replacement), including whether the composition or characteristics of any such alternative, successor or replacement rate (including any Benchmark Replacement), as it may or may not be adjusted pursuant to Section 3.5(c), will be similar to, or produce the same value or economic equivalence of, or have the same volume or liquidity as, such Benchmark or any other Benchmark prior to its discontinuance or unavailability, or (ii) the effect, implementation or composition of any Benchmark Replacement Conforming Changes. The Agent and its Affiliates or other related entities may engage in transactions that affect the calculation of a Benchmark, any alternative, successor or replacement rate (including any Benchmark Replacement) or any relevant adjustments thereto and such transactions may be adverse to the Borrower. The Agent may select information sources or services in its reasonable discretion to ascertain any Benchmark, any component definition thereof or rates referenced in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

Section 1.7 Exchange Rates; Currency Equivalents.

(a) The Agent or the applicable Fronting Lender (with notice thereof to the Agent), as applicable, shall determine the Dollar Equivalent amounts of Credit Events denominated in Alternate Currencies. Such Dollar Equivalent shall become effective as of such Revaluation Date and shall be the Dollar Equivalent of such amounts until the next Revaluation Date to occur. Except for purposes of financial statements delivered by the US Borrower hereunder or calculating financial covenants hereunder or except as otherwise provided herein, the applicable amount of any Currency (other than Dollars) for purposes of the Loan Documents shall be such Dollar Equivalent amount as so determined by the Agent or the applicable Fronting Lender, as applicable.

(b) Wherever in this Agreement in connection with a borrowing, conversion, continuation or prepayment of an RFR Loan or Eurodollar Fixed Rate Loan or the issuance, amendment or extension of a Letter of Credit, an amount, such as a required minimum or multiple amount, is expressed in Dollars, but such borrowing, Loan or Letter of Credit is denominated in an Alternate Currency, such amount shall be the relevant Alternate Currency Equivalent of such Dollar amount (rounded to the nearest unit of such Alternate Currency, with 0.5 of a unit being rounded upward), as determined by the Agent or the applicable Fronting Lender, as the case may be.

Section 1.8 Change of Currency.

(a) The obligation of the Borrowers to make a payment denominated in the national currency unit of any member state of the European Union that adopts the Euro as its lawful currency after the date hereof shall be redenominated into Euro at the time of such adoption (in accordance with the EMU Legislation). If, in relation to the currency of any such member state, the basis of accrual of interest expressed in this Agreement in respect of that currency shall be inconsistent with any convention or practice in the London interbank market for the basis of accrual of interest in respect of the Euro, such expressed basis shall be replaced by such convention or practice with effect from the date on which such member state adopts the Euro as its lawful currency; provided that if any borrowing in the currency of such member state is outstanding immediately prior to such date, such replacement shall take effect, with respect to such borrowing, at the end of the then current Interest Period.

(b) Each provision of this Agreement shall be subject to such reasonable changes of construction as the Agent may from time to time specify to be appropriate to reflect the adoption of the Euro by any member state of the European Union and any relevant market conventions or practices relating to the Euro.

(c) Each provision of this Agreement also shall be subject to such reasonable changes of construction as the Agent may from time to time specify to be appropriate to reflect a change in currency of any other country and any relevant market conventions or practices relating to the change in currency.

ARTICLE II. AMOUNT AND TERMS OF CREDIT

Section 2.1 Amount and Nature of Revolving Credit.

(a) Subject to the terms and conditions of this Agreement, the Revolving Lenders, during the Commitment Period and to the extent hereinafter provided, shall make Revolving Loans to Borrowers, participate in Swing Loans made by the Swing Line Lender to US Borrower, and participate in Letters of Credit at the request of Administrative Borrower, in such aggregate amount as Borrowers shall request pursuant to the Revolving Credit Commitment; provided that in no event shall the aggregate principal amount of all Revolving Loans, Swing Loans and Letters of Credit outstanding under this Agreement be in excess of the Revolving Amount.

(b) Each Lender, for itself and not one for any other, agrees to make Revolving Loans, participate in Swing Loans, and participate in Letters of Credit, during the Commitment Period, on such basis that, immediately after the completion of any borrowing by Borrowers or the issuance of a Letter of Credit:

(i) the Dollar Equivalent of the aggregate outstanding principal amount of Revolving Loans and Swing Loans made by such Lender (other than Swing Loans made by the Swing Line Lender), when combined with such Lender's pro rata share of the Letter of Credit Exposure and the Swing Line Exposure, shall not be in excess of the Revolving Amount for such Lender; and

(ii) the aggregate outstanding principal amount of Revolving Loans made by such Lender shall represent that percentage of the aggregate principal amount then outstanding on all Revolving Loans that shall be such Lender's Commitment Percentage. Each borrowing of Revolving Loans from the Lenders shall be made pro rata according to the respective Commitment Percentages of the Lenders (provided that, for the avoidance of doubt, Swing Loans shall be risk participated on a pro rata basis).

(c) The Loans may be made as Revolving Loans as described in Section 2.2(a) hereof and as Swing Loans as described in Section 2.2(c) hereof, and Letters of Credit may be issued in accordance with Section 2.2(b) hereof.

Section 2.2 Revolving Credit Commitment.

(a) Revolving Loans. Subject to the terms and conditions of this Agreement, during the Commitment Period, the Lenders shall make a Revolving Loan or Revolving Loans to US Borrower or a Foreign Borrower in such amount or amounts as Administrative Borrower, through an Authorized Officer, may from time to time request, but not exceeding in aggregate principal amount at any time outstanding hereunder the Revolving Credit Commitment, when such Revolving Loans are combined with the Letter of Credit Exposure and the Swing Line Exposure; provided that Borrowers shall not request any Alternate Currency Loan (and the Lenders shall not be obligated to make an Alternate Currency Loan) if, after giving effect thereto, the Alternate Currency Exposure would exceed the Alternate Currency Maximum Amount.

Borrowers shall have the option, subject to the terms and conditions set forth herein, to borrow Revolving Loans, maturing on the Revolving Credit Maturity Date, by means of any combination of Base Rate Loans, Term RFR Loans or Alternate Currency Loans. With respect to each Alternate Currency Loan, US Borrower or the appropriate Foreign Borrower, as applicable, shall receive all of the proceeds of such Alternate Currency Loan in one Alternate Currency and repay such Alternate Currency Loan in the same Alternate Currency. Subject to the provisions of this Agreement, Borrowers shall be entitled under this Section 2.2(a) to borrow Revolving Loans, repay the same in whole or in part and re-borrow Revolving Loans hereunder at any time and from time to time during the Commitment Period.

(b) Letters of Credit.

(i) Generally. Subject to the terms and conditions of this Agreement, during the Commitment Period, the Fronting Lender shall, in its own name, on behalf of the Lenders, issue such Letters of Credit for the account of US Borrower or a Domestic Guarantor of Payment, as Administrative Borrower may from time to time request. Administrative Borrower shall not request any Letter of Credit (and the Fronting Lender shall not be obligated to issue any Letter of Credit) if, after giving effect thereto, (A) the Letter of Credit Exposure would exceed the Letter of Credit Commitment, (B) the Revolving Credit Exposure would exceed the Revolving Credit Commitment, (C) with respect to a request for a Letter of Credit to be issued in an Alternate Currency, the Alternate Currency Exposure would exceed the Alternate Currency Maximum Amount or (D) the beneficiary of such Letter of Credit is a Sanctioned Person. The issuance of each Letter of Credit shall confer upon each Lender the benefits and liabilities of a participation consisting of an undivided pro rata interest in the Letter of Credit to the extent of such Lender's Commitment Percentage.

(ii) Request for Letter of Credit. Each request for a Letter of Credit shall be delivered to Agent (and to the Fronting Lender, if the Fronting Lender is a Lender other than Agent) by an Authorized Officer not later than 1:00 P.M. (Eastern time) three Business Days prior to the date of the proposed issuance of the Letter of Credit. Each such request shall be in a form acceptable to Agent (and the Fronting Lender, if the Fronting Lender is a Lender other than Agent) and shall

specify the face amount thereof, the account party, the beneficiary, the requested date of issuance, amendment, renewal or extension, the expiry date thereof, the Alternate Currency if a Letter of Credit denominated in an Alternate Currency is requested, and the nature of the transaction or obligation to be supported thereby. Concurrently with each such request, Administrative Borrower, and any Domestic Guarantor of Payment for whose account the Letter of Credit is to be issued, shall execute and deliver to the Fronting Lender an appropriate application and agreement, being in the standard form of the Fronting Lender for such letters of credit, as amended to conform to the provisions of this Agreement if required by Agent. Agent shall give the Fronting Lender and each Lender notice of each such request for a Letter of Credit.

(iii) Standby Letters of Credit Fees. With respect to each Letter of Credit and the drafts thereunder, if any, whether issued for the account of US Borrower or any Domestic Guarantor of Payment, US Borrower agrees to (A) pay to Agent, for the pro rata benefit of the Lenders with a Revolving Credit Commitment, a non-refundable commission, which shall be paid quarterly in arrears, on each Regularly Scheduled Payment Date, at a rate per annum equal to the Applicable Margin for Eurodollar Fixed Rate Loans or Transitioned RFR Loans (in effect on such Regularly Scheduled Payment Date) multiplied by the daily undrawn face amount of such Letter of Credit, (B) pay to Agent, for the sole benefit of the Fronting Lender, an additional Letter of Credit fee, which shall be paid quarterly in arrears, on each Regularly Scheduled Payment Date, at the rate per annum equal to one-eighth percent (1/8%) multiplied by the daily undrawn face amount of such Letter of Credit, and (C) pay to Agent, for the sole benefit of the Fronting Lender, such other issuance, amendment, renewal, negotiation, draw, acceptance, telex, courier, postage and similar transactional fees as are customarily charged by the Fronting Lender in respect of the issuance and administration of similar letters of credit under its fee schedule as in effect from time to time.

(iv) Refunding of Letters of Credit with Revolving Loans. Whenever a Letter of Credit shall be drawn, US Borrower shall promptly reimburse the Fronting Lender for the amount drawn. In the event that the amount drawn shall not have been reimbursed by US Borrower on the date of the drawing of such Letter of Credit, at the sole option of Agent (and the Fronting Lender, if the Fronting Lender is a Lender other than Agent), US Borrower shall be deemed to have requested a Revolving Loan, subject to the provisions of Sections 2.2(a) and 2.5 hereof (other than the requirement set forth in Section 2.5(d) hereof), in the amount drawn (or the Dollar Equivalent with respect to a Letter of Credit funded in an Alternate Currency). Such Revolving Loan shall be evidenced by the Revolving Credit Notes (or, if a Lender has not requested a Revolving Credit Note, by the records of Agent and such Lender). Each Lender agrees to make a Revolving Loan on the date of such notice, subject to no conditions precedent whatsoever. Each Lender acknowledges and agrees that its obligation to make a Revolving Loan pursuant to Section 2.2(a) hereof when required by this Section 2.2(b)(iv) shall be absolute and unconditional and shall not be affected by any circumstance whatsoever, including, without limitation, the occurrence and continuance of a Default or Event of Default, and that its payment to Agent, for the account of the Fronting Lender, of the proceeds of such Revolving Loan shall be made without any offset, abatement, recoupment, counterclaim, withholding or reduction whatsoever and whether or not the Revolving Credit Commitment shall have been reduced or terminated. US Borrower irrevocably authorizes and instructs Agent to apply the proceeds of any borrowing pursuant to this Section 2.2(b)(iv) to reimburse, in full (other than the Fronting Lender's pro rata share of such borrowing), the Fronting Lender for the amount drawn on such Letter of Credit. Each such Revolving Loan shall be deemed to be a Base Rate Loan. Each Lender is hereby authorized to record on its records relating to its Revolving Credit Note (or, if such Lender has not requested a Revolving Credit Note, its records relating to Revolving Loans) such Lender's pro rata share of the amounts paid and not reimbursed on the Letters of Credit.

(v) Participation in Letters of Credit. If, for any reason, Agent (and the Fronting Lender if the Fronting Lender is a Lender other than Agent) shall be unable to or, in the opinion of Agent, it shall be impracticable to, convert any Letter of Credit to a Revolving Loan pursuant to the preceding subsection, or if the amount not reimbursed is a Letter of Credit drawn in an Alternate Currency, Agent (and the Fronting Lender if the Fronting Lender is a Lender other than Agent) shall have the right to request that each Lender fund a participation in the amount due (or the Dollar Equivalent with respect to a Letter of Credit in an Alternate Currency) with respect to such Letter of Credit, and Agent shall promptly notify each Lender thereof (by facsimile or telephone, confirmed in writing). Upon such notice, but without further action, the Fronting Lender hereby agrees to grant to each Lender, and each Lender hereby agrees to acquire from the Fronting Lender, an undivided participation interest in the amount due with respect to such Letter of Credit in an amount equal to such Lender's Commitment Percentage of the principal amount due with respect to such Letter of Credit. In consideration and in furtherance of the foregoing, each Lender hereby absolutely and unconditionally agrees, upon receipt of notice as provided above, to pay to Agent, for the account of the Fronting Lender, such Lender's ratable share of the amount due with respect to such Letter of Credit (determined in accordance with such Lender's Commitment Percentage).

Each Lender acknowledges and agrees that its obligation to acquire participations in the amount due under any Letter of Credit that is drawn but not reimbursed by Borrowers pursuant to this Section 2.2(b)(v) shall be absolute and unconditional and shall not be affected by any circumstance whatsoever, including, without limitation, the occurrence and continuance of a Default or Event of Default, and that each such payment shall be made without any offset, abatement, recoupment, counterclaim, withholding or reduction whatsoever and whether or not the Revolving Credit Commitment shall have been reduced or terminated. Each Lender shall comply with its obligation under this Section 2.2(b)(v) by wire transfer of immediately available funds (in Dollars, in the Dollar Equivalent for amounts drawn in such Alternate Currency), in the same manner as provided in Section 2.5 hereof with respect to Revolving Loans. Each Lender is hereby authorized to record on its records such Lender's pro rata share of the amounts paid and not reimbursed on the Letters of Credit. In addition, each Lender agrees to risk participate in the Existing Letters of Credit as provided in subsection (vi) below.

(vi) Existing Letters of Credit. Schedule 2.2 hereto contains a description of all letters of credit outstanding on, and to continue in effect after, the Closing Date. Each such letter of credit issued by a bank that is or becomes a Lender under this Agreement on the Closing Date (each, an "Existing Letter of Credit") shall constitute a "Letter of Credit" for all purposes of this Agreement, issued, for purposes of subsection (v) above, on the Closing Date. US Borrower, Agent and the Lenders hereby agree that, from and after such date, the terms of this Agreement shall apply to the Existing Letters of Credit, superseding any other agreement theretofore applicable to them to the extent inconsistent with the terms hereof. Notwithstanding anything to the contrary in any reimbursement agreement applicable to the Existing Letters of Credit, the fees payable in connection with each Existing Letter of Credit to be shared with the Lenders shall accrue from the Closing Date at the rate provided in this subsection (vi).

(vii) Auto-Renewal Letters of Credit. If Administrative Borrower so requests, a Letter of Credit shall have an automatic renewal provision; provided that any Letter of Credit that has an automatic renewal provision must permit Agent (or the Fronting Lender if the Fronting Lender is a Lender other than Agent) to prevent any such renewal by giving prior notice to the beneficiary thereof not later than thirty (30) days prior to the renewal date of such Letter of Credit. Once any such Letter of Credit that has automatic renewal provisions has been issued, the Revolving Lenders shall be deemed to have authorized (but may not require) Agent (and the Fronting Lender) to permit at any time the renewal of such Letter of Credit to an expiry date not later than one year after the Revolving Credit Maturity Date.

(viii) Letters of Credit Outstanding Beyond the Revolving Credit Maturity Date. If any Letter of Credit is outstanding on the Revolving Credit Maturity Date, then, upon such termination, US Borrower shall deposit with Agent, for the benefit of the Fronting Lender, with respect to all outstanding Letters of Credit, either cash or a Supporting Letter of Credit, which, in each case, is (A) in an amount equal to one hundred five percent (105%) of the undrawn amount of the outstanding Letters of Credit, and (B) free and clear of all rights and claims of third parties. The cash shall be deposited in an escrow account at a financial institution designated by the Fronting Lender. The Fronting Lender shall be entitled to withdraw (with respect to the cash) or draw (with respect to the Supporting Letter of Credit) amounts necessary to reimburse the Fronting Lender for payments to be made under the Letters of Credit and any fees and expenses associated with such Letters of Credit, or incurred pursuant to the reimbursement agreements with respect to such Letters of Credit. US Borrower shall also execute such documentation as Agent or the Fronting Lender may reasonably require in connection with the survival of the Letters of Credit beyond the Commitment or this Agreement. After expiration of all undrawn Letters of Credit, the Supporting Letter of Credit or the remainder of the cash, as the case may be, shall promptly be returned to Administrative Borrower.

(ix) Defaulting Lenders. Notwithstanding anything to the contrary contained in this Agreement, this Section 2.2(b) shall be subject to the terms and conditions of Section 3.7 and Section 3.8 hereof.

(c) Swing Loans.

(i) Generally.

(A) Subject to the terms and conditions of this Agreement, during the Commitment Period, the Swing Line Lender shall make a Swing Loan or Swing Loans to US Borrower in such amount or amounts as Administrative Borrower, through an Authorized Officer, may from time to time request; provided that Administrative Borrower shall not request any Swing Loan if, after giving effect thereto, (1) the Revolving Credit Exposure would exceed the Revolving Credit Commitment or (2) the Swing Line Exposure would exceed the Swing Line Commitment. Each Swing Loan shall be due and payable on the Swing Loan Maturity Date applicable thereto. Each Swing Loan shall be made in Dollars. US Borrower may prepay Swing Loans in accordance with Section 2.7 hereof.

(B) Notwithstanding any provision herein to the contrary and to the extent applicable, in the event the Swing Line Lender and US Borrower have agreed in writing (and the parties hereby acknowledge that any such agreement by US Borrower shall be made at its sole discretion), that up to \$10,000,000 of the Swing Line Commitment may be used to automatically draw and repay Swing Loans (subject to the limitations set forth herein) pursuant to cash management arrangements between US Borrower and the Swing Line Lender (the "Sweep Arrangement"). Principal and interest on Swing Loans deemed requested pursuant to the Sweep Arrangement shall be paid pursuant to the terms and conditions agreed to between US Borrower and the Swing Line Lender (without any deduction, setoff or counterclaim whatsoever). The borrowing and disbursement provisions set forth in Section 2.5 hereof and any other provision hereof with respect to the timing or amount of payments on the Swing Loans (other than the requirement that all Swing Loans be paid no later than the Revolving Credit Maturity Date) shall not be applicable to any portion of the Swing Loans made and prepaid pursuant to the Sweep Arrangement. Unless sooner paid pursuant to the provisions hereof or the provisions of the Sweep Arrangement, the principal amount of all Swing Loans made pursuant to the

Sweep Arrangement shall be paid in full, together with accrued interest thereon, on the Revolving Credit Maturity Date.

(ii) Refunding of Swing Loans. If the Swing Line Lender so elects, by giving notice to Administrative Borrower and the Lenders, US Borrower agrees that the Swing Line Lender shall have the right, in its sole discretion, to require that any Swing Loan be refinanced as a Revolving Loan. Such Revolving Loan shall be a Base Rate Loan unless otherwise requested by and available to US Borrower hereunder. Upon receipt of such notice by Administrative Borrower and the Lenders, US Borrower shall be deemed, on such day, to have requested a Revolving Loan in the principal amount of the Swing Loan in accordance with Sections 2.2(a) and 2.5 hereof (other than the requirement set forth in Section 2.5(d) hereof). Such Revolving Loan shall be evidenced by US Borrower Revolving Credit Notes (or, if a Lender has not requested a US Borrower Revolving Credit Note, by the records of Agent and such Lender). Each Lender agrees to make a Revolving Loan on the date of such notice, subject to no conditions precedent whatsoever. Each Lender acknowledges and agrees that such Lender's obligation to make a Revolving Loan pursuant to Section 2.2(a) hereof when required by this Section 2.2(c)(ii) is absolute and unconditional and shall not be affected by any circumstance whatsoever, including, without limitation, the occurrence and continuance of a Default or Event of Default, and that its payment to Agent, for the account of the Swing Line Lender, of the proceeds of such Revolving Loan shall be made without any offset, abatement, recoupment, counterclaim, withholding or reduction whatsoever and whether or not the Revolving Credit Commitment shall have been reduced or terminated. US Borrower irrevocably authorizes and instructs Agent to apply the proceeds of any borrowing pursuant to this Section 2.2(c)(ii) to repay in full such Swing Loan. Each Lender is hereby authorized to record on its records relating to its US Borrower Revolving Credit Note (or, if such Lender has not requested a US Borrower Revolving Credit Note, its records relating to Revolving Loans) such Lender's pro rata share of the amounts paid to refund such Swing Loan.

(iii) Participation in Swing Loans. If, for any reason, the Swing Line Lender is unable to or, in the opinion of Agent, it is impracticable to, convert any Swing Loan to a Revolving Loan pursuant to the preceding Section 2.2(c)(ii), then on any day that a Swing Loan is outstanding (whether before or after the maturity thereof), Agent shall have the right to request that each Lender fund a participation in such Swing Loan, and Agent shall promptly notify each Lender thereof (by facsimile or telephone, confirmed in writing). Upon such notice, but without further action, the Swing Line Lender hereby agrees to grant to each Lender, and each Lender hereby agrees to acquire from the Swing Line Lender, an undivided participation interest in the right to share in the payment of such Swing Loan in an amount equal to such Lender's Commitment Percentage of the principal amount of such Swing Loan. In consideration and in furtherance of the foregoing, each Lender hereby absolutely and unconditionally agrees, upon receipt of notice as provided above, to pay to Agent, for the benefit of the Swing Line Lender, such Lender's ratable share of such Swing Loan (determined in accordance with such Lender's Commitment Percentage). Each Lender acknowledges and agrees that its obligation to acquire participations in Swing Loans pursuant to this Section 2.2(c)(iii) is absolute and unconditional and shall not be affected by any circumstance whatsoever, including, without limitation, the occurrence and continuance of a Default or an Event of Default, and that each such payment shall be made without any offset, abatement, recoupment, counterclaim, withholding or reduction whatsoever and whether or not the Revolving Credit Commitment shall have been reduced or terminated. Each Lender shall comply with its obligation under this Section 2.2(c)(iii) by wire transfer of immediately available funds, in the same manner as provided in Section 2.5 hereof with respect to Revolving Loans to be made by such Lender.

(iv) Defaulting Lenders. Notwithstanding anything to the contrary contained in this Agreement, this Section 2.2(c) shall be subject to the terms and conditions of Section 3.7 and Section 3.8 hereof.

Section 2.3 Interest.

(a) Revolving Loans.

(i) Base Rate Loan. The appropriate Borrower or Borrowers shall pay interest on the unpaid principal amount of a Base Rate Loan outstanding from time to time from the date thereof until paid at the Base Rate plus the Applicable Margin for Base Rate Loans from time to time in effect. Interest on such Base Rate Loan shall be payable on each Regularly Scheduled Payment Date thereafter and at the maturity thereof.

(ii) Eurodollar Fixed Rate Loans. The appropriate Borrower or Borrowers shall pay interest on the unpaid principal amount of each Eurodollar Fixed Rate Loan outstanding from time to time, fixed in advance on the first day of the Interest Period applicable thereto through the last day of the Interest Period applicable thereto (but subject to changes in the Applicable Margin for Eurodollar Fixed Rate Loans), at the Eurodollar Rate plus the Applicable Margin for Eurodollar Fixed Rate Loans. Interest on such Eurodollar Fixed Rate Loan shall be payable on each Interest Adjustment Date with respect to an Interest Period (provided that if an Interest Period shall exceed three months, the interest must be paid every three months, commencing three months from the beginning of such Interest Period).

(iii) Initial RFR Loans (GBP). The appropriate Borrower or Borrowers shall pay interest on the unpaid principal amount of an Initial RFR Loan (GBP) outstanding from time to time from the date thereof until paid at:

(A) prior to the Term RFR Transition Date, Daily Simple RFR with respect to Sterling plus the Applicable Margin for Initial RFR Loans (GBP) from time to time in effect; and

(B) on or after the Term RFR Transition Date, Term RFR with respect to Sterling plus the Applicable Margin for Initial RFR Loans (GBP) from time to time in effect.

Interest on Daily Simple RFR Loans shall be payable on each Regularly Scheduled Payment Date thereafter and at the maturity thereof. Interest on Term RFR Loans shall be payable on each Interest Adjustment Date with respect to an Interest Period (provided that if an Interest Period shall exceed three months, the interest must be paid every three months, commencing three months from the beginning of such Interest Period).

(iv) Term RFR Loans in Dollars. The appropriate Borrower or Borrowers shall pay interest on the unpaid principal amount of a Term RFR Loan in Dollars outstanding from time to time from the date thereof until paid at Spread Adjusted Term SOFR plus the Applicable Margin for Transitioned RFR Loans. Interest on such Term RFR Loans shall be payable on each Interest Adjustment Date with respect to an Interest Period (provided that if an Interest Period shall exceed three months, the interest must be paid every three months, commencing three months from the beginning of such Interest Period).

(b) Swing Loans. US Borrower shall pay interest to Agent, for the sole benefit of the Swing Line Lender (and any Lender that shall have purchased a participation in such Swing Loan), on the unpaid principal amount of each Swing Loan outstanding from time to time from the date thereof until paid at the Base Rate plus the Applicable Margin for Base Rate Loans from time to time in effect. Interest on each Swing Loan shall be payable on the Swing Loan Maturity Date applicable thereto. Each Swing Loan shall bear interest for a minimum of one day.

(c) Default Rate. Anything herein to the contrary notwithstanding, if an Event of Default shall occur under Section 7.1 or 7.11 hereof, (i) the overdue principal and the unpaid interest thereon shall bear interest, until paid, at the Default Rate and (ii) in the case of any other amount not paid when due from Borrowers hereunder or under any other Loan Document, such amount shall bear interest at the Default Rate.

(d) Limitation on Interest.

(i) Generally. In no event shall the rate of interest hereunder exceed the maximum rate allowable by law. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable law (the "Maximum Rate"). If Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Administrative Borrower for distribution to Borrowers, as appropriate. In determining whether the interest contracted for, charged, or received by Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable law, (A) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (B) exclude voluntary prepayments and the effects thereof, and (C) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations.

(ii) Foreign Jurisdiction Interest. If any provision of this Agreement or any other Loan Document would obligate any Foreign Borrower to make any payment of interest or other amount payable to (including for the account of) any Lender in an amount, or calculated at a rate, that would be prohibited by law or would result in a receipt by such Lender of interest at a criminal rate then, notwithstanding such provision, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by law or so result in a receipt by such Lender of interest at a criminal rate, such adjustment to be effected, to the extent necessary, as follows: (A) first, by reducing the amount or rate of interest required to be paid to such Lender under this Article II; and (B) thereafter, by reducing any fees, commissions, premiums and other amounts required to be paid to such Lender that would constitute interest for purposes of the applicable statute. Notwithstanding the foregoing, and after giving effect to all adjustments contemplated thereby, if a Lender shall have received an amount in excess of the maximum amount permitted by such statute, then the Lender shall pay an amount equal to such excess to such Foreign Borrower. Any amount or rate of interest referred to in this Article II with respect to the foreign extensions of credit shall be determined in accordance with generally accepted actuarial practices and principles as an effective annual rate of interest over the term that such extensions of credit remain outstanding on the assumption that any charges, fees or expenses that fall within the meaning of "interest" shall, if they relate to a specific period of time, be pro-rated over that period of time and otherwise be pro-rated over the Commitment Period and, in the event of a dispute, a certificate of an actuary appointed by Agent (and reasonably acceptable to US Borrower) shall be conclusive for the purposes of such determination.

Section 2.4 Evidence of Indebtedness.

(a) US Borrower Revolving Loans. Upon the request of a Lender, to evidence the obligation of US Borrower to repay the Revolving Loans made by such Lender and to pay interest thereon, US Borrower shall execute a US Borrower Revolving Credit Note, payable to the order of such Lender in the principal amount equal to its Commitment Percentage of the Revolving Credit Commitment, or, if less, the aggregate unpaid principal amount of Revolving Loans made by such Lender; provided that the failure of a Lender to request a US Borrower Revolving Credit Note shall in no way detract from US Borrower's obligations to such Lender hereunder.

(b) Foreign Borrower Revolving Loans. Upon the request of a Lender, to evidence the obligation of each Foreign Borrower to repay the Revolving Loans made by such Lender to such Foreign Borrower and to pay interest thereon, each such Foreign Borrower shall execute a Foreign Borrower Revolving Credit Note, payable to the order of such Lender in the principal amount equal to its Commitment Percentage of the Revolving Credit Commitment, or, if less, the aggregate unpaid principal amount of Revolving Loans made by such Lender to such Foreign Borrower; provided that the failure of a Lender to request a Foreign Borrower Revolving Credit Note shall in no way detract from such Foreign Borrower's obligations to such Lender hereunder.

(c) Swing Loans. Upon the request of the Swing Line Lender, to evidence the obligation of US Borrower to repay the Swing Loans and to pay interest thereon, US Borrower shall execute a Swing Line Note, payable to the order of the Swing Line Lender in the principal amount of the Swing Line Commitment, or, if less, the aggregate unpaid principal amount of Swing Loans made by the Swing Line Lender; provided that the failure of the Swing Line Lender to request a Swing Line Note shall in no way detract from US Borrower's obligations to the Swing Line Lender hereunder.

Section 2.5 Notice of Credit Event; Funding of Loans.

(a) Notice of Credit Event. Administrative Borrower, through an Authorized Officer, shall provide to Agent a Notice of Loan prior to (i) 1:00 P.M. (Eastern time) on the proposed date of borrowing of, or conversion of a Loan to, a Base Rate Loan, (ii) 2:00 P.M. (Eastern time) (A) in the case of an RFR Loan (other than a Daily Simple RFR Loan) denominated in Dollars, at least two RFR Business Days before such RFR Loan, (B) in the case of a Daily Simple RFR Loan denominated in Dollars, at least five RFR Business Days, (C) in the case of a Eurodollar Fixed Rate Loan denominated in Dollars, at least two Eurodollar Banking Days before such Eurodollar Fixed Rate Loan, (D) in the case of an RFR Loan denominated in any Alternate Currency, at least five RFR Business Days before such RFR Loan, and (E) in the case of a Eurodollar Fixed Rate Loan denominated in any Alternate Currency, at least four Eurodollar Banking Days before such Eurodollar Fixed Rate Loan (or five Eurodollar Banking Days in the case of a Special Notice Currency) and (iii) 3:00 P.M. (Eastern time) on the proposed date of borrowing of a Swing Loan; provided however, that an Authorized Officer of Administrative Borrower may verbally request a Loan, so long as a Notice of Loan is received by the end of the same Business Day, and, if Agent or any Lender provides funds or initiates funding based upon such verbal request, US Borrower shall bear the risk with respect to any information regarding such funding that is later determined to have been incorrect. Administrative Borrower shall comply with the notice provisions set forth in Section 2.2(b) hereof with respect to Letters of Credit.

(b) Funding of Loans. Agent shall notify each Lender of the date, amount, type of currency and Interest Period (if applicable) promptly upon the receipt of a Notice of Loan (other than for a Swing Loan, or a Revolving Loan to be funded as a Swing Loan), and, in any event, by 3:00 P.M. (Eastern time) on the date such Notice of Loan is received. On the date that the Credit Event set forth in such Notice of Loan is to occur, each such Lender shall provide to Agent, not later than 4:00 P.M. (Eastern time), the amount in Dollars, or, with respect to an Alternate Currency, in the applicable Alternate Currency, in federal or other immediately available funds, required of it. If Agent shall elect to advance the proceeds of such

Loan prior to receiving funds from such Lender, Agent shall have the right, upon prior notice to Administrative Borrower, to debit any account of the appropriate Borrower or otherwise receive such amount from the appropriate Borrower, promptly after demand, in the event that such Lender shall fail to reimburse Agent in accordance with this subsection. Agent shall also have the right to receive interest from such Lender at the Federal Funds Effective Rate in the event that such Lender shall fail to provide its portion of the Loan on the date requested and Agent shall elect to provide such funds.

(c) Conversion and Continuation of Loans.

(i) At the request of Administrative Borrower to Agent, subject to the notice and other provisions of this Section 2.5, the Lenders shall convert a Base Rate Loan to one or more Transitioned RFR Loans at any time and shall convert a Transitioned RFR Loan to a Base Rate Loan on any Interest Adjustment Date applicable thereto. Swing Loans may be converted by the Swing Line Lender to Revolving Loans in accordance with Section 2.2(c)(ii) hereof. No Alternate Currency Loan may be converted to a Base Rate Loan or a Transitioned RFR Loan and no Base Rate Loan or Transitioned RFR Loan may be converted to an Alternate Currency Loan.

(ii) At the request of Administrative Borrower to Agent, subject to the notice and other provisions of this Section 2.5, the Lenders shall continue one or more Transitioned RFR Loans as of the end of the applicable Interest Period as a new Transitioned RFR Loan with a new Interest Period.

(iii) At the direction of the Required Lenders, no Loan may be converted into, or continued as, a Term RFR Loan at any time when a Default or Event of Default shall have occurred and be continuing.

(d) Minimum Amount for Loans. Each request for:

(i) a Base Rate Loan shall be in an amount of not less than Five Hundred Thousand Dollars (\$500,000), increased by increments of One Hundred Thousand Dollars (\$100,000);

(ii) a Eurodollar Fixed Rate Loan shall be in an amount (or, with respect to an Alternate Currency Loan, such approximately comparable amount as shall result in an amount rounded to the nearest whole number) of not less than Five Hundred Thousand Dollars (\$500,000), increased by increments of Five Hundred Thousand Dollars (\$500,000) (or, with respect to an Alternate Currency Loan, such approximately comparable amount as shall result in an amount rounded to the nearest whole number); and

(iii) a Swing Loan shall be in an amount of not less than Two Hundred Fifty Thousand Dollars (\$250,000).

(e) Interest Periods. Administrative Borrower shall not request that Eurodollar Fixed Rate Loans be outstanding for more than ten (10) different Interest Periods at the same time.

Section 2.6 Payment on Loans and Other Obligations.

(a) Payments Generally. Each payment made hereunder by a Credit Party shall be made without any offset, abatement, recoupment, counterclaim, withholding or reduction whatsoever.

(b) Payments in Alternate Currency. With respect to any Alternate Currency Loan, all payments (including prepayments) to any Lender of the principal of or interest on such Alternate Currency

Loan shall be made in the same Alternate Currency as the original Loan. For clarification, the amount outstanding on any Alternate Currency Loan for purposes of repayment on the last day of the applicable Interest Period shall be measured in the Alternate Currency and not by the Dollar Equivalent of such amount. With respect to any Alternate Currency Letter of Credit, all payments to the Fronting Lender (and to any Lender that shall have funded its participation in such Letter of Credit) shall be made in the Dollar Equivalent (as determined on the date of drawing of such Letter of Credit) of the amount of such Alternate Currency Letter of Credit. All such payments shall be remitted by the appropriate Borrower to Agent, at the address of Agent for notices referred to in Section 11.4(a) hereof (or at such other office or account as designated in writing by Agent to Administrative Borrower), for the account of the Lenders (or the Fronting Lender or the Swing Line Lender, as appropriate) not later than 2:00 P.M. (Eastern time) on the due date thereof in same day funds. Any such payments received by Agent after 2:00 P.M. (Eastern time) shall be deemed to have been made and received on the next Business Day.

(c) Payments in Dollars. With respect to (i) any Loan (other than an Alternate Currency Loan), or (ii) any other payment to Agent and the Lenders that shall not be covered by subsection (b) above, all such payments (including prepayments) to Agent of the principal of or interest on such Loan or other payment, including but not limited to principal, interest, fees or any other amount owed by Borrowers under this Agreement, shall be made in Dollars. All payments described in this subsection (c) shall be remitted to Agent, at the address of Agent for notices referred to in Section 11.4(a) hereof for the account of the Lenders (or the Fronting Lender or the Swing Line Lender, as appropriate) not later than 2:00 P.M. (Eastern time) on the due date thereof in immediately available funds. Other than with respect to payments made by wire transfer that are released by the appropriate Borrower by 2:00 P.M. (Eastern time), any such payments received by Agent (or the Fronting Lender or the Swing Line Lender) after 2:00 P.M. (Eastern time) shall be deemed to have been made and received on the next Business Day.

(d) Payments to Lenders. Upon Agent's receipt of payments hereunder, Agent shall immediately distribute to each Lender its (except with respect to Swing Loans, which shall be paid to the Swing Line Lender and any Lender that has funded a participation in the Swing Loans, or, with respect to Letters of Credit, certain of which payments shall be paid to the Fronting Lender) ratable shares, if any, of the amount of principal, interest, and commitment and other fees received by Agent for the account of such Lender. Payments received by Agent in Dollars shall be delivered to the Lenders in Dollars in immediately available funds. Payments received by Agent in any Alternate Currency shall be delivered to the Lenders in such Alternate Currency in same day funds. Each Lender shall record any principal, interest or other payment, the principal amounts of Base Rate Loans, Eurodollar Fixed Rate Loans, Swing Loans and Letters of Credit, the type of currency for each Loan, all prepayments and the applicable dates, including Interest Periods, with respect to the Loans made, and payments received by such Lender, by such method as such Lender may generally employ; provided that failure to make any such entry shall in no way detract from the obligations of Borrowers under this Agreement or any Note. The aggregate unpaid amount of Loans, types of Loans, Interest Periods and similar information with respect to the Loans and Letters of Credit set forth on the records of Agent shall be rebuttably presumptive evidence with respect to such information, including the amounts of principal, interest and fees owing to each Lender.

(e) Timing of Payments. Whenever any payment to be made hereunder, including, without limitation, any payment to be made on any Loan, shall be stated to be due on a day that is not a Business Day, such payment shall be made on the next Business Day and such extension of time shall in each case be included in the computation of the interest payable on such Loan; provided that, with respect to a Eurodollar Fixed Rate Loan, if the next Business Day shall fall in the succeeding calendar month, such payment shall be made on the preceding Business Day and the relevant Interest Period shall be adjusted accordingly.

(f) Defaulting Lender. To the extent that Agent receives any payments or other amounts for the account of a Defaulting Lender, such Defaulting Lender shall be deemed to have requested that Agent apply such payment or other amount pursuant to Section 3.8 hereof.

(g) Payment of Non-Pro Rata Revolving Loans. Notwithstanding anything in this Agreement to the contrary, at the sole discretion of Agent, in order to pay Revolving Loans made to a Borrower that were not advanced pro rata by the Lenders, any payment of any Revolving Loan may first be applied to such Revolving Loans of such Borrower that were not advanced pro rata.

Section 2.7 Prepayment.

(a) Right to Prepay.

(i) Borrowers shall have the right at any time or from time to time to prepay, on a pro rata basis for all of the Revolving Lenders (except with respect to Swing Loans, which shall be paid to the Swing Line Lender and any Lender that has funded a participation in such Swing Loan), all or any part of the principal amount of the Revolving Loans then outstanding, as designated by Administrative Borrower. Such payment shall include interest accrued on the amount so prepaid to the date of such prepayment and any amount payable under Article III hereof with respect to the amount being prepaid. Subject to payment of amounts set forth under Article III hereof, prepayments of Revolving Loans or Swing Loans shall be without any premium or penalty.

(ii) Borrowers shall have the right, at any time or from time to time, to prepay, for the benefit of the Swing Line Lender (and any Lender that has funded a participation in such Swing Loan), all or any part of the principal amount of the Swing Loans then outstanding, as designated by Administrative Borrower, plus interest accrued on the amount so prepaid to the date of such prepayment.

(b) Notice of Prepayment. Administrative Borrower shall give Agent (i) notice of prepayment of a Base Rate Loan or Swing Loan by no later than 1:00 P.M. (Eastern time) on the Business Day on which such prepayment is to be made and (ii) written notice of prepayment by no later than 1:00 P.M. (Eastern time) (A) in the case of an RFR Loan (other than a Daily Simple RFR Loan) denominated in Dollars, at least two RFR Business Days before prepayment of such RFR Loan, (B) in the case of a Daily Simple RFR Loan denominated in Dollars, at least five RFR Business Days before payment of such Daily Simple RFR Loan, (C) in the case of a Eurodollar Fixed Rate Loan denominated in Dollars, at least two Eurodollar Banking Days before prepayment of such Eurodollar Fixed Rate Loan, (D) in the case of an RFR Loan denominated in any Alternate Currency, at least five RFR Business Days before prepayment of such RFR Loan, and (E) in the case of a Eurodollar Fixed Rate Loan denominated in any Alternate Currency, at least four Eurodollar Banking Days before prepayment of such Eurodollar Fixed Rate Loan (or five Eurodollar Banking Days in the case of a Special Notice Currency).

(c) Minimum Amount. Each prepayment of a Eurodollar Fixed Rate Loan or RFR Loan shall be in the principal amount of not less than the lesser of One Million Dollars (\$1,000,000) or the principal amount of such Loan (or, with respect to an Alternate Currency Loan, the Dollar Equivalent (rounded to a comparable amount) of such amount), or, with respect to a Swing Loan, the principal balance of such Swing Loan, except in the case of a mandatory payment pursuant to Section 2.11(d) or Article III hereof.

Section 2.8 Commitment and Other Fees.

(a) Commitment Fee. US Borrower shall pay to Agent, for the ratable account of the Lenders as a consideration for the Revolving Credit Commitment, a commitment fee from the Closing Date to and

including the Revolving Credit Maturity Date, payable quarterly, at a rate per annum equal to (i) the Applicable Commitment Fee Rate in effect on the payment date, multiplied by (ii) (A) the average daily Revolving Amount in effect during such quarter, minus (B) the average daily Revolving Credit Exposure (exclusive of the Swing Line Exposure) during such quarter. The commitment fee shall be payable in arrears, on June 30, 2013 and continuing on each Regularly Scheduled Payment Date thereafter, and on the Revolving Credit Maturity Date.

(b) Other Fee. US Borrower shall pay to Wells Fargo Securities, LLC or its Affiliates, for its or their respective benefit, the fees set forth in the Fee Letter.

(c) Extension Fee. The US Borrower shall pay to Agent, by 2:00 P.M. (Eastern time) on October 1, 2026, for the ratable account of the Lenders, an extension fee of 1.50% of the aggregate Revolving Credit Commitment in effect on such date.

Section 2.9 Modifications to Commitment.

(a) Optional Reduction of Revolving Credit Commitment. Borrowers may at any time and from time to time permanently reduce in whole or ratably in part the Revolving Amount to an amount not less than the then existing Revolving Credit Exposure, by giving Agent not fewer than three Business Days' written notice of such reduction; provided that any such partial reduction shall be in an aggregate amount, for all of the Lenders, of not less than Five Million Dollars (\$5,000,000), increased in increments of One Million Dollars (\$1,000,000). Agent shall promptly notify each Lender of the date of each such reduction and such Lender's proportionate share thereof. After each such reduction, the commitment fees payable hereunder shall be calculated upon the Revolving Amount as so reduced. If Borrowers reduce in whole the Revolving Amount, on the effective date of such reduction (the appropriate Borrowers having prepaid in full the unpaid principal balance, if any, of the Revolving Loans, together with all interest (if any) and commitment and other fees accrued and unpaid with respect thereto, and provided that no Letter of Credit Exposure or Swing Line Exposure shall exist), all of the Revolving Credit Notes shall be delivered to Agent marked "Canceled" and Agent shall redeliver such Revolving Credit Notes to Administrative Borrower. Any partial reduction in the Revolving Amount shall be effective during the remainder of the Commitment Period.

(b) Increase in Commitment. At any time during the Commitment Increase Period, Administrative Borrower may request that Agent and the Lenders (i) increase the Revolving Credit Commitment (any such increase, an "Incremental Revolving Credit Increase") and/or (ii) provide one or more incremental term loan commitments (any such incremental term loan commitment, an "Incremental Term Loan Commitment") to make one or more term loans (any such term loan, an "Incremental Term Loan"; each Incremental Term Loan and each Incremental Revolving Credit Increase are collectively referred to herein as an "Incremental Increase"), in an aggregate principal amount for all such Incremental Revolving Credit Increases and Incremental Term Loans incurred after the Ninth Amendment Effective Date not to exceed Three Hundred Million Dollars (\$300,000,000); provided that no Incremental Increases shall be requested from and after the Tenth Amendment Effective Date. Each such request for an Incremental Increase shall be in an amount of at least Ten Million Dollars (\$10,000,000), increased by increments of One Million Dollars (\$1,000,000), and may be made by either (x) increasing, for one or more Lenders, with their prior written consent, their respective Revolving Credit Commitments and/or the addition of an Incremental Term Loan Commitment, and/or (y) including one or more Additional Lenders, each with a new commitment under the Revolving Credit Commitment or with an Incremental Term Loan Commitment, as applicable, as a party to this Agreement (each an "Additional Commitment" and, collectively, the "Additional Commitments"); provided that existing Lenders (other than any "institutional" lender) shall be given the first opportunity to provide Additional Commitments or Incremental Term Loans as term loan "A". Each Incremental Term Loan may be made as a term loan "A" to be made by one or

more Lenders or Additional Lenders and/or a term loan “B” to be made by one or more “institutional” lenders on customary terms determined by Agent, US Borrower and such Additional Lenders, Lenders or lenders, as applicable.

(c) Lender Assumption. During the Commitment Increase Period, all of the Lenders agree that Agent, in its sole discretion, may permit one or more Additional Commitments upon satisfaction of the following requirements: (A) each Additional Lender, if any, shall execute an Additional Lender Assumption Agreement, (B) Agent shall provide to Administrative Borrower and each Lender a revised Schedule 1 to this Agreement, including revised Commitment Percentages for each of the Lenders, if appropriate, at least three Business Days prior to the date of the effectiveness of such Additional Commitments (each an “Additional Lender Assumption Effective Date”), and (C) Borrowers shall execute and deliver to Agent and the Lenders such replacement or additional Notes as shall be required by Agent (and requested by the Lenders). The Lenders hereby authorize Agent to execute each Additional Lender Assumption Agreement on behalf of the Lenders. On each Additional Lender Assumption Effective Date, the Lenders shall make adjustments, as applicable, among themselves with respect to the Revolving Loans then outstanding and amounts of principal, interest, commitment fees and other amounts paid or payable with respect thereto as shall be necessary, in the opinion of Agent, in order to reallocate among such Lenders such outstanding amounts, based on the revised Commitment Percentages and to otherwise carry out fully the intent and terms of this Section 2.9(c) (and the appropriate Borrower shall pay to the Lenders any amounts that would be payable pursuant to Section 3.3 hereof if such adjustments among the Lenders would cause a prepayment of one or more Term RFR Loans). In connection therewith, it is understood and agreed that the Revolving Amount of any Lender will not be increased (or decreased except pursuant to Section 2.9(a) hereof) without the prior written consent of such Lender.

(d) Conditions to Incremental Increases. The effectiveness of each Incremental Increase shall be subject to the following conditions:

(i) no Default or Event of Default shall then exist, or, after giving pro forma effect to any such Incremental Increase (including a pro forma calculation of the financial covenants set forth in Section 5.7 hereof) would exist; provided that to the extent the proceeds of such Incremental Increase are to be applied to finance a substantially concurrent Acquisition permitted hereunder that is not conditioned on the availability of financing (each such acquisition, a “Limited Conditionality Acquisition”), the availability thereof shall, if agreed by the lenders providing such Incremental Increase, be subject to no Default or Event of Default existing at the time of execution of the definitive agreement for such Limited Conditionality Acquisition and no Event of Default under Section 7.1 or 7.11 hereof existing immediately prior to or after giving effect to the incurrence of such Incremental Increase;

(ii) all of the representations and warranties set forth in Article VI hereof shall be true and correct in all material respects (or if qualified by materiality or Material Adverse Effect, in all respects) as of the effective date of such Incremental Increase, or if such representation speaks as of an earlier date, as of such earlier date; provided that to the extent the proceeds of any Incremental Increase are intended to be applied to finance a substantially concurrent Limited Conditionality Acquisition, the condition specified in this clause (ii) shall, if agreed by the lenders providing such Incremental Increase, be subject to customary “SunGard” or other customary applicable “certain funds” conditionality provisions; and

(iii) Agent shall have received from the Administrative Borrower, a Compliance Certificate demonstrating that US Borrower is in pro forma compliance with the financial covenants set forth in Section 5.7 hereof for the most recently completed fiscal quarter after giving effect to such Incremental Increase (assuming that the entire applicable Incremental Term Loan is fully

funded on the effective date thereof) and the use of proceeds thereof (including any permitted Acquisition or prepayment of Indebtedness); provided that for purposes of calculating the Net Leverage Ratio and the Secured Net Leverage Ratio, the proceeds from any such Incremental Increase shall not be netted from Consolidated Funded Indebtedness; provided, further, that to the extent the proceeds of such Incremental Increase are to be applied to finance a substantially concurrent Limited Conditionality Acquisition, such pro forma compliance shall, if agreed by the lenders providing such Incremental Increase, be determined at the time of execution of the definitive agreement for such Limited Conditionality Acquisition.

(e) Modifications to Commitments. Notwithstanding anything in this Agreement to the contrary, each Lender hereby irrevocably authorizes Agent on its behalf, and without further consent, to enter into amendments or modifications to this Agreement or any of the other Loan Documents or to enter into additional Loan Documents as Agent reasonably deems appropriate in order to effectuate the terms of Section 2.9(b) hereof (including, without limitation, as applicable, (i) to permit the Incremental Term Loans and the Incremental Revolving Credit Increases to share ratably in the benefits of this Agreement and the other Loan Documents and (ii) to include the Incremental Term Loan Commitments and the Incremental Revolving Credit Increase, as applicable, or outstanding Incremental Term Loans and outstanding Incremental Revolving Credit Increase, as applicable, in any determination of (A) Required Lenders or (B) similar required lender terms applicable thereto).

Section 2.10 Computation of Interest and Fees. With the exception of Base Rate Loans and Alternate Currency Loans denominated in Sterling, Australian Dollars or New Zealand Dollars, interest on Loans, Letter of Credit fees, Related Expenses and commitment and other fees and charges hereunder shall be computed on the basis of a year having three hundred sixty (360) days and calculated for the actual number of days elapsed. With respect to Base Rate Loans and Alternate Currency Loans denominated in Sterling, Australian Dollars or New Zealand Dollars, interest shall be computed on the basis of a year having three hundred sixty-five (365) days or three hundred sixty-six (366) days, as the case may be, and calculated for the actual number of days elapsed.

Section 2.11 Mandatory Payments.

(a) Revolving Credit Exposure. If, at any time, the Revolving Credit Exposure shall exceed the Revolving Credit Commitment, US Borrower (and the appropriate Foreign Borrowers) shall, as promptly as practicable, but in no event later than the next Business Day, pay an aggregate principal amount of the Revolving Loans sufficient to bring the Revolving Credit Exposure within the Revolving Credit Commitment.

(b) Swing Line Exposure. If, at any time, the Swing Line Exposure shall exceed the Swing Line Commitment, US Borrower shall, as promptly as practicable, but in no event later than the next Business Day, pay an aggregate principal amount of the Swing Loans sufficient to bring the Swing Line Exposure within the Swing Line Commitment.

(c) Alternate Currency Exposure. If, at any time, the Alternate Currency Exposure shall exceed the Alternate Currency Maximum Amount, US Borrower (and the appropriate Foreign Borrowers) shall, as promptly as practicable, but in no event later than the next Business Day, pay an aggregate principal amount of the Alternate Currency Loans sufficient to bring the Alternate Currency Exposure within the Alternate Currency Maximum Amount.

(d) Debt Issuances. During the Covenant Adjustment Period, the US Borrower (and the appropriate Foreign Borrowers, if applicable) shall make mandatory principal prepayments of the Revolving Loans, Swing Line Loans and/or Cash Collateralize the Letter of Credit Exposure in the manner

set forth in clause (g) below in an amount equal to one hundred percent (100%) of the aggregate Net Cash Proceeds from any Debt Issuance not permitted pursuant to Section 5.8. Such prepayment shall be made within three (3) Business Days after the date of receipt of the Net Cash Proceeds of any such Debt Issuance.

(e) Equity Issuances. During the Covenant Adjustment Period, the US Borrower (and the appropriate Foreign Borrowers, if applicable) shall make mandatory principal prepayments of the Revolving Loans, Swing Line Loans and/or Cash Collateralize the Letter of Credit Exposure in the manner set forth in clause (g) below in an amount equal to one hundred percent (100%) of the aggregate Net Cash Proceeds from any Equity Issuance other than the exercise price on stock options issued as part of employee or director compensation. Such prepayment shall be made within three (3) Business Days after the date of receipt of the Net Cash Proceeds of any such Equity Issuance.

(f) Sale of Assets. During the Covenant Adjustment Period, the US Borrower (and the appropriate Foreign Borrowers, if applicable) shall make mandatory principal prepayments of the Revolving Loans, Swing Line Loans and/or Cash Collateralize the Letter of Credit Exposure in the manner set forth in clause (g) below in amounts equal to one hundred percent (100%) of the aggregate Net Cash Proceeds from any sale, lease, transfer or other disposition of any assets (including pursuant to a statutory division, but excluding involuntary dispositions constituting a casualty or condemnation event) to any Person (other than any sale, lease, transfer or other disposition of any assets permitted pursuant to, and in accordance with, clauses (a), (b), (c), (d), (e), (g), (h), (i) (other than any sale, lease, transfer or other disposition to a Company that is not a Credit Party), (k) and (l) of Section 5.12) to the extent that the aggregate amount of such Net Cash Proceeds from such sale, lease, transfer or other disposition following the Tenth Amendment Effective Date exceed \$5,000,000 in the aggregate during the Covenant Adjustment Period. Such prepayments shall be made within three (3) Business Days (or in the case of Foreign Proceeds, 30 days or such longer period as may be agreed by the Agent) after the date of receipt of the Net Cash Proceeds (or such later date as may be approved by the Agent in its discretion for the purpose of avoiding breakage costs); provided, however, that in the case of any transaction subject to the requirements of this Section 2.11(f) relates to assets of a Foreign Subsidiary (the “Foreign Proceeds”), if the repatriation of such Foreign Proceeds would (A) have a material adverse tax consequence to any Company or (B) not be permitted under local applicable law (e.g., financial assistance, corporate benefit, restrictions on upstreaming of cash intra group and the fiduciary and statutory duties of the directors of the relevant Subsidiaries), in each case, then such Foreign Proceeds shall not be required to be applied pursuant to clause (g) until such time as such Foreign Proceeds may be repatriated without causing material adverse tax consequences or such restrictions under local applicable law no longer exist, after which, promptly upon such repatriation thereof, such Foreign Proceeds shall be applied in accordance with clause (g) below.

(g) Application of Mandatory Payments. Each prepayment pursuant to clauses (a), (b), (c), (d), (e) and (f) hereof shall be applied in the following order (i) first, on a pro rata basis for the Revolving Lenders, to outstanding Revolving Loans that are Base Rate Loans or Daily Simple RFR Loans, (ii) second, on a pro rata basis for the Revolving Lenders, to outstanding Revolving Loans that are Term RFR Loans, and (iii) third, on a pro rata basis for the Revolving Lenders, to outstanding Revolving Loans that are Alternate Currency Loans; provided that, if the outstanding principal amount of any Eurodollar Fixed Rate Loan shall be reduced to an amount less than the minimum amount set forth in Section 2.5(d) hereof as a result of such prepayment, then such Eurodollar Fixed Rate Loan shall be converted into a Base Rate Loan on the date of such required prepayment (regardless of whether there are any outstanding Revolving Loans, Swing Line Loans or Letters of Credit prior to or immediately following such prepayment); provided, further, that (i) any prepayment equal to or in excess of \$5,000,000 pursuant to clauses (d), (e) and (f) above, in each case shall permanently reduce the Revolving Credit Commitment on the date of the required payment in an amount equal to the amount of such prepayment. Any prepayment of a Eurodollar Fixed Rate Loan pursuant to this Section 2.11 shall be subject to the prepayment provisions set forth in Article III hereof.

(h) Corresponding Payment. Each permanent reduction required pursuant to clause (g) above shall be accompanied by a payment of principal sufficient to reduce the aggregate outstanding Revolving Loans after such reduction to the Revolving Credit Commitment as so reduced, and if the aggregate amount of all outstanding Letters of Credit exceeds the Revolving Credit Commitment as so reduced, the US Borrower shall be required to Cash Collateralize the Letter of Credit Exposure in an amount equal to such excess. Any reduction of the Revolving Credit Commitment to zero shall be accompanied by payment of all outstanding Revolving Loans and Swing Loans (and furnishing of Cash Collateral satisfactory to the Agent for all Letter of Credit Exposure or other arrangements satisfactory to the Fronting Lender) and shall result in the termination of the Revolving Credit Commitment and the Swing Line Commitment and the revolving credit facility established pursuant to Article II. If the reduction of the Revolving Credit Commitment requires the repayment of any Eurodollar Fixed Rate Loan, such repayment shall be accompanied by any amount required to be paid pursuant to Section 3.3 hereof.

Section 2.12 Liability of Borrowers.

(a) Joint and Several Liability. Each Borrower hereby authorizes Administrative Borrower or any other Borrower to request Loans or Letters of Credit hereunder. Each Borrower acknowledges and agrees that Agent and the Lenders are entering into this Agreement at the request of each Borrower and with the understanding that US Borrower is and shall remain fully liable, jointly and severally, for payment in full of the Obligations, and each Foreign Borrower is and shall remain fully liable for payment in full of the Obligations of any other Foreign Borrower, as set forth in the Loan Documents. Each Borrower agrees that it is receiving or will receive a direct pecuniary benefit for each Loan made or Letter of Credit issued hereunder (including the Obligations of Foreign Borrowers through Article XI hereof).

(b) Appointment of Administrative Borrower. Each Borrower hereby irrevocably appoints Administrative Borrower as the borrowing agent and attorney-in-fact for all Borrowers, which appointment shall remain in full force and effect unless and until Agent shall have received prior written notice signed by each Borrower that such appointment has been revoked and that another Borrower has been appointed Administrative Borrower. Each Borrower hereby irrevocably appoints and authorizes Administrative Borrower to (i) provide Agent with all notices with respect to Loans and Letters of Credit obtained for the benefit of any Borrower and all other notices and instructions under this Agreement, (ii) take such action as Administrative Borrower deems appropriate on its behalf to obtain Loans and Letters of Credit, and (iii) exercise such other powers as are reasonably incidental thereto to carry out the purposes of this Agreement.

It is understood that the handling of the Collateral of Borrowers in a combined fashion, as more fully set forth herein, is done solely as an accommodation to Borrowers in order to utilize the collective borrowing powers of Borrowers in the most efficient and economical manner and at their request, and that neither Agent nor any Lender shall incur liability to any Borrower as a result hereof. Each Borrower expects to derive benefit, directly or indirectly, from the handling of the Collateral in a combined fashion since the successful operation of each Borrower is dependent on the continued successful performance of the integrated group.

(c) Maximum Liability of Each Foreign Borrower and Rights of Contribution. Anything in this Agreement or any other Loan Document to the contrary notwithstanding, in no event shall the maximum liability of any Foreign Borrower exceed the maximum amount that (after giving effect to the incurring of the obligations hereunder and to any rights to contribution of such Foreign Borrower from other Affiliates of such Foreign Borrower) would not render the rights to payment of Agent and the Lenders hereunder void, voidable or avoidable under any applicable fraudulent transfer law. Borrowers hereby agree as among themselves that, in connection with the payments made hereunder, each Foreign Borrower shall have a right of contribution from each other Borrower in accordance with applicable law. Such contribution rights shall be waived until such time as the Secured Obligations (other than (i) contingent obligations which by their terms survive the termination of this Agreement and (ii) obligations and liabilities under Bank Product

Agreements or Secured Hedge Agreements as to which arrangements reasonably satisfactory to the applicable Lender (or an entity that is an affiliate of such Lender) shall have been made) have been irrevocably paid in full, and no Borrower shall exercise any such contribution rights until the Secured Obligations have been irrevocably paid in full (other than (i) contingent obligations which by their terms survive the termination of this Agreement and (ii) Secured Hedge Obligations or obligations and liabilities under Bank Product Agreements, in each case as to which arrangements reasonably satisfactory to the applicable Secured Party shall have been made).

(d) Waivers of Each Borrower. In the event that any obligation of any Borrower under this Agreement is deemed to be an agreement by such Borrower to answer for the debt or default of another Credit Party or as an hypothecation of property as security therefor, each Borrower represents and warrants that (i) no representation has been made to such Borrower as to the creditworthiness of such other Credit Party, and (ii) such Borrower has established adequate means of obtaining from such other Credit Party on a continuing basis, financial or other information pertaining to such other Credit Party's financial condition.

Each Borrower expressly waives, except as expressly required under this Agreement, diligence, demand, presentment, protest and notice of every kind and nature whatsoever, consents to the taking by Agent and the Lenders of any additional security of another Credit Party for the obligations secured hereby, or the alteration or release in any manner of any security of another Credit Party now or hereafter held in connection with the Obligations, and consents that Agent, the Lenders and any other Credit Party may deal with each other in connection with such obligations or otherwise, or alter any contracts now or hereafter existing between them, in any manner whatsoever, including without limitation the renewal, extension, acceleration or changes in time for payment of any such obligations or in the terms or conditions of any security held. Agent and the Lenders are hereby expressly given the right, at their option, to proceed in the enforcement of any of the Obligations independently of any other remedy or security they may at any time hold in connection with such obligations secured and it shall not be necessary for Agent and the Lenders to proceed upon or against or exhaust any other security or remedy before proceeding to enforce their rights against such Borrower. Each Borrower further subordinates any right of subrogation, reimbursement, exoneration, contribution, indemnification, setoff or other recourse in respect of sums paid to Agent and the Lenders by any other Credit Party until such time as the Commitment has been terminated and the Secured Obligations have been repaid in full (other than (i) contingent obligations which by their terms survive the termination of this Agreement and (ii) Secured Hedge Agreements or obligations and liabilities under Bank Product Agreements, in each case as to which arrangements satisfactory to the applicable Secured Party).

Section 2.13 Addition of Foreign Borrowers.

(a) Addition of Foreign Borrower. At the request of Administrative Borrower (with at least thirty (30) days prior written notice to Agent and the Lenders) and the approval of Agent, in its reasonable discretion, a Foreign Subsidiary of US Borrower that shall not then be a Foreign Borrower may become a Foreign Borrower hereunder, provided that all of the following requirements shall have been met at the time of such addition to the reasonable satisfaction of Agent:

(i) such Foreign Subsidiary shall be a Wholly-Owned Subsidiary of US Borrower or shall be a Foreign Subsidiary of which US Borrower owns, directly or indirectly, at least eighty percent (80%) of the equity interests and eighty percent (80%) of the equity interests entitled to vote;

(ii) such Foreign Subsidiary (A) shall be organized under the laws of an Approved Foreign Jurisdiction, and (B) shall not be organized under the laws of a jurisdiction for which any Lender (that is organized in the United States) has provided notice to Agent that it is illegal for such Lender, or violates the policies of such Lender (in such Lender's reasonable interpretation of such policies), to lend into such foreign jurisdiction;

(iii) US Borrower and each Domestic Guarantor of Payment shall have guaranteed the obligations of such Foreign Subsidiary under this Agreement pursuant to the terms of a Guaranty of Payment;

(iv) such Foreign Subsidiary shall have executed an Additional Foreign Borrower Assumption Agreement and appropriate Foreign Borrower Revolving Credit Notes (for Lenders requesting Notes);

(v) [reserved]; and

(vi) such Foreign Subsidiary that shall become a Foreign Borrower shall have provided to Agent such corporate governance and authorization documents and an opinion of counsel and any other documents and items (including, without limitation, such information as any Lender may request pursuant to Section 11.11 hereof) as may be deemed necessary or advisable by Agent (including an amendment to this Agreement), all of the foregoing to be in form and substance reasonably satisfactory to Agent.

(b) [Reserved].

(c) Additional Credit Party Bound by Provisions. Upon satisfaction by Administrative Borrower and any such Foreign Subsidiary of the requirements set forth in subsection (a) above, as applicable, Agent shall promptly notify Administrative Borrower and the Lenders, whereupon such Foreign Subsidiary shall be designated a “Foreign Borrower”, pursuant to the terms and conditions of this Agreement, and such Foreign Subsidiary shall become bound by all representations, warranties, covenants, provisions and conditions of this Agreement and each other Loan Document applicable to the Foreign Borrowers, as if such Foreign Borrower had been the original party making such representations, warranties and covenants.

(d) Alternative Structures. Agent, the Lenders and Borrowers agree that, if the addition of a Foreign Borrower pursuant to this Section 2.13 would result in a requirement by such Foreign Borrower to pay to any Lenders additional amounts pursuant to Section 3.2 hereof, then Agent, the Lenders and Borrowers agree to use reasonable efforts to designate a different lending office or otherwise propose an alternate structure that would avoid the need for, or reduce the amount of, such additional amounts so long as the same would not, in the reasonable judgment of Agent and the Lenders, be otherwise disadvantageous to Agent and the Lenders.

(e) Provisions Relating to the Addition of Foreign Borrowers. To the extent that a Foreign Borrower is added pursuant to this Section 2.13, and the fully executed Foreign Borrower Assumption Agreement with respect to such Foreign Borrower contains additional legal requirements, terms and conditions applicable to extensions of credit to such Foreign Borrower in the applicable jurisdiction of such Foreign Borrower (as determined by Agent in its reasonable discretion), this Agreement shall be automatically amended solely to incorporate such additional legal requirements, terms and provisions.

Section 2.14 Flood Insurance. If any portion of any improved real property subject to a mortgage in favor Agent, for the benefit of the Secured Parties, is at any time located in an area identified by the Federal Emergency Management Agency (or any successor agency) as a special flood hazard area with respect to which flood insurance has been made available under the Flood Insurance Laws, then the US Borrower shall, or shall cause the applicable Credit Party to, (i) maintain, or cause to be maintained, with a financially sound and reputable insurer, flood insurance in a reasonable total amount required by Agent and otherwise sufficient to comply with all applicable rules and regulations promulgated pursuant to the Flood Insurance Laws, (ii) reasonably cooperate with Agent and provide information reasonably

required by Agent to comply with the Flood Insurance Laws, (iii) deliver to Agent evidence of such compliance in form and substance reasonably acceptable to Agent, including, without limitation, evidence of annual renewals of such insurance and (iv) furnish to Agent prompt written notice of any re-designation of any such real property into or out of a special flood hazard area. Notwithstanding the foregoing, Agent shall not enter into any mortgage in respect of any real property until the earlier of (A) the date that is thirty (30) days after the US Borrower has delivered to Agent and the Lenders (which may be delivered electronically) (x) a completed "Life-of-Loan" Federal Emergency Management Agency Standard Flood Hazard Determination with respect to such real property (together with a notice about special flood hazard area status and flood disaster assistance, which, if applicable, shall be duly executed by the applicable Credit Party relating to such real property) and (y) if any such real property is located in an area determined by the Federal Emergency Management Agency to have special flood hazards, evidence of such flood insurance as may be required under applicable law, including Regulation H of the FRB and the other Flood Insurance Laws, and as otherwise required by Section 6.18, and (B) the receipt of written confirmation (which may be by electronic mail) from each of the other Lenders that flood insurance due diligence and flood insurance compliance has been completed by the Lenders (such written confirmation not to be unreasonably withheld, delayed or conditioned).

Section 2.15 Extension of Revolving Credit Maturity Date.

(a) The Commitments shall terminate on the Revolving Credit Maturity Date. Contemporaneously with the delivery of the financial statements required pursuant to Section 5.3(b) hereof, US Borrower may deliver a Request for Extension, requesting that the Lenders extend the Revolving Credit Maturity Date for an additional one-year period; provided that such extension shall not occur more than one time during the term of this Agreement. If US Borrower requests such an extension, each Lender shall notify US Borrower on or before 30 days following delivery of such Request for Extension (such date, the "Consent Deadline") whether it has consented to extend the Revolving Credit Maturity Date for an additional one-year period. Agent and the Lenders may, each in their sole and individual discretion, elect to extend the Revolving Credit Maturity Date, it being understood that any Lender who has not responded to such extension request by the Consent Deadline shall be deemed to have rejected such request.

(b) If Lenders holding more than 50% of the Revolving Credit Commitment elect to so extend the then existing Revolving Credit Maturity Date, the Revolving Credit Maturity Date will automatically be extended for an additional one-year period only for those extending Lenders. The Revolving Credit Maturity Date for the non-extending Lenders shall remain unchanged. So long as no Event of Default then exists, then US Borrower may, at its sole expense and effort, upon notice to such non-extending Lender and Agent, require such non-extending Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 11.10), all of its interests, rights and obligations under this Agreement and the related Loan Documents to an Eligible Transferee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) US Borrower shall have paid to Agent the assignment fee (if any) specified in Section 11.10 and (ii) such non-extending Lender shall have received payment of an amount equal to the outstanding principal of its Revolving Loans, Swing Loans and participations in Letters of Credit, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents from the assignee (to the extent of such outstanding principal and accrued interest and fees) or US Borrower (in the case of all other amounts).

(c) On the Revolving Credit Maturity Date for any non-extending Lenders, (i) US Borrower shall repay all outstanding Revolving Loans due and payable to such non-extending Lenders (together with all accrued and unpaid interest thereon and accrued and unpaid commitment fees hereunder), (ii) each of the non-extending Lenders shall be automatically released from their respective risk participation obligations under Section 2.2(b)(v) hereof with respect to any outstanding Swing Loans and under Section

2.2(c)(iii) hereof with respect to any outstanding Letters of Credit, (iii) all outstanding Revolving Loans, risk participation obligations with respect to any outstanding Swing Loans and risk participation obligations with respect to any outstanding Letters of Credit (and the related Letter of Credit Exposure) shall be automatically reallocated among the extending Lenders based on each such Lender's Revolving Credit Commitment and (iv) to the extent that the Revolving Credit Exposure would exceed the Revolving Credit Commitment after giving effect to such reallocation pursuant to the immediately preceding clause (iii), US Borrower shall prepay Revolving Loans, Swing Loans or Cash Collateralize Letters of Credit in accordance with Section 3.7 hereof.

(d) Any extension shall be effective as of the date of the amendment effecting such extension and each such amendment shall be conditioned upon (i) no Default or Event of Default, (ii) accuracy in all material respects of the representations and warranties set forth in this Agreement and (iii) such other conditions as each extending Lender shall require. The Lenders hereby irrevocably authorize Agent to enter into amendments to this Agreement and the other Loan Documents with US Borrower as may be necessary or appropriate in the reasonable opinion of Agent and US Borrower in order to extend the Revolving Credit Maturity Date on terms consistent with this Section 2.15. US Borrower shall pay any reasonable and documented out-of-pocket attorneys' fees or other reasonable and documented out-of-pocket expenses of Agent in connection with the documentation of any such extension, as well as such other fees, if any, as may be agreed upon between Borrowers and Agent.

(e) Unless Agent, the Fronting Lender and Swing Line Lender have each agreed in their respective sole discretions to act as Agent, Fronting Lender or Swing Line Lender (as the case may be) following the extended Revolving Credit Maturity Date, a successor Agent, Fronting Lender or Swing Line Lender (as the case may be) shall have been appointed by the Lenders to act as Agent, Fronting Lender or Swing Line Lender (as the case may be) commencing on the extended Revolving Credit Maturity Date.

ARTICLE III. GENERAL LOAN PROVISIONS

Section 3.1 Increased Costs.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or advances, loans or other credit extended or participated in by, any Lender (except any reserve requirement reflected in the Eurodollar Rate) or any Fronting Lender;

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or any Fronting Lender or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Transitioned RFR Loans made by such Lender or any Letter of Credit or participation therein;

(iv) and the result of any of the foregoing shall be to increase the cost to such Lender, the Fronting Lender or such other Recipient of making, converting to, continuing or maintaining any Loan (or of maintaining its obligation to make any such Loan), or to increase the cost to such Lender, such Fronting Lender or such other Recipient of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of

Credit), or to reduce the amount of any sum received or receivable by such Lender, such Fronting Lender or such other Recipient hereunder (whether of principal, interest or any other amount) then, upon written request of such Lender, such Fronting Lender or other Recipient in accordance with paragraph (c) of this Section 3.1, the Borrowers shall promptly pay to any such Lender, such Fronting Lender or other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender, such Fronting Lender or other Recipient, as the case may be, for such additional costs incurred or reduction suffered. For the avoidance of doubt, this Section 3.1 shall not apply to Taxes, which shall be governed exclusively by Section 3.2 hereof.

(b) Capital Requirements. If any Lender or any Fronting Lender determines that any Change in Law affecting such Lender or such Fronting Lender or any lending office of such Lender or such Lender's or such Fronting Lender's holding company, if any, regarding capital or liquidity requirements, has or would have the effect of reducing the rate of return on such Lender's or such Fronting Lender's capital or on the capital of such Lender's or such Fronting Lender's holding company, if any, as a consequence of this Agreement, the Revolving Credit Commitment of such Lender or the Loans made by, or participations in Letters of Credit or Swing Loans held by, such Lender, or the Letters of Credit issued by such Fronting Lender, to a level below that which such Lender or such Fronting Lender or such Lender's or such Fronting Lender's holding company could have achieved but for such Change in Law other than due to Taxes which, for the avoidance of doubt, are covered by Section 3.2 hereof (taking into consideration such Lender's or such Fronting Lender's policies and the policies of such Lender's or such Fronting Lender's holding company with respect to capital adequacy and liquidity), then upon written request of such Lender or such Fronting Lender, the Borrowers shall promptly pay to such Lender or such Fronting Lender in accordance with paragraph (c) of this Section 3.1, as the case may be, such additional amount or amounts as will compensate such Lender or such Fronting Lender or such Lender's or such Fronting Lender's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender, a Fronting Lender or such other Recipient setting forth the amount or amounts necessary to compensate such Lender or such Fronting Lender setting forth in reasonable detail the manner in which such amount or amounts were determined, such other Recipient or any of their respective holding companies, as the case may be, as specified in paragraph (a) or (b) of this Section 3.1 and delivered to the Borrower, shall be conclusive absent manifest error; provided, however, that such certificate shall state that it is the general policy or practice of such Lender, Fronting Lender or other Recipient, as applicable, to exercise similar rights (where available) in relation to other borrowers under syndicated credit facilities that are similarly impacted by the circumstances described in paragraph (a) or (b) of this Section 3.1. The Borrowers shall pay such Lender or such Fronting Lender or such other Recipient, as the case may be, the amount shown as due on any such certificate within fifteen (15) days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender or any Fronting Lender or such other Recipient to demand compensation pursuant to this Section 3.1 shall not constitute a waiver of such Lender's or such Fronting Lender's or such other Recipient's right to demand such compensation; provided that the Borrowers shall not be required to compensate any Lender or an Fronting Lender or any other Recipient pursuant to this Section 3.1 for any increased costs incurred or reductions suffered more than ninety (90) days prior to the date that such Lender or such Fronting Lender or such other Recipient, as the case may be, notifies the Administrative Borrower of the Change in Law giving rise to such increased costs or reductions, and of such Lender's or such Fronting Lender's or such other Recipient's intention to claim compensation therefor (except that if the Change in Law giving rise to such increased costs or reductions is retroactive, then the ninety-day period referred to above shall be extended to include the period of retroactive effect thereof).

Section 3.2 Taxes.

(a) Defined Terms. For purposes of this Section 3.2, the term “Lender” includes any Fronting Lender and the term “applicable law” includes FATCA.

(b) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Credit Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Credit Party shall be increased as necessary so that, after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 3.2), the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(c) Payment of Other Taxes by the Credit Parties. The Credit Parties shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of Agent timely reimburse it for the payment of, any Other Taxes.

(d) Indemnification by the Credit Parties. The Credit Parties shall jointly and severally indemnify each Recipient, within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 3.2) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Administrative Borrower by a Recipient (with a copy to Agent), or by Agent on its own behalf or on behalf of a Recipient, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify Agent, within ten (10) days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Credit Party has not already indemnified Agent for such Indemnified Taxes and without limiting the obligation of the Credit Parties to do so), (ii) any Taxes attributable to such Lender’s failure to comply with the provisions of Section 11.10(c) hereof relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by Agent shall be conclusive absent manifest error. Each Lender hereby authorizes Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by Agent to the Lender from any other source against any amount due to Agent under this paragraph (e).

(f) Evidence of Payments. As soon as practicable after any payment of Taxes by any Credit Party to a Governmental Authority pursuant to this Section 3.2, such Credit Party shall deliver to Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to Agent.

(g) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Administrative Borrower and Agent, at the time or times reasonably requested by the Administrative Borrower or Agent, such properly completed and executed documentation reasonably requested by the Administrative Borrower or Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Administrative Borrower or Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Administrative Borrower or Agent as will enable the Administrative Borrower or Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 3.2(g)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that a Borrower is a U.S. Person:

(A) any Lender that is a U.S. Person shall deliver to the Administrative Borrower and Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Administrative Borrower or Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from United States federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Administrative Borrower and Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Administrative Borrower or Agent), whichever of the following is applicable:

(6) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN-E establishing an exemption from, or reduction of, United States federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN-E establishing an exemption from, or reduction of, United States federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(7) executed copies of IRS Form W-8ECI;

(8) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit I-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the applicable Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed copies of IRS Form W-8BEN-E; or

(9) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit I-2 or Exhibit I-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit I-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Administrative Borrower and Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Administrative Borrower or Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in United States federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Administrative Borrower or Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to United States federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Administrative Borrower and Agent at the time or times prescribed by law and at such time or times reasonably requested by the Administrative Borrower or Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Administrative Borrower or Agent as may be necessary for the Administrative Borrower and Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the First Amendment Date.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Administrative Borrower and Agent in writing of its legal inability to do so.

(h) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 3.2 (including by the payment of additional amounts pursuant to this Section 3.2), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 3.2 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (h) the payment of which

would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(i) [Reserved].

(j) Survival. Each party's obligations under this Section 3.2 shall survive the resignation or replacement of Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

Section 3.3 Funding Losses. US Borrower (and the appropriate Foreign Borrower) agrees to indemnify each Lender, promptly after receipt of a written request therefor, and to hold each Lender harmless from, any loss or expense that such Lender may sustain or incur as a consequence of (a) default by a Borrower in making a borrowing of, conversion into or continuation of Eurodollar Fixed Rate Loans after such Borrower has given a notice (including a written or verbal notice that is subsequently revoked) requesting the same in accordance with the provisions of this Agreement, (b) default by a Borrower in making any prepayment of or conversion from Eurodollar Fixed Rate Loans after such Borrower has given a notice (including a written or verbal notice that is subsequently revoked) thereof in accordance with the provisions of this Agreement, (c) the making of a prepayment of a Eurodollar Fixed Rate Loan on a day that is not the last day of an Interest Period applicable thereto, (d) any conversion of a Term RFR Loan to a Base Rate Loan on a day that is not the last day of an Interest Period applicable thereto, or (e) any compulsory assignment of such Lender's interests, rights and obligations under this Agreement pursuant to Section 3.4(b) hereof. Such indemnification shall be in an amount equal to the excess, if any, of (i) the amount of interest that would have accrued on the amounts so prepaid, or not so borrowed, converted or continued, for the period from the date of such prepayment or of such failure to borrow, convert or continue to the last day of such Interest Period (or, in the case of a failure to borrow, convert or continue, the Interest Period that would have commenced on the date of such failure) in each case at the applicable rate of interest for such Loans provided for herein (excluding, however, the Applicable Margin included therein, if any) over (ii) the amount of interest (as reasonably determined by such Lender) that would have accrued to such Lender on such amount by placing such amount on deposit for a comparable period with leading banks in the appropriate London interbank market, along with any administration fee charged by such Lender. A certificate as to any amounts payable pursuant to this Section 3.3 submitted to Administrative Borrower (with a copy to Agent) by any Lender shall be conclusive absent manifest error. The obligations of Borrowers pursuant to this Section 3.3 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

Section 3.4 Mitigation Obligations; Replacement of Lenders.

(a) Designation of a Different Lending Office. If any Lender requests compensation under Section 3.1, or requires any Borrower to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.2 hereof or cease to make available Eurodollar Fixed Rate Loans or Term RFR Loans pursuant to Section 3.5(a) or Section 3.5(b) hereof, then such Lender shall, at the request of the Administrative Borrower, use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or its participation in any Letter of Credit affected by such event or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.1 or Section 3.2 hereof or permit the continuation or making of Eurodollar Fixed Rate Loans, as the case may be, in the future and (ii) would not

subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrowers hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) Replacement of Lenders. If any Lender requests compensation under Section 3.1 hereof, or if any Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.2 hereof, or if any Lender shall cease to make available Eurodollar Fixed Rate Loans or Term RFR Loans pursuant to Section 3.5(a) or Section 3.5(b) hereof, and, in each case, such Lender has declined or is unable to designate a different lending office in accordance with Section 3.4(a) hereof that eliminates the amounts payable pursuant to Section 3.1 or Section 3.2 hereof, as the case may be, or allows such Lender to continue to make or maintain Eurodollar Fixed Rate Loans, or if any Lender is a Defaulting Lender or a Non-Consenting Lender, then the Administrative Borrower may, at Borrowers' sole expense and effort, upon notice to such Lender and Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 11.10 hereof), all of its interests, rights (other than its existing rights to payments pursuant to Section 3.1 or Section 3.2 hereof) and obligations under this Agreement and the related Loan Documents to an Eligible Transferee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that:

(i) the Borrowers shall have paid to Agent the assignment fee (if any) specified in Section 11.10 hereof;

(ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and, if applicable, participations in Letters of Credit, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.3 hereof) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts);

(iii) in the case of any such assignment resulting from a claim for compensation under Section 3.1 hereof, or payments required to be made pursuant to Section 3.2 hereof, such assignment will result in a reduction in such compensation or payments thereafter;

(iv) such assignment does not conflict with applicable law; and

(v) in the case of any assignment resulting from a Lender becoming a Non-Consenting Lender, the applicable assignee shall have consented to the applicable amendment, waiver or consent.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Administrative Borrower to require such assignment and delegation cease to apply. Each Lender agrees that if it is replaced pursuant to this Section 3.4, it shall execute and deliver to Agent an Assignment Agreement to evidence such sale and purchase and shall deliver to Agent any promissory note (if the assigning Lender's Loans are evidenced by one or more promissory notes) subject to such Assignment Agreement; provided that the failure of any Lender replaced pursuant to this Section 3.4 to execute an Assignment Agreement or deliver such promissory notes shall not render such sale and purchase (and the corresponding assignment) invalid and such assignment shall be recorded in the Register and the promissory notes shall be deemed cancelled upon such failure. Each Lender hereby irrevocably appoints Agent (such appointment being coupled with an interest) as such Lender's attorney-in-fact, with full authority in the place and stead of such Lender and in the name of such Lender, from time to time in Agent's discretion, with prior written notice to such Lender,

to take any action and to execute any such Assignment Agreement or other instrument that Agent may deem reasonably necessary to carry out the provisions of this Section 3.4(b).

Section 3.5 Changed Circumstances.

(a) Circumstances Affecting Eurodollar Rate, Daily Simple RFR and Term RFR Availability.

(i) Subject to clause (c) below, in connection with any RFR Loan or, on and after the USD LIBOR Transition Date, any Base Rate Loan, a request therefor, a conversion to or a continuation thereof or otherwise, if for any reason (A) the Agent shall determine (which determination shall be conclusive and binding absent manifest error) that (x) if Daily Simple RFR is utilized in any calculations hereunder or under any other Loan Document with respect to any Obligations, interest, fees, commissions or other amounts, "Daily Simple RFR" cannot be determined pursuant to the definition thereof or (y) if Term RFR is utilized in any calculations hereunder or under any other Loan Document with respect to any Obligations, interest, fees, commissions or other amounts, "Term RFR" cannot be determined pursuant to the definition thereof on or prior to the first day of any Interest Period or (B) a Disqualifying Event occurs, then the Agent shall promptly give notice thereof to the Administrative Borrower. Upon notice thereof by the Agent to the Administrative Borrower, (A) any obligation of the Lenders to make RFR Loans in each such Currency, and any right of the Borrowers to convert any Loan in each such Currency (if applicable) or continue any Loan as an RFR Loan in each such Currency, shall be suspended (to the extent of the affected RFR Loans or, in the case of Term RFR Loans, the affected Interest Periods) until the Agent revokes such notice and (B) if such determination affects the calculation of Base Rate, the Agent shall during the period of such suspension compute Base Rate without reference to clause (c) of the definition of "Base Rate" until the Agent revokes such notice. Upon receipt of such notice, (A) the Administrative Borrower may revoke any pending request for a borrowing of, conversion to or continuation of RFR Loans in each such affected Currency (to the extent of the affected RFR Loans or, in the case of a Term RFR Loans, the affected Interest Periods) or, failing that, (I) in the case of any request for a borrowing of an affected RFR Loan in Dollars, the Borrowers will be deemed to have converted any such request into a request for a borrowing of or conversion to Base Rate Loans in the amount specified therein and (II) in the case of any request for a borrowing of an affected RFR Loan in an Alternate Currency, then such request shall be ineffective and (B)(I) any outstanding affected RFR Loans denominated in Dollars will be deemed to have been converted into Base Rate Loans immediately or, in the case of Term RFR Loans, at the end of the applicable Interest Period and (II) any outstanding affected RFR Loans denominated in an Alternate Currency, at the Borrowers' election, shall either (1) be converted into Base Rate Loans denominated in Dollars (in an amount equal to the Dollar Equivalent of such Alternate Currency) immediately or, in the case of Term RFR Loans, at the end of the applicable Interest Period or (2) be prepaid in full, together with accrued interest thereon (subject to Section 2.3(d)), immediately or, in the case of Term RFR Loans, at the end of the applicable Interest Period; provided that if no election is made by the Borrowers by the date that is three (3) Business Days after receipt by the Administrative Borrower of such notice or, in the case of Term RFR Loans, the last day of the current Interest Period for the applicable RFR Loan, if earlier, the Borrowers shall be deemed to have elected clause (1) above. Upon any such prepayment or conversion, the Borrowers shall also pay any additional amounts required pursuant to Section 11.6.

(ii) Subject to clause (c) below, if, for any reason (x) on or prior to the first day of any Interest Period with respect to a Eurodollar Fixed Rate Loan or (y) prior to the USD LIBOR Transition Date, on any day with respect to a Base Rate Loan, in connection with a request therefor, a conversion to or a continuation thereof or otherwise, (A) the Agent shall determine (which determination shall be conclusive and binding absent manifest error) that deposits are not being

offered to banks in the London or other applicable offshore interbank market for the applicable Currency, amount and Interest Period of such Loan (or, with respect to any Base Rate Loan, for a one month term), (B) the Agent shall determine (which determination shall be conclusive and binding absent manifest error) that a fundamental change has occurred in the foreign exchange or interbank markets with respect to the applicable Alternate Currency (including changes in national or international financial, political or economic conditions or currency exchange rates or exchange controls), (C) the Agent shall determine (which determination shall be conclusive and binding absent manifest error) that reasonable and adequate means do not exist for the ascertaining the Adjusted Eurodollar Rate for such Currency and Interest Period, including because the Screen Rate for the applicable Currency is not available or published on a current basis, or (D) the Required Lenders shall determine (which determination shall be conclusive and binding absent manifest error) that the Adjusted Eurodollar Rate does not adequately and fairly reflect the cost to such Lenders of making or maintaining such Loans during such Interest Period and shall have provided notice of such determination to the Agent, then the Agent shall promptly give notice thereof to the Administrative Borrower. Thereafter, until the Agent notifies the Administrative Borrower that such circumstances no longer exist, (x) any obligation of the Lenders to make Eurodollar Fixed Rate Loans in each such Currency, and any right of the Borrowers to convert any Loan in each such Currency (if applicable) or continue any Loan as a Eurodollar Fixed Rate Loan in each such Currency (in each case, to the extent of the affected Eurodollar Fixed Rate Loans or Interest Periods), shall be suspended and (I) any outstanding affected Eurodollar Fixed Rate Loans denominated in Dollars will be deemed to have been converted into Base Rate Loans at the end of the applicable Interest Period and (II) any outstanding affected Eurodollar Fixed Rate Loans denominated in an Alternate Currency, at the Borrowers' election, shall either (1) be converted into Base Rate Loans denominated in Dollars (in an amount equal to the Dollar Equivalent of such Alternate Currency) at the end of the applicable Interest Period or (2) be prepaid in full, together with accrued interest thereon (subject to Section 2.3(d)), at the end of the applicable Interest Period; provided that if no election is made by the Administrative Borrower by the date that is three (3) Business Days after receipt by the Administrative Borrower of such notice or, in the case of Eurodollar Fixed Rate Loans, the last day of the current Interest Period for the applicable Eurodollar Fixed Rate Loan, if earlier, the Borrowers shall be deemed to have elected clause (1) above, and (y) if such determination pursuant to Section 3.5(a)(ii) affects the calculation of Base Rate, the Agent shall during the period of such suspension compute Base Rate without reference to clause (c) of the definition of "Base Rate". Upon any such prepayment or conversion, the Borrowers shall also pay any additional amounts required pursuant to Section 11.6.

(b) Laws Affecting Adjusted Eurodollar Rate, Daily Simple RFR and Term RFR Availability.

If, after the date hereof, the introduction of, or any change in, any applicable law or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any of the Lenders (or any of their respective Lending Offices) with any request or directive (whether or not having the force of law) of any such Governmental Authority, central bank or comparable agency, shall make it unlawful or impossible for any of the Lenders (or any of their respective Lending Offices) to honor its obligations hereunder to make or maintain any applicable RFR Loan, any Daily Simple RFR Loan, Term RFR Loan or Eurodollar Fixed Rate Loan, or to determine or charge interest based upon any applicable RFR, Daily Simple RFR, Term RFR, Eurodollar Rate or Adjusted Eurodollar Rate, such Lender (the "Affected Lender") shall promptly give notice thereof to the Agent and the Agent shall promptly give notice to the Administrative Borrower and the other Lenders. Thereafter, until the Agent notifies the Administrative Borrower that such circumstances no longer exist, (i) any obligation of the Affected Lender to make RFR Loans or Eurodollar Fixed Rate Loans, as applicable, in the affected Currency or Currencies, and any right of the Borrowers to convert any Loan of such Affected Lender denominated in Dollars to an RFR Loan or a Eurodollar Fixed Rate Loan or continue any Loan as an RFR Loan or a Eurodollar Fixed Rate Loan, as applicable, in the

affected Currency or Currencies shall be suspended and (ii) if necessary to avoid such illegality, the Agent shall compute the Base Rate without reference to clause (c) of the definition of “Base Rate”, in each case until each such Affected Lender notifies the Agent and the Administrative Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (A) the Borrowers shall, if necessary to avoid such illegality, upon demand from any Affected Lender (with a copy to the Agent), prepay or, if applicable, (I) convert all RFR Loans or Eurodollar Fixed Rate Loans of such Affected Lender denominated in Dollars to Base Rate Loans or (II) convert all RFR Loans or Eurodollar Fixed Rate Loans of such Affected Lender denominated in an affected Alternate Currency to Base Rate Loans denominated in Dollars (in an amount equal to the Dollar Equivalent of such Alternate Currency) (in each case, if necessary to avoid such illegality, the Agent shall compute the Base Rate without reference to clause (c) of the definition of “Base Rate”), (1) with respect to Daily Simple RFR Loans, on the Interest Payment Date therefor, if all Affected Lenders may lawfully continue to maintain such Daily Simple RFR Loans to such day, or immediately, if any Affected Lender may not lawfully continue to maintain such Daily Simple RFR Loans to such day or (2) with respect to Eurodollar Fixed Rate Loans or Term RFR Loans, on the last day of the Interest Period therefor, if all Affected Lenders may lawfully continue to maintain such Eurodollar Fixed Rate Loans or Term RFR Loans, as applicable, to such day, or immediately, if any Affected Lender may not lawfully continue to maintain such Eurodollar Fixed Rate Loans or Term RFR Loans, as applicable, to such day and (B) if necessary to avoid such illegality, the Agent shall during the period of such suspension compute the Base Rate without reference to clause (c) of the definition of “Base Rate”, in each case until the Agent is advised in writing by each affected Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon Daily Simple RFR, Term RFR, the Eurodollar Rate or Adjusted Eurodollar Rate, as applicable. Upon any such prepayment or conversion, the Borrowers shall also pay any additional amounts required pursuant to Section 11.6.

(c) Benchmark Replacement Setting.

(i) Benchmark Replacement.

(A) Notwithstanding anything to the contrary herein or in any other Loan Document, if the USD LIBOR Transition Date has occurred prior to the Reference Time in respect of any setting of the Adjusted Eurodollar Rate for Dollars, then (x) if a Benchmark Replacement is determined in accordance with clause (b)(1) or (b)(2) of the definition of “Benchmark Replacement” for the USD LIBOR Transition Date, such Benchmark Replacement will replace the then-current Benchmark with respect to Obligations, interest, fees, commissions or other amounts denominated in, or calculated with respect to, Dollars for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (b)(3) of the definition of “Benchmark Replacement” for the USD LIBOR Transition Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders.

(B) Notwithstanding anything to the contrary herein or in any other Loan Document, upon the occurrence of a Benchmark Transition Event with respect to any Benchmark, the Agent and the Administrative Borrower may amend this Agreement to

replace such Benchmark with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. on the fifth (5th) Business Day after the Agent has posted such proposed amendment to all affected Lenders and the Administrative Borrower so long as the Agent has not received, by such time, written notice of objection to such amendment from Lenders comprising the Required Lenders. No replacement of a Benchmark with a Benchmark Replacement pursuant to this Section 3.5(c)(i)(B) will occur prior to the applicable Benchmark Transition Start Date.

(C) Notwithstanding anything to the contrary herein or in any other Loan Document and subject to the proviso below in this paragraph, if a Term RFR Transition Date has occurred prior to the Reference Time in respect of any setting of the then-current Benchmark consisting of a Daily Simple RFR (including a Daily Simple RFR implemented as a Benchmark Replacement pursuant to Section 3.5(c)(i)(A) or Section 3.5(c)(i)(B)) for the applicable Currency, then the applicable Benchmark Replacement will replace such Benchmark for all purposes hereunder or under any Loan Document in respect of such Benchmark for the applicable Currency setting and subsequent Benchmark settings, without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document; provided that this clause (C) shall not be effective unless the Agent has delivered to the Lenders and the Administrative Borrower a Term RFR Notice with respect to the applicable Term RFR Transition Event. For the avoidance of doubt, the Agent shall not be required to deliver a Term RFR Notice after a Term RFR Transition Event and may elect or not elect to do so in its sole discretion.

(ii) Benchmark Replacement Conforming Changes. In connection with the implementation of a Benchmark Replacement, the Agent will have the right (in consultation with the Borrower) to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(iii) Notices; Standards for Decisions and Determinations. The Agent will promptly notify the Administrative Borrower and the Lenders of (A) the implementation of any Benchmark Replacement and (B) the effectiveness of any Benchmark Replacement Conforming Changes. The Agent will promptly notify the Administrative Borrower of the removal or reinstatement of any tenor of a Benchmark pursuant to Section 3.5(c)(iv). Any determination, decision or election that may be made by the Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 3.5(c), including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 3.5(c).

(iv) Unavailability of Tenor of Benchmark. Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (A) if any then-current Benchmark is a term rate (including any Term RFR or Adjusted Eurodollar Rate) and either (I) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Agent in its reasonable discretion or (II) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Agent

may modify the definition of “Interest Period” (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (B) if a tenor that was removed pursuant to clause (A) above either (I) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (II) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Agent may modify the definition of “Interest Period” (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(v) Benchmark Unavailability Period. Upon the Administrative Borrower’s receipt of notice of the commencement of a Benchmark Unavailability Period with respect to a given Benchmark, the Administrative Borrower may revoke any pending request for a borrowing of, conversion to or continuation of RFR Loans or Eurodollar Fixed Rate Loans, in each case, to be made, converted or continued during any Benchmark Unavailability Period denominated in the applicable Currency and, failing that, (A)(I) in the case of any request for any affected RFR Loans or a Eurodollar Fixed Rate Loans, in each case, denominated in Dollars, if applicable, the Administrative Borrower will be deemed to have converted any such request into a request for a borrowing of or conversion to Base Rate Loans in the amount specified therein and (II) in the case of any request for any affected RFR Loan or Eurodollar Fixed Rate Loan, in each case, in an Alternate Currency, if applicable, then such request shall be ineffective and (B)(I) any outstanding affected RFR Loans or Eurodollar Fixed Rate Loans, in each case, denominated in Dollars, if applicable, will be deemed to have been converted into Base Rate Loans immediately or, in the case of Term RFR Loans or Eurodollar Fixed Rate Loans, at the end of the applicable Interest Period and (II) any outstanding affected RFR Loans or Eurodollar Fixed Rate Loans, in each case, denominated in an Alternate Currency, at the Borrower’s election, shall either (1) be converted into Base Rate Loans denominated in Dollars (in an amount equal to the Dollar Equivalent of such Alternate Currency) immediately or, in the case of Term RFR Loans or Eurodollar Fixed Rate Loans, at the end of the applicable Interest Period or (2) be prepaid in full immediately or, in the case of Term RFR Loans or Eurodollar Fixed Rate Loans, at the end of the applicable Interest Period; provided that, with respect to any Daily Simple RFR Loan, if no election is made by the Borrowers by the date that is three (3) Business Days after receipt by the Administrative Borrower of such notice, the Borrowers shall be deemed to have elected clause (1) above; provided, further that, with respect to any Eurodollar Fixed Rate Loan or Term RFR Loan, if no election is made by the Administrative Borrower by the earlier of (x) the date that is three (3) Business Days after receipt by the Administrative Borrower of such notice and (y) the last day of the current Interest Period for the applicable Eurodollar Fixed Rate Loan or Term RFR Loan, the Borrowers shall be deemed to have elected clause (1) above. Upon any such prepayment or conversion, the Borrowers shall also pay accrued interest on the amount so prepaid or converted, together with any additional amounts required pursuant to Section 11.6. During a Benchmark Unavailability Period with respect to any Benchmark or at any time that a tenor for any then-current Benchmark is not an Available Tenor, the component of Base Rate based upon the then-current Benchmark that is the subject of such Benchmark Unavailability Period or such tenor for such Benchmark, as applicable, will not be used in any determination of Base Rate.

(d) Illegality. If, in any applicable jurisdiction, the Agent, any Fronting Lender or any Lender determines that any applicable law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for the Agent, any Fronting Lender or any Lender to issue, make, maintain, fund or charge interest or fees with respect to any Credit Event to any Foreign Borrower, such Person shall promptly notify the Agent, then, upon the Agent notifying the Administrative Borrower, and until such notice by such Person is revoked, any obligation of such Person to issue, make, maintain, fund or charge interest or fees with respect to any such Credit Event to such Foreign Borrower shall be suspended, and to the extent

required by applicable law, cancelled. Upon receipt of such notice, the Credit Parties shall, (A) repay that Person's participation in the Loans or other applicable Obligations on the applicable Interest Payment Date for any Daily Simple RFR Loan or on last day of the Interest Period for any Eurodollar Fixed Rate Loan or Term RFR Loan, or on another applicable date with respect to another Obligation, occurring after the Agent has notified the Administrative Borrower or, in each case, if earlier, the date specified by such Person in the notice delivered to the Agent (being no earlier than the last day of any applicable grace period permitted by applicable law) and (B) take all reasonable actions requested by such Person to mitigate or avoid such illegality.

(e) Alternate Currencies. If any change in currency controls or exchange regulations or any change in national or international financial, political or economic conditions are imposed in the country in which such currency is issued, and such change results in, in the reasonable opinion of the Agent (i) such currency no longer being readily available, freely transferable and convertible into Dollars, (ii) a Dollar Equivalent no longer being readily calculable with respect to such currency, (iii) such currency being impracticable for the Lenders to loan or (iv) such currency no longer being a currency in which the Required Lenders are willing to make Credit Events (each of clauses (i), (ii), (iii) and (iv), a "Disqualifying Event"), then the Agent shall promptly notify the Lenders and the Administrative Borrower, and such currency shall no longer be an Alternate Currency until such time as the Disqualifying Event(s) no longer exist. Within five (5) Business Days after receipt of such notice from the Agent, the Borrowers shall repay all Loans denominated in such currency to which the Disqualifying Event(s) apply or convert such Loans into the Dollar Equivalent in Dollars, bearing interest at the Base Rate, subject to the other terms contained herein.

Section 3.6 Discretion of Lenders as to Manner of Funding. Notwithstanding any provision of this Agreement to the contrary, each Lender shall be entitled to fund and maintain its funding of all or any part of such Lender's Loans in any manner such Lender deems to be appropriate; it being understood, however, that for the purposes of this Agreement all determinations hereunder shall be made as if such Lender had actually funded and maintained each Transitioned RFR Loan or Alternate Currency Loan during the applicable Interest Period for such Loan through the purchase of deposits having a maturity corresponding to such Interest Period and bearing an interest rate equal to the Transitioned RFR Rate for such Interest Period. In addition, each Lender may, at its option, fund its portion of a Loan requested by a Foreign Borrower to Agent by causing any foreign or domestic branch or affiliate of such Lender to provide such funding; provided that any exercise of such option shall not affect the obligation of such Foreign Borrower to repay such Loan in accordance with the terms of this Agreement, and such Lender and its affiliate or branch shall cooperate and communicate with Agent in order to coordinate such arrangement.

Section 3.7 Cash Collateral. At any time that there shall exist a Defaulting Lender, within two Business Days following the written request of Agent, any Fronting Lender (with a copy to Agent) or the Swing Line Lender (with a copy to Agent), the Borrowers shall Cash Collateralize the Fronting Exposure of such Fronting Lender and/or the Swing Line Lender, as applicable, with respect to such Defaulting Lender (determined after giving effect to Section 3.8(a)(iv) hereof and any Cash Collateral provided by such Defaulting Lender) in an amount not less than the Minimum Collateral Amount.

(a) Grant of Security Interest. The Borrowers, and to the extent provided by any Defaulting Lender, such Defaulting Lender, hereby grant to Agent, for the benefit of each Fronting Lender and the Swing Line Lender, and agrees to maintain, a first priority security interest (other than any Liens permitted hereunder arising by operation of law) in all such Cash Collateral as security for the Defaulting Lender's obligation to fund participations in respect of Letter of Credit Exposure and Swing Loans, to be applied pursuant to subsection (b) below. If at any time Agent determines that Cash Collateral is subject to any right or claim of any Person other than Agent, each Fronting Lender and the Swing Line Lender as herein provided (other than any Liens permitted hereunder arising by operation of law), or that the total amount of such Cash Collateral is less than the Minimum Collateral Amount, the Borrowers will, promptly upon

demand by Agent, pay or provide to Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency (after giving effect to any Cash Collateral provided by the Defaulting Lender).

(b) Application. Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under this Section 3.7 or Section 3.8 hereof in respect of Letter of Credit Exposure and Swing Loans shall be applied to the satisfaction of the Defaulting Lender's obligation to fund participations in respect of Letters of Credit and Swing Loans (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) for which the Cash Collateral was so provided, prior to any other application of such property as may otherwise be provided for herein.

(c) Termination of Requirement. Cash Collateral (or the appropriate portion thereof) provided to reduce the Fronting Exposure of any Fronting Lender and/or Swing Line Lender, as applicable, shall no longer be required to be held as Cash Collateral pursuant to this Section 3.7 following (i) the elimination of the applicable Fronting Exposure (including by the termination of Defaulting Lender status of the applicable Lender), or (ii) the good faith determination by Agent, the Fronting Lenders and the Swing Line Lender that there exists excess Cash Collateral; provided that, subject to Section 3.8 hereof, the Person providing Cash Collateral, the Fronting Lenders and the Swing Line Lender may agree that Cash Collateral shall be held to support future anticipated Fronting Exposure or other obligations; and provided further that to the extent that such Cash Collateral was provided by the Borrowers, such Cash Collateral shall remain subject to the security interest granted pursuant to the Loan Documents to the extent required by the Loan Documents.

Section 3.8 Defaulting Lenders.

(a) Defaulting Lender Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of Required Lenders.

(ii) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise) or received by Agent from a Defaulting Lender pursuant to Section 8.4 hereof shall be applied at such time or times as may be determined by Agent and, where relevant, the Administrative Borrower, as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to Agent hereunder; *second*, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to the Fronting Lenders or the Swing Line Lender hereunder; *third*, if so determined by Agent, the Swing Line Lender and/or the Fronting Lender, to Cash Collateralize the Fronting Exposure of the Fronting Lenders and/or the Swing Line Lender with respect to such Defaulting Lender in accordance with Section 3.7 hereof; *fourth*, as the Administrative Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan or funded participation in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by Agent; *fifth*, if so determined by Agent and the Administrative Borrower, to be held in a deposit account and released pro rata in order to (A) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans and funded participations under this Agreement and (B) Cash Collateralize the Fronting Lenders' future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit and Swing Loans issued under this Agreement, in accordance with Section 3.7 hereof; *sixth*, to the payment of any amounts owing to

the Lenders, the Fronting Lenders or the Swing Line Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, any Fronting Lender or the Swing Line Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *seventh*, so long as no Default or Event of Default exists, to the payment of any amounts owing to any Borrower as a result of any judgment of a court of competent jurisdiction obtained by a Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *eighth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (1) such payment is a payment of the principal amount of any Loans or funded participations in Letters of Credit or Swing Loans in respect of which such Defaulting Lender has not fully funded its appropriate share, and (2) such Loans were made or the related Letters of Credit or Swing Loans were issued at a time when the conditions set forth in Section 4.1 hereof were satisfied or waived, such payment shall be applied solely to pay the Loans of, and funded participations in Letters of Credit or Swing Loans owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or funded participations in Letters of Credit or Swing Loans owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in Letter of Credit Exposure and Swing Loans are held by the Lenders pro rata in accordance with the Revolving Credit Commitments without giving effect to Section 3.8(a)(iv) hereof. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 3.8(a)(ii) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees.

(A) No Defaulting Lender shall be entitled to receive any commitment fees pursuant to Section 2.8(a) for any period during which that Lender is a Defaulting Lender (and the Borrowers shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender).

(B) Each Defaulting Lender shall be entitled to receive letter of credit commissions pursuant to Section 2.2(b)(iii) for any period during which that Lender is a Defaulting Lender only to the extent allocable to its Revolving Credit Commitment Percentage of the stated amount of Letters of Credit for which it has provided Cash Collateral pursuant to Section 3.7.

(C) With respect to any commitment fee or letter of credit commission not required to be paid to any Defaulting Lender pursuant to clause (A) or (B) above, the Borrowers shall (1) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in Letter of Credit Exposure or Swing Loans that has been reallocated to such Non-Defaulting Lender pursuant to clause (iv) below, (2) pay to each applicable Fronting Lender and Swing Line Lender, as applicable, the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to such Fronting Lender's or Swing Line Lender's Fronting Exposure to such Defaulting Lender, and (3) not be required to pay the remaining amount of any such fee.

(iv) Reallocation of Participations to Reduce Fronting Exposure. All or any part of such Defaulting Lender's participation in Letter of Credit Exposure and Swing Loans shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Revolving Credit Commitment Percentages (calculated without regard to such Defaulting Lender's Revolving

Credit Commitment) but only to the extent that such reallocation does not cause the aggregate Revolving Credit Exposure of any Non-Defaulting Lender to exceed such Non-Defaulting Lender's Revolving Credit Commitment. Subject to Section 11.23 hereof, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(v) Cash Collateral, Repayment of Swing Loans. If the reallocation described in clause (iv) above cannot, or can only partially, be effected, the Borrowers shall, without prejudice to any right or remedy available to it hereunder or under law, within two Business Days following notice from Agent (x) *first*, repay Swing Loans in an amount equal to the Swing Line Lenders' Fronting Exposure and (y) *second*, Cash Collateralize the Fronting Lenders' Fronting Exposure in accordance with the procedures set forth in Section 3.7.

(b) Defaulting Lender Cure. If the Administrative Borrower, Agent, the Fronting Lenders and the Swing Line Lender agree in writing that a Lender is no longer a Defaulting Lender, Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), such Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit and Swing Loans to be held pro rata by the Lenders in accordance with the Commitments under the applicable credit facility hereunder (without giving effect to Section 3.8(a)(iv)), whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrowers while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

Each Domestic Subsidiary (that is not an Excluded Subsidiary) created, acquired or held subsequent to the Closing Date, shall promptly (and, in any event on or prior to the date that is sixty (60) days after such creation or acquisition thereof, as such time period may be extended by Agent in its sole discretion) execute and deliver to Agent, for the benefit of the Secured Parties, a Guaranty of Payment (or a Guaranty of Payment Joinder) of all of the Secured Obligations and a Security Agreement (or a Security Agreement Joinder), such agreements to be prepared by Agent and in form and substance acceptable to Agent, along with any such other supporting documentation, Security Documents, corporate governance and authorization documents, and an opinion of counsel as may be deemed necessary or advisable by Agent.

(b) [Reserved].

(c) Pledge of Stock or Other Ownership Interest. With respect to the creation or acquisition of a First-Tier Material Foreign Subsidiary, or any Foreign Subsidiary otherwise becomes a First-Tier Material Foreign Subsidiary, US Borrower or the appropriate Domestic Guarantor of Payment shall, unless such pledge would cause it to incur, directly or indirectly, an unreasonable amount of economic, legal, tax or regulatory harm, as determined by Agent after consultation with US Borrower, (i) execute a Security Agreement and, in connection therewith, pledge to Agent (A) sixty-five percent (65%) of the voting shares of capital stock or other voting equity interests of such First-Tier Material Foreign Subsidiary, and (B) one hundred percent (100%) of all non-voting shares of capital stock or other non-voting equity interests of such First-Tier Material Foreign Subsidiary, and (ii) deliver to Agent all of the share certificates, if certificated, or other evidence of equity representing such pledged ownership interests. In the event any voting shares of capital stock or other voting equity interests of any First-Tier Material Foreign Subsidiary have been pledged to Agent pursuant to this clause (c) and such First-Tier Material Foreign Subsidiary, for any reason permitted by this Agreement, ceases to be a First-Tier Material Foreign Subsidiary, at the request and expense of US Borrower, Agent shall release the pledged ownership interests of such First-Tier Material Foreign Subsidiary and shall deliver to US Borrower any share certificates, if such First-Tier Material Foreign Subsidiary is certificated, or other evidence of equity representing such pledged ownership interests.

(d) Perfection or Registration of Interest in Foreign Shares. With respect to any foreign shares pledged to Agent, for the benefit of the Secured Parties, on or after the Closing Date, Agent shall at all times, in the discretion of Agent, have the right to perfect, at US Borrower's cost, payable upon request therefor (including, without limitation, any foreign counsel, or foreign notary, filing, registration or similar, fees, costs or expenses), its security interest in such shares in the respective foreign jurisdiction; provided that, prior to the First FB Addition Date, Agent shall not perfect its security interests in any shares of a first-tier Foreign Subsidiary that is not a First-Tier Material Foreign Subsidiary. Such perfection may include the requirement that the applicable Company promptly execute and deliver to Agent a separate pledge

document (prepared by Agent and in form and substance satisfactory to Agent), covering such equity interests, that conforms to the requirements of the applicable foreign jurisdiction, together with an opinion of local counsel as to the perfection of the security interest provided for therein, and all other documentation necessary or desirable to effect the foregoing and to permit Agent to exercise any of its rights and remedies in respect thereof. In exercising such discretion, Agent shall take into consideration, after consultation with Administrative Borrower, the costs and benefits of perfecting its security interest in such equity interests in the applicable foreign jurisdiction. In the event any foreign shares are pledged and perfected pursuant to this clause (d), US Borrower may, from time to time, request that the Required Lenders, in their sole discretion, terminate and release, at the expense of US Borrower, such pledge and the security interest perfected thereby.

(e) Excluded Subsidiary Status. With respect to a Subsidiary that has been classified as an Excluded Subsidiary, at such time that such Subsidiary no longer meets the requirements of an Excluded Subsidiary, Administrative Borrower shall provide to Agent prompt written notice thereof, and shall provide, with respect to such Subsidiary, all of the documents required by this Section 5.21.

Section 5.22 Restrictive Agreements. Borrowers shall not, and shall not permit any of their Subsidiaries to, (a) enter into any contract or agreement that would prohibit Agent or the Lenders from acquiring a security interest, mortgage or other Lien on, or a collateral assignment of, any of the property or assets of such Company or (b) directly or indirectly, create or otherwise cause or suffer to exist or become effective any encumbrance or restriction on the ability of any Subsidiary to (x) make, directly or indirectly, any Capital Distribution to the US Borrower, (y) make, directly or indirectly, loans or advances or capital contributions to the US Borrower or (z) transfer, directly or indirectly, any of the properties or assets of such Subsidiary to the US Borrower; except in each case for such encumbrances or restrictions existing under or by reason of:

- (i) this Agreement and the other Loan Documents;
- (ii) applicable law;
- (iii) customary non-assignment provisions in leases or other agreements entered in the ordinary course of business and consistent with past practices;
- (iv) customary restrictions in loan agreements, security agreements, mortgages or other loan documents in respect of secured Indebtedness, or capital leases, of a Company, in each case, solely to the extent such secured Indebtedness is permitted hereunder, to the extent such restrictions shall only restrict the transfer or encumbrance of the property subject to such security agreement, mortgage or lease;
- (v) obligations that are binding on a Subsidiary at the time such Subsidiary first becomes a Subsidiary of US Borrower, so long as such obligations are not entered into in contemplation of such Person becoming a Subsidiary;
- (vi) agreements related to the sale of property that limit the transfer of such property pending the consummation of such sale or any restriction on a Subsidiary imposed pursuant to an agreement entered into for the sale or disposition of the equity interests or assets of a Subsidiary, in each case to the extent such sale is permitted pursuant to Section 5.12;
- (vii) customary provisions restricting assignment of any agreement entered into in the ordinary course of business;

(viii) customary provisions in joint venture agreements and other similar agreements applicable to joint ventures, including any loan agreements or other agreements relating to Indebtedness of such joint ventures, and applicable only to such joint venture and equity interests therein;

(ix) solely in the case of clause (b) above, encumbrances or restrictions arising under any unsecured indebtedness that are not more restrictive, taken as a whole, in any material respect than the encumbrances or restrictions under this Agreement, and

(x) a contract or agreement entered into in connection with (A) the purchase or lease of fixed assets that prohibits Liens and restricts the transfer on such fixed assets, or (B) the incurrence of Indebtedness permitted pursuant to Section 5.8(d), (i) or (j), so long as the applicable restrictions and prohibitions apply only to the obligors under such Indebtedness and their respective subsidiaries.

Section 5.23 Pari Passu Ranking. The Obligations shall, and Borrowers shall take all necessary action reasonably requested by Agent to ensure that the Obligations shall, at all times, rank at least pari passu in right of payment with all other senior Indebtedness of each Borrower.

Section 5.24 Guaranty Under Material Indebtedness Agreement. No Company shall be or become a primary obligor or Guarantor of the Indebtedness incurred pursuant to any Material Indebtedness Agreement unless such Company shall also be a Guarantor of Payment under this Agreement prior to or concurrently therewith.

Section 5.25 Amendment of Organizational Documents. Without the prior written consent of Agent, no Credit Party shall amend, modify or change its Organizational Documents in any manner materially adverse to the Lenders.

Section 5.26 Fiscal Year of Borrowers. No Borrower shall change the date of its fiscal year end without the prior written consent of Agent and the Required Lenders. As of the Closing Date, the fiscal year end of each Borrower is December 31 of each year.

Section 5.27 Further Assurances. Borrowers shall, and shall cause each other Credit Party to, promptly upon request by Agent, or the Required Lenders through Agent, (a) correct any material defect or error that may be discovered in any Loan Document or in the execution, acknowledgment, filing or recordation thereof, and (b) do, execute, acknowledge, deliver, record, re-record, file, re-file, register and re-register any and all such further acts, deeds, certificates, assurances and other instruments related to the Collateral as Agent, or the Required Lenders through Agent, may reasonably require from time to time in order to carry out more effectively the purposes of the Loan Documents.

Section 5.28 Anti-Corruption Laws; Beneficial Ownership Regulation, Anti-Money Laundering Laws and Sanctions.

(a) The Borrowers will maintain in effect and enforce policies and procedures reasonably designed to promote and achieve compliance by the Borrowers, their respective Subsidiaries and their respective directors, officers, employees and agents with all Anti-Corruption Laws, Anti-Money Laundering Laws and applicable Sanctions.

(b) The Borrowers will (i) promptly upon the reasonable request of Agent or any Lender, provide directly to Agent or such Lender, as the case may be, any information or documentation requested by it for purposes of complying with the Beneficial Ownership Regulation and (ii) notify Agent and each

Lender that previously received a Beneficial Ownership Certification of any change in the information provided in the Beneficial Ownership Certification that would result in a change to the list of beneficial owners identified therein.

(c) No Borrower will request any Loan or Letter of Credit, and no Borrower shall use, and shall not permit its Subsidiaries and its or their respective directors, officers and employees, or to the knowledge of the Borrowers, their agents to use, the proceeds of any Credit Event, directly or indirectly, (i) in furtherance of an offer, payment, promise to pay, or authorization of the payment or giving of money, or anything else of value, to any Person in violation of any Anti-Corruption Laws, (ii) for the purpose of funding, financing or facilitating any activities, business or transaction of or with any Sanctioned Person, or in any Sanctioned Country in violation of any Sanctions applicable to any party to this Agreement, or (iii) in any manner that would result in the violation of any Sanctions applicable to any party hereto.

ARTICLE VI. REPRESENTATIONS AND WARRANTIES

Section 6.1 Corporate Existence; Subsidiaries; Foreign Qualification. Each Company is duly organized, validly existing and in good standing (or comparable concept in the applicable jurisdiction) under the laws of its state or jurisdiction of incorporation or organization, and is duly qualified and authorized to do business and is in good standing (or comparable concept in the applicable jurisdiction) as a foreign entity in any states or jurisdictions where the character of its property or its business activities makes such qualification necessary, except where a failure to so qualify would not reasonably be expected to have a Material Adverse Effect. Schedule 6.1 hereto sets forth, as of the Sixth Amendment Effective Date, each Subsidiary of a Borrower (and whether such Subsidiary is a Dormant Subsidiary), its state (or jurisdiction) of formation, its relationship to a Borrower, including the percentage of each class of stock or other equity interest owned by a Company, the location of its chief executive office and its principal place of business. Except as set forth on Schedule 6.1 hereto, as of the Sixth Amendment Effective Date, each Borrower, directly or indirectly, owns all of the equity interests of each of its Subsidiaries (excluding directors' qualifying shares and, in the case of Foreign Subsidiaries, other nominal amounts of shares held by a Person other than a Company). No Credit Party nor any Subsidiary is an Affected Financial Institution.

Section 6.2 Corporate Authority. Each Credit Party has the right and power and is duly authorized and empowered to enter into, execute and deliver the Loan Documents to which it is a party and to perform and observe the provisions of the Loan Documents. The Loan Documents to which each Credit Party is a party have been duly authorized and approved by such Credit Party's board of directors or other governing body, as applicable, and are the valid and binding obligations of such Credit Party, enforceable against such Credit Party in accordance with their respective terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law. The execution, delivery and performance of the Loan Documents do not conflict with, result in a breach in any of the provisions of, constitute a default under, or result in the creation of a Lien (other than Liens permitted under Section 5.9 hereof) upon any assets or property of any Company under the provisions of, such Company's Organizational Documents or any material agreement to which such Company is a party.

Section 6.3 Compliance with Laws and Contracts.

(a) Each Company holds permits, certificates, licenses, orders, registrations, franchises, authorizations, and other approvals from any Governmental Authority reasonably necessary for the conduct of its business and is in compliance with all applicable laws relating thereto, except where the failure to do so would not have a Material Adverse Effect.

(b) Each Company is in compliance with all federal, state, local, or foreign applicable statutes, rules, regulations, and orders including, without limitation, those relating to environmental protection, occupational safety and health, and equal employment practices, except where the failure to be in compliance would not have a Material Adverse Effect.

(c) No Company is in violation of or in default under any agreement to which it is a party or by which its assets are subject or bound, except with respect to any violation or default that could not reasonably be expected to result in a Material Adverse Effect.

(d) None of the Companies or their respective Subsidiaries, any of their respective directors, officers, or to the knowledge of the Companies, any of their respective employees or affiliates, or to the knowledge of US Borrower, any agent or representative of the Companies that will act in any capacity in connection with or benefit from the Loans or Letters of Credit, (i) is a Sanctioned Person or currently the subject or target of any Sanctions, (ii) has its assets located in a Sanctioned Country in violation of any Sanctions applicable to any party to this Agreement, (iii) directly or indirectly derives revenues from investments in, or transactions with, Sanctioned Persons in violation of any Sanctions applicable to any party to this Agreement, (iv) has taken any action, directly or indirectly, that would result in a violation by such Persons of any Anti-Corruption Laws or Anti-Money Laundering Laws or (v) has violated the Patriot Act, except with respect to this clause (v) where such violation could not reasonably be expected to result in a Material Adverse Effect. Each of the Companies, and to the knowledge of the Companies, each director, officer, employee, agent and Affiliate of the Companies, is in compliance with all Sanctions.

(e) No proceeds of any Loans or Letters of Credit have been used, directly or indirectly, by the Borrowers, any of their respective Subsidiaries or any of its or their respective directors, officers, employees and agents (i) in violation of any Anti-Corruption Laws or any Anti-Money Laundering Laws, (ii) for the purpose of funding, financing or facilitating any activities, business or transaction of or with any Sanctioned Person, or in any Sanctioned Country, including any payments (directly or knowingly, indirectly) to a Sanctioned Person or a Sanctioned Country or (iii) in any manner that would result in the violation of any Sanctions applicable to any party hereto.

(f) Each of the Companies has implemented and maintains in effect policies and procedures designed to ensure compliance by the Companies and their respective directors, officers, employees, and agents with the Anti-Corruption Laws, Anti-Money Laundering Laws and applicable Sanctions. Each of the Companies, and to the knowledge of the Companies, each director, officer, employee, agent and Affiliate of the Companies, is in compliance with the Anti-Corruption Laws and Anti-Money Laundering Laws, except where such non-compliance could not reasonably be expected to result in a Material Adverse Effect.

Section 6.4 Litigation and Administrative Proceedings. Except as disclosed on Schedule 6.4 hereto, there are (a) no lawsuits, actions, investigations, examinations or other proceedings pending or threatened against any Company, or in respect of which any Company may have any liability, in any court or before or by any Governmental Authority, arbitration board, or other tribunal, (b) no orders, writs, injunctions, judgments, or decrees of any court or Governmental Authority to which any Company is a party or by which the property or assets of any Company are bound, and (c) no grievances, disputes, or controversies outstanding with any union or other organization of the employees of any Company, or threats of work stoppage, strike, or pending demands for collective bargaining, in each case other than those that could not reasonably be expected to result in a Material Adverse Effect.

Section 6.5 Title to Assets. Each Company has good title to and ownership of all property it purports to own as is necessary to the conduct of its business, which property is free and clear of all Liens, except those permitted under Section 5.9 hereof.

Section 6.6 Liens and Security Interests. On and after the Closing Date, except for Liens permitted pursuant to Section 5.9 hereof, (a) there is and will be no U.C.C. Financing Statement or similar notice of Lien outstanding covering any personal property of any Company; (b) there is and will be no mortgage outstanding covering any real property of any Company; and (c) no real or personal property of any Company is subject to any Lien of any kind. Agent, for the benefit of the Secured Parties, upon the filing of the U.C.C. Financing Statements and taking such other actions necessary to perfect its Lien against Collateral of the corresponding type as authorized hereunder will have a valid and enforceable first consensual Lien on the Collateral.

Section 6.7 Tax Returns. All federal, state, provincial and all material local tax returns and other reports required by law to be filed in respect of the income, business, properties and employees of each Company have been filed and all taxes, assessments, fees and other governmental charges that are due and payable have been paid, except as otherwise permitted herein and with respect to foreign tax returns, except as may be filed beyond the due date without material penalties and except to the extent that the failure to pay such amounts could not reasonably be expected to result in a Material Adverse Effect. The provision for taxes on the books of each Company is adequate for all years not closed by applicable statutes and for the current fiscal year.

Section 6.8 Environmental Laws. Each Company is in compliance with all Environmental Laws, including, without limitation, all Environmental Laws in all jurisdictions in which any Company owns or operates, or has owned or operated, a facility or site, arranges or has arranged for disposal or treatment of hazardous substances, solid waste or other wastes, accepts or has accepted for transport any hazardous substances, solid waste or other wastes or holds or has held any interest in real property or otherwise, expect where the failure to be in compliance could reasonably be expected to have a Material Adverse Effect. No litigation or proceeding arising under, relating to or in connection with any Environmental Law or Environmental Permit is pending or, to the best knowledge of each Company, threatened, against any Company, any real property in which any Company holds or has held an interest or any past or present operation of any Company that could reasonably be expected to have a Material Adverse Effect. No release, threatened release or disposal of hazardous waste, solid waste or other wastes is occurring, or has occurred (other than those that are currently being remediated in accordance with Environmental Laws), on, under or to any real property in which any Company holds any interest or performs any of its operations, in violation of any Environmental Law that could reasonably be expected to have a Material Adverse Effect. As used in this Section 6.8, “litigation or proceeding” means any demand, claim, notice, suit, suit in equity, action, administrative action, investigation or inquiry whether brought by any Governmental Authority or private Person, or otherwise.

Section 6.9 Locations. As of the Sixth Amendment Effective Date, Schedule 6.9 hereto, sets forth (a) the locations the Companies have places of business or maintain their accounts receivable, (b) the location of each Company’s chief executive office and (c) each location owned by the Companies.

Section 6.10 Continued Business. Except as described in US Borrower’s 10-K, 10-Q or other public filings with the SEC, there exists no actual, pending, or, to each Borrower’s knowledge, any threatened termination, cancellation or limitation of, or any modification or change in the business relationship of any Company and any customer or supplier, or any group of customers or suppliers, which termination, cancellation or limitation would have a Material Adverse Effect, and there exists no present condition or state of facts or circumstances that would have a Material Adverse Effect or prevent a Company from conducting such business or the transactions contemplated by this Agreement in substantially the same manner in which it was previously conducted.

Section 6.11 Employee Benefits Plans.

(a) US Employee Benefit Plans. Schedule 6.11 hereto identifies each ERISA Plan as of the Sixth Amendment Effective Date. No ERISA Event that could reasonably be expected to result in a Material Adverse Effect has occurred or is reasonably expected to occur with respect to an ERISA Plan. No Controlled Group member has failed to make a required installment or other required payment under Section 412(a) of the Code on or before the due date or within a reasonable time after such due date that could reasonably be expected to result in a Material Adverse Effect. No Controlled Group member has failed to make contributions to an ERISA Plan that is a Multiemployer Plan in accordance with the applicable governing documents which is reasonably likely to result in a Material Adverse Effect. No Multiemployer Plan has any accumulated funding deficiency (as defined in Sections 412(a) and 431(a) of the Code) that could reasonably be expected to result in a Material Adverse Effect. Except as could not reasonably be expected to result in a Material Adverse Effect, with respect to each ERISA Plan (other than a Multiemployer Plan) that is intended to be qualified under Code Section 401(a), (i) the ERISA Plan and any associated trust operationally comply (or as soon as reasonably practicable are corrected to comply) with the applicable requirements of Code Section 401(a); (ii) the ERISA Plan and any associated trust have been amended to comply with all such requirements as currently in effect, other than those requirements for which a retroactive amendment can be made within the “remedial amendment period” available under Code Section 401(b) (as extended under Treasury Regulations and other Treasury pronouncements upon which taxpayers may rely); (iii) each ERISA Plan and any associated trust have received a favorable determination letter from the Internal Revenue Service stating that the ERISA Plan qualifies under Code Section 401(a), that the associated trust qualifies under Code Section 501(a) and, if applicable, that any cash or deferred arrangement under the ERISA Plan qualifies under Code Section 401(k), unless the ERISA Plan was first adopted at a time for which the above-described “remedial amendment period” has not yet expired; (iv) the ERISA Plan currently satisfies the requirements of Code Section 410(b), subject to any retroactive amendment that may be made within the above-described “remedial amendment period”; and (v) no contribution made to the ERISA Plan is subject to an excise tax under Code Section 4972. With respect to any Pension Plan, the “accumulated benefit obligation” of Controlled Group members with respect to the Pension Plan (as determined in accordance with Statement of Accounting Standards No. 87, “Employers’ Accounting for Pensions”) does not exceed the fair market value of Pension Plan assets by an amount that would have a Material Adverse Effect. No Borrower is or will be using “plan assets” (within the meaning of 29 CFR § 2510.3-101, as modified by Section 3(42) of ERISA) of one or more Benefit Plans in connection with the Loans, the Letters of Credit or the Commitments.

(b) Foreign Pension Plan and Benefit Plans. As of the Sixth Amendment Effective Date, Schedule 6.11 hereto lists all Foreign Benefit Plans and Foreign Pension Plans currently maintained or contributed to by US Borrower and any appropriate Foreign Subsidiaries. The Foreign Pension Plans are duly registered under all applicable laws which require registration, except as could not reasonably be expected to result in a Material Adverse Effect. US Borrower and any appropriate Foreign Subsidiaries have complied with and performed all of its obligations under and in respect of the Foreign Pension Plans and Foreign Benefit Plans under the terms thereof, any funding agreements and all applicable laws (including any fiduciary, funding, investment and administration obligations) except to the extent as would not reasonably be expected to have a Material Adverse Effect. All employer and employee payments, contributions or premiums to be remitted, paid to or in respect of each Foreign Pension Plan or Foreign Benefit Plan have been paid in a timely fashion in accordance with the terms thereof, any funding agreement and all applicable laws except to the extent the failure to do so would not reasonably be expected to have a Material Adverse Effect. There are no outstanding actions or suits concerning the assets of the Foreign Pension Plans or the Foreign Benefit Plans that could reasonably be expected to result in a Material Adverse Effect. Each of the Foreign Pension Plans is fully funded on an ongoing basis as required by all laws applicable to such Foreign Pension Plans (using actuarial methods and assumptions as of the date of the valuations last filed with the applicable Governmental Authorities and that are consistent with generally accepted actuarial principles).

Section 6.12 Consents or Approvals. No consent, approval or authorization of, or filing, registration or qualification with, any Governmental Authority or any other Person is required to be obtained or completed by any Company in connection with the execution, delivery or performance of any of the Loan Documents that has not already been obtained or completed.

Section 6.13 Solvency.

(a) US Borrower. US Borrower has received consideration that is the reasonably equivalent value of the obligations and liabilities that US Borrower has incurred to Agent and the Lenders. US Borrower is not insolvent as defined in any applicable state, federal or relevant foreign statute, nor will US Borrower be rendered insolvent by the execution and delivery of the Loan Documents to Agent and the Lenders. US Borrower is not engaged or about to engage in any business or transaction for which the assets retained by it are or will be an unreasonably small amount of capital, taking into consideration the obligations to Agent and the Lenders incurred hereunder. US Borrower does not intend to, nor does it believe that it will, incur debts beyond its ability to pay such debts as they mature.

(b) Foreign Borrowers. Each Foreign Borrower has received consideration that is the reasonable equivalent value of the obligations and liabilities that such Foreign Borrower has incurred to Agent and the Lenders. The property of each Foreign Borrower is (i) sufficient, if disposed of at a fairly conducted sale under legal process, to enable payment of all its obligations due and accruing due, and (ii) at a fair valuation, greater than the total amount of liabilities, including contingent liabilities, of such Foreign Borrower. No Foreign Borrower has ceased paying its current obligations in the ordinary course of business as they generally become due. No Foreign Borrower is for any reason (and will not by reason of the execution and delivery of the Loan Documents) unable to meet its obligations as they generally become due.

Section 6.14 Financial Statements. The Consolidated financial statements of US Borrower for the fiscal year ended December 31, 2012, and the unaudited Consolidated financial statements of US Borrower for the fiscal quarter ended March 31, 2013, furnished to Agent and the Lenders, are true and complete in all material respects, to the best knowledge of the Companies, have been prepared in accordance with GAAP, except for the absence of footnotes and subject to year-end adjustments consistent with past practice, and fairly present in all material respects the financial condition of the Companies as of the dates of such financial statements and the results of their operations for the periods then ending. Since the dates of such statements, there has been no material adverse change in any Company's financial condition, properties or business or any change in any Company's accounting procedures.

Section 6.15 Regulations. No Company is engaged principally or as one of its important activities, in the business of extending credit for the purpose of purchasing or carrying any "margin stock" (within the meaning of Regulation U of the FRB). None of the proceeds of any Loan (or any conversion thereof) or Letter of Credit will be used to purchase or carry margin stock or extend credit to others to purchase or carry margin stock, in each case, in any manner that will violate, or be inconsistent with, the provisions of Regulation T, U or X of the FRB.

Section 6.16 Material Agreements. Except as disclosed on Schedule 6.16 hereto, as of the Sixth Amendment Effective Date, no Company is a party to any (a) debt instrument (excluding the Loan Documents); (b) lease (capital, operating or otherwise), whether as lessee or lessor thereunder; (c) contract, commitment, agreement, or other arrangement involving the purchase or sale of any inventory by it, or the license of any right to or by it; (d) contract, commitment, agreement, or other arrangement with any of its "Affiliates" (as such term is defined in the Exchange Act) other than a Company; (e) management or employment contract or contract for personal services with any of its Affiliates that is not otherwise terminable at will or on less than ninety (90) days' notice without liability; (f) collective bargaining

agreement; or (g) other contract, agreement, understanding, or arrangement with a third party; that, as to subsections (a) through (g), the breach or termination of which could reasonably be expected to have a Material Adverse Effect.

Section 6.17 Intellectual Property. Each Company owns, or has the right to use, all of the material patents, patent applications, industrial designs, designs, trademarks, service marks, copyrights and licenses, and rights with respect to the foregoing, necessary for the conduct of its business without any known conflict with the rights of others that could, individually or in the aggregate, reasonably be expected to cause a Material Adverse Effect.

Section 6.18 Insurance. Each Company maintains with financially sound and reputable insurers insurance with coverage and limits as required by law and in accordance with sound business practices. Schedule 6.18 hereto sets forth all insurance carried by the Companies on the Sixth Amendment Effective Date, setting forth in detail the amount and type of such insurance.

Section 6.19 Deposit and Securities Accounts. US Borrower has provided to Agent a list of all banks, other financial institutions and Securities Intermediaries at which US Borrower and any Domestic Guarantor of Payment maintain Deposit Accounts or Securities Accounts as of the Closing Date, which list correctly identifies the name, address and telephone number of each such financial institution or Securities Intermediary, the name in which the account is held, a description of the purpose of the account, and the complete account number therefor.

Section 6.20 Accurate and Complete Statements. Neither the Loan Documents nor any written statement made by any Company in connection with any of the Loan Documents (other than any projections, forecasts, other forward-looking information, budgets, estimates and information of a general economic or industry specific nature) concerning the Companies, taken together as a whole (including any supplements and updates thereto theretofore delivered) with all other information made available (taken in combination with the information contained in US Borrower's filings with the SEC), when furnished, contained any untrue statement of a material fact or omitted to state a material fact necessary to make the statements contained therein or in the Loan Documents not misleading in light of the circumstances under which such statements are made (giving effect to all supplements and updates provided thereto). There is no known fact that any Company has not disclosed to Agent and the Lenders that has or is more than likely to have a Material Adverse Effect. As of the Sixth Amendment Effective Date, all of the information included in the Beneficial Ownership Certification is true and correct.

Section 6.21 Investment Company; Other Restrictions. No Company is (a) an "investment company" or a company "controlled" by an "investment company" within the meaning of the Investment Company Act of 1940, as amended, or (b) subject to any foreign, federal, state or local statute or regulation limiting its ability to incur Indebtedness.

Section 6.22 Defaults. No Default or Event of Default exists hereunder, nor will any begin to exist immediately after the execution and delivery hereof.

ARTICLE VII. EVENTS OF DEFAULT

Any of the following specified events shall constitute an Event of Default (each an "Event of Default") hereunder:

Section 7.1 Payments. If (a) the interest on any Loan, any commitment or other fee, or any other Obligation not listed in subpart (b) hereof, shall not be paid in full when due and payable or within

five Business Days thereafter, or (b) the principal of any Loan or any obligation under any Letter of Credit shall not be paid in full when due and payable.

Section 7.2 Special Covenants. If any Company shall fail or omit to perform and observe Section 5.7, 5.8, 5.9, 5.11, 5.12, 5.13 or 5.15 hereof.

Section 7.3 Other Covenants. If any Company shall fail or omit to perform and observe any agreement or other provision (other than those referred to in Section 7.1 or 7.2 hereof) contained or referred to in this Agreement or any Loan Document that is on such Company's part to be complied with, and that Default shall not have been fully corrected within thirty (30) days after the earlier of (a) any Financial Officer of such Company becomes aware of the occurrence thereof, or (b) the giving of written notice thereof to Administrative Borrower by Agent or the Required Lenders that the specified Default is to be remedied.

Section 7.4 Representations and Warranties. If any representation, warranty or statement made in or pursuant to this Agreement, any other Loan Document or any other material information furnished by any Company to Agent or the Lenders, or any thereof, shall be false or erroneous in any material respect.

Section 7.5 Cross Default. If any Company shall default (a) in the payment of principal or interest due and owing under any Material Indebtedness Agreement beyond any period of grace provided with respect thereto or (b) in the performance or observance of any other provision, term or condition contained in any Material Indebtedness Agreement under which such obligation is created, if the effect of such default is to allow the acceleration of the maturity of such Indebtedness or to permit the holder thereof to cause such Indebtedness to become due prior to its stated maturity (other than (x) any event that permits holders of any Permitted Convertible Indebtedness to convert such Indebtedness or (y) the conversion of any Permitted Convertible Indebtedness, in either case, into common stock of the US Borrower (or other securities or property following a merger event, reclassification or other change of the common stock of the US Borrower), cash or a combination thereof).

Section 7.6 ERISA Default. The occurrence of one or more ERISA Events that the Required Lenders determine could reasonably be expected to have a Material Adverse Effect.

Section 7.7 Change in Control. If any Change in Control shall occur.

Section 7.8 Judgments. There is entered against any Company:

(a) a final judgment or order for the payment of money by a court of competent jurisdiction, that remains unpaid or unstayed and undischarged for a period (during which execution shall not be effectively stayed) of sixty (60) days after the date on which the right to appeal has expired; provided that such occurrence shall constitute an Event of Default only if the aggregate of all such judgments for all such Companies shall exceed Twenty Million Dollars (\$20,000,000) (less any amount that will be covered by the proceeds of insurance and is not subject to dispute by the insurance provider); or

(b) any one or more non-monetary final judgments that are not covered by insurance, or, if covered by insurance, for which the insurance company has not agreed to or acknowledged coverage, and that, in either case, the Required Lenders reasonably determine have, or could be expected to have, individually or in the aggregate, a Material Adverse Effect and, in either case, (i) enforcement proceedings are commenced by the prevailing party or any creditor upon such judgment or order, or (ii) there is a period of thirty (30) consecutive days during which a stay of enforcement of such judgment, by reason of a pending appeal or otherwise, is not in effect.

Section 7.9 Security. If any Lien granted in this Agreement or any other Loan Document in favor of Agent, for the benefit of the Secured Parties, shall be determined to be (a) void, voidable or invalid, or is subordinated or not otherwise given the priority contemplated by this Agreement with respect to any material amount of Collateral and Borrowers have (or the appropriate Credit Party has) failed to promptly execute appropriate documents to correct such matters, or (b) unperfected as to any material amount of Collateral (as determined by Agent, in its reasonable discretion) and Borrowers have (or the appropriate Credit Party has) failed to promptly execute appropriate documents to correct such matters.

Section 7.10 Validity of Loan Documents. If (a) any material provision, in the reasonable opinion of Agent, of any Loan Document shall at any time cease to be valid, binding and enforceable against any Credit Party; (b) the validity, binding effect or enforceability of any Loan Document against any Credit Party shall be contested by any Credit Party; (c) any Credit Party shall deny that it has any or further liability or obligation under any Loan Document; or (d) any Loan Document shall be terminated, invalidated or set aside, or be declared ineffective or inoperative or in any way cease to give or provide to Agent and the Lenders the benefits purported to be created thereby.

Section 7.11 Insolvency Events. If any Credit Party shall:

- (a) generally not pay its debts as such debts become due;
- (b) make a general assignment for the benefit of creditors;

- (d) be adjudicated a debtor or insolvent or have entered against it an order for relief under any Debtor Relief Laws, in any applicable jurisdiction, now or hereafter existing, as any of the foregoing may be amended from time to time, or other applicable statute for jurisdictions outside of the United States, as the case may be;
- (e) file a voluntary petition under the Bankruptcy Code or seek relief under any other Debtor Relief Laws in any jurisdiction outside of the United States, or file a proposal or notice of intention to file such petition;
- (f) have an involuntary proceeding under the Bankruptcy Code filed against it and the same shall not be controverted within ten (10) days, or shall continue undismissed for a period of sixty (60) days from commencement of such proceeding or case;

(i) have an administrative receiver appointed over the whole or substantially the whole of its assets, or of such Credit Party; or

(j) have a moratorium declared in respect of any of its Indebtedness, or any analogous procedure or step is taken in any jurisdiction.

ARTICLE VIII. REMEDIES UPON DEFAULT

Notwithstanding any contrary provision or inference herein or elsewhere:

Section 8.1 Optional Defaults. If any Event of Default referred to in Section 7.1, 7.2, 7.3, 7.4, 7.5, 7.6, 7.7, 7.8, 7.9 or 7.10 hereof shall occur, Agent may, with the consent of the Required Lenders, and shall, at the written request of the Required Lenders, give written notice to Borrowers to:

(a) terminate the Commitment, if not previously terminated, and, immediately upon such election, the obligations of the Lenders, and each thereof, to make any further Loan, and the obligation of the Fronting Lender to issue any Letter of Credit, immediately shall be terminated; and/or

(b) accelerate the maturity of all of the Obligations (if the Obligations are not already due and payable), whereupon all of the Obligations shall become and thereafter be immediately due and payable in full without any presentment or demand and without any further or other notice of any kind, all of which are hereby waived by each Borrower.

Section 8.2 Automatic Defaults. If any Event of Default referred to in Section 7.11 hereof shall occur:

(a) all of the Commitment shall automatically and immediately terminate, if not previously terminated, and no Lender thereafter shall be under any obligation to grant any further Loan, nor shall the Fronting Lender be obligated to issue any Letter of Credit; and

(b) the principal of and interest then outstanding on all of the Loans, and all of the other Obligations, shall thereupon become and thereafter be immediately due and payable in full (if the Obligations are not already due and payable), all without any presentment, demand or notice of any kind, which are hereby waived by each Borrower.

Section 8.3 Letters of Credit. If the maturity of the Obligations shall be accelerated pursuant to Section 8.1 or 8.2 hereof, Borrowers shall immediately deposit with Agent, as security for the obligations of Borrowers and any Guarantor of Payment to reimburse Agent and the Lenders for any then outstanding Letters of Credit, cash equal to the aggregate undrawn balance of any then outstanding Letters of Credit. Agent and the Lenders are hereby authorized, at their option, to deduct any and all such amounts from any deposit balances then owing by any Lender (or any affiliate of such Lender) to or for the credit or account of US Borrower or any Domestic Guarantor of Payment, as security for the obligations of the appropriate Borrower and any Guarantor of Payment to reimburse Agent and the Lenders for any then outstanding Letters of Credit.

Section 8.4 Offsets.

(a) If there shall occur or exist any Event of Default referred to in Section 7.11 hereof or if the maturity of the Obligations is accelerated pursuant to Section 8.1 or 8.2 hereof, each Lender shall have the right at any time, after obtaining the prior written consent of the Agent, to set off against, and to appropriate and apply toward the payment of, any and all of the Obligations then owing by US Borrower or a Guarantor

of Payment to such Lender, or any Foreign Borrower with respect to Obligations of a Foreign Borrower (including, without limitation, any participation purchased or to be purchased pursuant to Section 2.2(b), 2.2(c) or 8.5 hereof), whether or not the same shall then have matured, any and all deposit (general or special) balances and all other indebtedness then held or owing by such Lender (including, without limitation, by branches and agencies or any affiliate of such Lender, wherever located) to or for the credit or account of US Borrower or a Guarantor of Payment, or any Foreign Borrower with respect to such deposit balances and indebtedness of a Foreign Borrower, all without notice to or demand upon any Borrower or any other Person, all such notices and demands being hereby expressly waived by each Borrower.

(b) Notwithstanding anything in this Agreement to the contrary, if a Lender acts as a Securities Intermediary or a depository institution for a Credit Party, and the applicable Securities Accounts or Deposit Accounts of such Credit Party with such Lender (or an affiliate of a Lender) are not subject to a Control Agreement, then such Lender agrees that such accounts are subject to the Lien of Agent (to the extent granted pursuant to the Security Documents) and it will not set off against or appropriate toward the payment of, any Indebtedness owing to such Lender that does not constitute Obligations (other than Customary Setoffs with respect to such Deposit Accounts or Securities Accounts).

Section 8.5 Equalization Provisions. Each Lender agrees with the other Lenders that if it, at any time, shall obtain any Advantage over the other Lenders or any thereof in respect of the Obligations (except as to Swing Loans and Letters of Credit prior to Agent's giving of notice to participate and except under Article III hereof), it shall purchase from the other Lenders, for cash and at par, such additional participation in the Obligations as shall be necessary to nullify the Advantage. If any such Advantage resulting in the purchase of an additional participation as aforesaid shall be recovered in whole or in part from the Lender receiving the Advantage, each such purchase shall be rescinded, and the purchase price restored (but without interest unless the Lender receiving the Advantage is required to pay interest on the Advantage to the Person recovering the Advantage from such Lender) ratably to the extent of the recovery. Each Lender further agrees with the other Lenders that:

(a) if it at any time shall receive any payment for or on behalf of any Borrower on any Indebtedness owing by any Borrower (or through any Guarantor of Payment) pursuant to this Agreement (whether by voluntary payment, by realization upon security, by reason of offset of any deposit or other indebtedness, by counterclaim or cross-action, by the enforcement of any right under any Loan Document, or otherwise); or

(b) if any Lender (or affiliate of a Lender) (i) maintains Deposit Accounts or Securities Account of any Borrower or any Domestic Subsidiary, and (ii) exercises a right of offset or takes other action against such Deposit Accounts or Securities Accounts;

then such Lender will apply all such payments (other than Customary Setoffs with respect to the Deposit Accounts or Securities Accounts referenced in subpart (b) above) first to any and all Obligations owing by Borrowers to that Lender (including, without limitation, any participation purchased or to be purchased pursuant to this Section 8.5 or any other section of this Agreement), and to the extent not prohibited by law, to the remainder of the Obligations (and the Secured Obligations in accordance with Section 8.6 hereof).

Each Credit Party agrees that any Lender so purchasing a participation from the other Lenders or any thereof pursuant to this Section 8.5, or exercising rights under this provision, may exercise all of its rights of payment (including the right of set-off) with respect to such participation or otherwise as fully as if such Lender were a direct creditor of such Credit Party in the amount of such participation.

Section 8.6 Other Remedies. The remedies in this Article VIII are in addition to, not in limitation of, any other right, power, privilege, or remedy, either in law, in equity, or otherwise, to which

the Lenders may be entitled. Agent shall exercise the rights under this Article VIII and all other collection efforts on behalf of the Lenders and no Lender shall act independently with respect thereto, except as otherwise specifically set forth in this Agreement.

Section 8.7 Application of Proceeds.

(a) Payments Prior to Exercise of Remedies. Prior to the exercise by Agent, on behalf of the Lenders, of remedies under this Agreement or the other Loan Documents, all monies received by Agent shall be applied, unless otherwise required by the terms of the other Loan Documents or by applicable law, with respect to payments received in connection with the Revolving Credit Commitment, to the Revolving Lenders; provided that Agent shall have the right at all times to apply any payment received from US Borrower first to the payment of all obligations (to the extent not paid by Borrowers) incurred by Agent pursuant to Section 11.5 hereof and to the payment of Related Expenses.

(b) Payments Subsequent to Exercise of Remedies. After the exercise by Agent or the Required Lenders of remedies under this Agreement or the other Loan Documents, all monies received by Agent shall be applied, unless otherwise required by the terms of the other Loan Documents or by applicable law, as follows:

(i) with respect to:

(A) payments from assets of Companies organized in the United States (or a state thereof), (1) first, to the Obligations (and Secured Obligations if such payments are from proceeds of Collateral) of US Borrower, and (2) second, to the Obligations (and Secured Obligations if such payments are from proceeds of Collateral) of any other Borrowers, in each case applied in accordance with the Waterfall;

(B) payments from assets of Companies that are not organized in the United States (or a state thereof), to the Obligations (and Secured Obligations if such payments are from proceeds of Collateral) of the Foreign Borrowers, applied in accordance with the Waterfall; and

(C) any other payments, in accordance with the Waterfall; and

(ii) in accordance with the following priority (the "Waterfall"):

(A) first, to the extent incurred in connection with obligations payable by a specific Borrower, to the payment of all obligations (to the extent not paid by Borrowers) incurred by Agent pursuant to Section 11.5 hereof and to the payment of Related Expenses;

(B) second, to the extent incurred in connection with the obligations payable by a specific Borrower, to the payment pro rata of (1) interest then accrued and payable on the outstanding Loans, (2) any fees then accrued and payable to Agent, and (3) any fees then accrued and payable to the Fronting Lender or the holders of the Letter of Credit Commitment in respect of the Letter of Credit Exposure;

(C) third, for payment of (1) principal outstanding on the Loans and the Letter of Credit Exposure, on a pro rata basis to the Lenders, based upon each such Lender's Commitment Percentage, provided that the amounts payable in respect of the Letter of Credit Exposure shall be held and applied by Agent as security for the reimbursement obligations in respect thereof, and, if any Letter of Credit shall expire without being drawn,

then the amount with respect to such Letter of Credit shall be distributed to the Lenders, on a pro rata basis in accordance with this subsection (C), (2) the Indebtedness under any Secured Hedge Agreement, such amount to be based upon the net termination obligation of Borrowers under such Secured Hedge Agreement, and (3) the Bank Product Obligations owing to a Lender (or an entity that is an affiliate of a then existing Lender) under Bank Product Agreements; with such payment to be pro rata among (1), (2) and (3) of this subsection (C); and

(D) finally, any remaining surplus after all of the Secured Obligations have been paid in full, to Administrative Borrower for distribution to the appropriate Borrowers, or to whomsoever shall be lawfully entitled thereto.

ARTICLE IX. THE AGENT

The Lenders authorize Wells Fargo and Wells Fargo hereby agrees to act as agent for the Lenders in respect of this Agreement upon the terms and conditions set forth elsewhere in this Agreement, and upon the following terms and conditions:

Section 9.1 Appointment and Authorization. Each Lender hereby irrevocably appoints Wells Fargo as Agent hereunder and authorizes Agent to take such action as agent on its behalf and to exercise such powers hereunder as are delegated to Agent by the terms hereof, together with such powers as are reasonably incidental thereto, including, without limitation, to execute Additional Foreign Borrower Assumption Agreements on behalf of the Lenders, and to execute various Loan Documents pertaining to the Foreign Borrower and Foreign Guarantors of Payment on behalf of the Lenders. Neither Agent nor any of its affiliates, directors, officers, attorneys or employees shall (a) be liable for any action taken or omitted to be taken by it or them hereunder or in connection herewith, except for its or their own gross negligence or willful misconduct (as determined by a court of competent jurisdiction), or be responsible in any manner to any of the Lenders for the effectiveness, enforceability, genuineness, validity or due execution of this Agreement or any other Loan Documents, (b) be under any obligation to any Lender to ascertain or to inquire as to the performance or observance of any of the terms, covenants or conditions hereof or thereof on the part of Borrowers or any other Company, or the financial condition of Borrowers or any other Company, or (c) be liable to any of the Companies for consequential damages resulting from any breach of contract, tort or other wrong in connection with the negotiation, documentation, administration or collection of the Loans or Letters of Credit or any of the Loan Documents. Notwithstanding any provision to the contrary contained in this Agreement or in any other Loan Document, Agent shall not have any duty or responsibility except those expressly set forth herein, nor shall Agent have or be deemed to have any fiduciary relationship with any Lender or participant, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against Agent. Without limiting the generality of the foregoing sentence, the use of the term "agent" herein and in other Loan Documents with reference to Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

Section 9.2 Note Holders. Agent may treat the payee of any Note as the holder thereof (or, if there is no Note, the holder of the interest as reflected on the books and records of Agent) until written notice of transfer shall have been filed with Agent, signed by such payee and in form satisfactory to Agent.

Section 9.3 Consultation With Counsel. Agent may consult with legal counsel selected by Agent and shall not be liable for any action taken or suffered in good faith by Agent in accordance with the opinion of such counsel.

Section 9.4 Documents. Agent shall not be under any duty to examine into or pass upon the validity, effectiveness, genuineness or value of any Loan Document or any other Related Writing furnished pursuant hereto or in connection herewith or the value of any collateral obtained hereunder, and Agent shall be entitled to assume that the same are valid, effective and genuine and what they purport to be.

Section 9.5 Agent and Affiliates. Wells Fargo and its affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire equity interests in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with the Companies and Affiliates as though Wells Fargo were not Agent hereunder and without notice to or consent of any Lender. Each Lender acknowledges that, pursuant to such activities, Wells Fargo or its affiliates may receive information regarding any Company or any Affiliate (including information that may be subject to confidentiality obligations in favor of such Company or such Affiliate) and acknowledge that Agent shall be under no obligation to provide such information to other Lenders. With respect to Loans and Letters of Credit (if any), Wells Fargo and its affiliates shall have the same rights and powers under this Agreement as any other Lender and may exercise the same as though Wells Fargo were not Agent, and the terms “Lender” and “Lenders” include Wells Fargo and its affiliates, to the extent applicable, in their individual capacities.

Section 9.6 Knowledge or Notice of Default. Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless Agent has received written notice from a Lender or Administrative Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a “notice of default”. In the event that Agent receives such a notice, Agent shall give notice thereof to the Lenders. Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement, all Lenders); provided that, unless and until Agent shall have received such directions, Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable, in its discretion, for the protection of the interests of the Lenders.

Section 9.7 Action by Agent. Subject to the other terms and conditions hereof, so long as Agent shall be entitled, pursuant to Section 9.6 hereof, to assume that no Default or Event of Default shall have occurred and be continuing, Agent shall be entitled to use its discretion with respect to exercising or refraining from exercising any rights that may be vested in it by, or with respect to taking or refraining from taking any action or actions that it may be able to take under or in respect of, this Agreement. Agent shall incur no liability under or in respect of this Agreement by acting upon any notice, certificate, warranty or other paper or instrument believed by it to be genuine or authentic or to be signed by the proper party or parties, or with respect to anything that it may do or refrain from doing in the reasonable exercise of its judgment, or that may seem to it to be necessary or desirable in the premises. Without limiting the foregoing, no Lender shall have any right of action whatsoever against Agent as a result of Agent’s acting or refraining from acting hereunder in accordance with the instructions of the Required Lenders.

Section 9.8 Release of Collateral or Guarantor of Payment. In the event of a merger, sale of assets or other transaction permitted pursuant to Section 5.12 hereof or otherwise permitted pursuant to this Agreement, and so long as there is no Default or Event of Default existing, Agent, at the request and expense of US Borrower, is hereby authorized by the Lenders to (a) release such Collateral from this Agreement or any other Loan Document; provided that the release of all or substantially all of the Collateral shall be subject to Section 11.3(b)(i)(E) and (G), (b) release a Guarantor of Payment or Foreign Borrower in connection with such permitted transfer or event; provided that the release of a Guarantor of Payment shall be subject to Section 11.3(b)(i)(E), and (c) duly assign, transfer and deliver to the affected Person (without recourse and without any representation or warranty) such Collateral as is then (or has been) so transferred or released and as may be in possession of Agent and has not theretofore been released pursuant to this Agreement; provided that the release of all or substantially all of the Collateral shall be subject to Section

11.3(b)(i)(G). In the case of any sale, transfer or disposal of any property constituting Collateral in a Permitted Factoring Transaction, the Liens created by any of the Collateral Documents on such property shall be automatically released without need for further action by any person and each Lender hereby authorizes Agent to enter into such Lien releases and intercreditor arrangements in connection with any Permitted Factoring Transaction as it deems reasonably necessary or appropriate.

Section 9.9 Delegation of Duties. Agent may execute any of its duties under this Agreement or any other Loan Document by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. Agent shall not be responsible for the negligence or misconduct of any agent or attorney-in-fact that it selects in the absence of gross negligence or willful misconduct, as determined by a court of competent jurisdiction.

Section 9.10 Indemnification of Agent. The Lenders agree to indemnify Agent (to the extent not reimbursed by Borrowers) ratably, according to their respective Commitment Percentages, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses (including attorneys' fees and expenses) or disbursements of any kind or nature whatsoever that may be imposed on, incurred by or asserted against Agent in its capacity as agent in any way relating to or arising out of this Agreement or any Loan Document or any action taken or omitted by Agent with respect to this Agreement or any Loan Document; provided that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses (including attorneys' fees and expenses) or disbursements resulting from Agent's gross negligence or willful misconduct as determined by a court of competent jurisdiction, or from any action taken or omitted by Agent in any capacity other than as agent under this Agreement or any other Loan Document. No action taken in accordance with the directions of the Required Lenders shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 9.10. The undertaking in this Section 9.10 shall survive repayment of the Loans, cancellation of the Notes, if any, expiration or termination of the Letters of Credit, termination of the Commitment, any foreclosure under, or modification, release or discharge of, any or all of the Loan Documents, termination of this Agreement and the resignation or replacement of Agent.

Section 9.11 Successor Agent. Agent may resign as agent hereunder by giving not fewer than thirty (30) days prior written notice to Administrative Borrower and the Lenders. If Agent shall resign under this Agreement, then either (a) the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders (with the consent of Administrative Borrower so long as an Event of Default does not exist and which consent shall not be unreasonably withheld), or (b) if a successor agent shall not be so appointed and approved within the thirty (30) day period following Agent's notice to the Lenders of its resignation, then Agent shall appoint a successor agent that shall serve as agent until such time as the Required Lenders appoint a successor agent. If no successor agent has accepted appointment as Agent by the date that is thirty (30) days following a retiring Agent's notice of resignation, the retiring Agent's resignation shall nevertheless thereupon become effective, and the Lenders shall assume and perform all of the duties of Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above. Upon its appointment, such successor agent shall succeed to the rights, powers and duties as agent, and the term "Agent" means such successor effective upon its appointment, and the former agent's rights, powers and duties as agent shall be terminated without any other or further act or deed on the part of such former agent or any of the parties to this Agreement. After any retiring Agent's resignation as Agent, the provisions of this Article IX shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent under this Agreement and the other Loan Documents.

Section 9.12 Fronting Lender. The Fronting Lender shall act on behalf of the Lenders with respect to any Letters of Credit issued by the Fronting Lender and the documents associated therewith. The Fronting Lender shall have all of the benefits and immunities (a) provided to Agent in this Article IX with

respect to any acts taken or omissions suffered by the Fronting Lender in connection with the Letters of Credit and the applications and agreements for letters of credit pertaining to such Letters of Credit as fully as if the term “Agent”, as used in this Article IX, included the Fronting Lender with respect to such acts or omissions, and (b) as additionally provided in this Agreement with respect to the Fronting Lender.

Section 9.13 Swing Line Lender. The Swing Line Lender shall act on behalf of the Lenders with respect to any Swing Loans. The Swing Line Lender shall have all of the benefits and immunities (a) provided to Agent in this Article IX with respect to any acts taken or omissions suffered by the Swing Line Lender in connection with the Swing Loans as fully as if the term “Agent”, as used in this Article IX, included the Swing Line Lender with respect to such acts or omissions, and (b) as additionally provided in this Agreement with respect to the Swing Line Lender.

Section 9.14 Agent May File Proofs of Claim. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Credit Party, (a) Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether Agent shall have made any demand on any Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise, to (i) file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and Agent and their respective agents and counsel and all other amounts due the Lenders and Agent) allowed in such judicial proceedings, and (ii) collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same; and (b) any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to Agent and, in the event that Agent shall consent to the making of such payments directly to the Lenders, to pay to Agent any amount due for the reasonable compensation, expenses, disbursements and advances of Agent and its agents and counsel, and any other amounts due Agent. Nothing contained herein shall be deemed to authorize Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize Agent to vote in respect of the claim of any Lender in any such proceeding.

Section 9.15 No Reliance on Agent’s Customer Identification Program. Each Lender acknowledges and agrees that neither such Lender, nor any of its affiliates, participants or assignees, may rely on Agent to carry out such Lender’s or its affiliate’s, participant’s or assignee’s customer identification program, or other obligations required or imposed under or pursuant to the Patriot Act or the regulations thereunder, including the regulations contained in 31 CFR 103.121 (as hereafter amended or replaced, the “CIP Regulations”), or any other anti-terrorism law, including any programs involving any of the following items relating to or in connection with Borrowers, their respective Affiliates or agents, the Loan Documents or the transactions hereunder: (a) any identity verification procedures, (b) any record keeping, (c) any comparisons with government lists, (d) any customer notices or (e) any other procedures required under the CIP Regulations or such other laws.

Section 9.16 Other Agents. Agent shall have the continuing right from time to time to designate one or more Lenders (or its or their affiliates) as “syndication agent”, “co-syndication agent”, “documentation agent”, “co-documentation agent”, “book runner”, “lead arranger”, “arrangers” or other designations for purposes hereof, but (a) any such designation shall have no substantive effect, and (b) any such Lender and its affiliates shall have no additional powers, duties, responsibilities or liabilities as a result thereof.

Section 9.17 Erroneous Payments.

(a) Each Lender, each Fronting Lender, each other Secured Party and any other party hereto hereby severally agrees that if (i) the Agent notifies (which such notice shall be conclusive absent manifest error) such Lender or Fronting Lender or any other Secured Party (or the Lender Affiliate of a Secured Party) or any other Person that has received funds from the Agent or any of its Affiliates, either for its own account or on behalf of a Lender, Fronting Lender or other Secured Party (each such recipient, a "Payment Recipient") that the Agent has determined in its sole discretion that any funds received by such Payment Recipient were erroneously transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Payment Recipient) or (ii) any Payment Recipient receives any payment from the Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in a notice of payment, prepayment or repayment sent by the Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, as applicable, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, as applicable, or (z) that such Payment Recipient otherwise becomes aware was transmitted or received in error or by mistake (in whole or in part) then, in each case, an error in payment shall be presumed to have been made (any such amounts specified in clauses (i) or (ii) of this Section 9.17(a), whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise; individually and collectively, an "Erroneous Payment"), then, in each case, such Payment Recipient is deemed to have knowledge of such error at the time of its receipt of such Erroneous Payment; provided that nothing in this Section shall require the Agent to provide any of the notices specified in clauses (i) or (ii) above. Each Payment Recipient agrees that it shall not assert any right or claim to any Erroneous Payment, and hereby waives any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Agent for the return of any Erroneous Payments, including without limitation waiver of any defense based on "discharge for value" or any similar doctrine.

(b) Without limiting the immediately preceding clause (a), each Payment Recipient agrees that, in the case of clause (a)(ii) above, it shall promptly notify the Agent in writing of such occurrence.

(c) In the case of either clause (a)(i) or (a)(ii) above, such Erroneous Payment shall at all times remain the property of the Agent and shall be segregated by the Payment Recipient and held in trust for the benefit of the Agent, and upon demand from the Agent such Payment Recipient shall (or, shall cause any Person who received any portion of an Erroneous Payment on its behalf to), promptly, but in all events no later than one Business Day thereafter, return to the Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made in same day funds and in the currency so received, together with interest thereon in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Agent at the greater of the Overnight Rate.

(d) In the event that an Erroneous Payment (or portion thereof) is not recovered by the Agent for any reason, after demand therefor by the Agent in accordance with immediately preceding clause (c), from any Lender that is a Payment Recipient or an Affiliate of a Payment Recipient (such unrecovered amount as to such Lender, an "Erroneous Payment Return Deficiency"), then at the sole discretion of the Agent and upon the Agent's written notice to such Lender (i) such Lender shall be deemed to have made a cashless assignment of the full face amount of the portion of its Loans (but not its Commitments) of the relevant Class with respect to which such Erroneous Payment was made (the "Erroneous Payment Impacted Class") to the Agent or, at the option of the Agent, the Agent's applicable lending affiliate in an amount that is equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Agent may specify) (such assignment of the Loans (but not Commitments) of the Erroneous Payment Impacted Class, the "Erroneous Payment Deficiency Assignment") plus any accrued and unpaid interest on such assigned

amount, without further consent or approval of any party hereto and without any payment by the Agent or its applicable lending affiliate as the assignee of such Erroneous Payment Deficiency Assignment. Without limitation of its rights hereunder, the Agent may cancel any Erroneous Payment Deficiency Assignment at any time by written notice to the applicable assigning Lender and upon such revocation all of the Loans assigned pursuant to such Erroneous Payment Deficiency Assignment shall be reassigned to such Lender without any requirement for payment or other consideration. The parties hereto acknowledge and agree that (1) any assignment contemplated in this clause (d) shall be made without any requirement for any payment or other consideration paid by the applicable assignee or received by the assignor, (2) the provisions of this clause (d) shall govern in the event of any conflict with the terms and conditions of Section 11.10 and (3) the Agent may reflect such assignments in the Register without further consent or action by any other Person.

(e) Each party hereto hereby agrees that (x) in the event an Erroneous Payment (or portion thereof) is not recovered from any Payment Recipient that has received such Erroneous Payment (or portion thereof) for any reason, the Agent (1) shall be subrogated to all the rights of such Payment Recipient with respect to such amount and (2) is authorized to set off, net and apply any and all amounts at any time owing to such Payment Recipient under any Loan Document, or otherwise payable or distributable by the Agent to such Payment Recipient from any source, against any amount due to the Agent under this Section 9.17 or under the indemnification provisions of this Agreement, (y) the receipt of an Erroneous Payment by a Payment Recipient shall not for the purpose of this Agreement be treated as a payment, prepayment, repayment, discharge or other satisfaction of any Obligations owed by the Borrowers or any other Credit Party, except, in each case, to the extent such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Agent from the Borrowers or any other Credit Party for the purpose of making a payment on the Obligations and (z) to the extent that an Erroneous Payment was in any way or at any time credited as payment or satisfaction of any of the Obligations, the Obligations or any part thereof that were so credited, and all rights of the Payment Recipient, as the case may be, shall be reinstated and continue in full force and effect as if such payment or satisfaction had never been received.

(f) Each party's obligations under this Section 9.17 shall survive the resignation or replacement of the Agent or any transfer of right or obligations by, or the replacement of, a Lender, the termination of the Commitments or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Loan Document.

(g) Nothing in this Section 9.17 will constitute a waiver or release of any claim of any party hereunder arising from any Payment Recipient's receipt of an Erroneous Payment.

ARTICLE X. GUARANTY

Section 10.1 The Guaranty. US Borrower hereby guarantees to Agent, for the benefit of the Secured Parties, as a primary obligor and not as a surety, the prompt payment of the Secured Obligations owing by each other Borrower in full when due (whether at stated maturity, as a mandatory prepayment, by acceleration, as a mandatory cash collateralization or otherwise) strictly in accordance with the terms thereof. US Borrower hereby further agrees that, if any of the Secured Obligations are not paid in full when due (whether at stated maturity, as a mandatory prepayment, by acceleration, as a mandatory cash collateralization or otherwise), US Borrower will promptly pay the same, without any demand or notice whatsoever, and that, in the case of any extension of time of payment or renewal of any of the Secured Obligations, the same will be promptly paid in full when due (whether at extended maturity, as a mandatory prepayment, by acceleration, as a mandatory cash collateralization or otherwise) in accordance with the terms of such extension or renewal.

Section 10.2 Obligations Unconditional. The obligations of US Borrower under Section 10.1 hereof are absolute and unconditional, irrespective of the value, genuineness, validity, regularity or enforceability of any of the Loan Documents, or any other agreement or instrument referred to therein, or any substitution, release, impairment or exchange of any other guarantee of or security for any of the Secured Obligations, and, to the fullest extent permitted by applicable law, irrespective of any other circumstance whatsoever which might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor, it being the intent of this Section 10.2 that the obligations of US Borrower hereunder, as a Guarantor, shall be absolute and unconditional under any and all circumstances. US Borrower agrees that it shall have no right of subrogation, indemnity, reimbursement or contribution against any other Borrower or any other Guarantor of Payment for amounts paid under this Article X until such time as the Secured Obligations have been irrevocably paid in full (other than (i) contingent obligations which by their terms survive the termination of this Agreement and (ii) Secured Hedge Obligations or obligations and liabilities under Bank Product Agreements, in each case as to which arrangements satisfactory to the applicable Secured Party shall have been made). Without limiting the generality of the foregoing, it is agreed that, to the fullest extent permitted by law, the occurrence of any one or more of the following shall not alter or impair the liability of US Borrower as a Guarantor hereunder, which shall remain absolute and unconditional as described above:

(a) at any time or from time to time, without notice to any Guarantor, the time for any performance of or compliance with any of the Secured Obligations shall be extended, or such performance or compliance shall be waived;

(b) any of the acts mentioned in any of the provisions of any of the Loan Documents or any other agreement or instrument referred to in the Loan Documents shall be done or omitted;

(c) the maturity of any of the Secured Obligations shall be accelerated, or any of the Secured Obligations shall be modified, supplemented or amended in any respect, or any right under any of the Loan Documents, or any other agreement or instrument referred to in the Loan Documents shall be waived or any other guarantee of any of the Secured Obligations or any security therefor shall be released, impaired or exchanged in whole or in part or otherwise dealt with;

(d) any Lien granted to, or in favor of, Agent, for the benefit of the Secured Parties, as security for any of the Secured Obligations shall fail to attach or be perfected; or

(e) any of the Secured Obligations shall be determined to be void or voidable (including, without limitation, for the benefit of any creditor of any Guarantor) or shall be subordinated to the claims of any Person (including, without limitation, any creditor of any Guarantor).

With respect to its obligations hereunder, US Borrower hereby expressly waives diligence, presentment, demand of payment, protest and all notices whatsoever, and any requirement that Agent or any Lender exhaust any right, power or remedy or proceed against any Person under any of the Loan Documents or any other agreement or instrument referred to in the Loan Documents, or against any other Person under any other guarantee of, or security for, any of the Secured Obligations.

Section 10.3 Reinstatement. The obligations of US Borrower under this Article X shall be automatically reinstated if and to the extent that, for any reason, any payment by or on behalf of any Person in respect of the Secured Obligations is rescinded or must be otherwise restored by any holder of any of the Secured Obligations, whether as a result of any proceedings under any Debtor Relief Laws or otherwise, and US Borrower agrees that it will indemnify Agent and each Lender on demand for all reasonable costs and expenses (including, without limitation, reasonable fees and expenses of counsel) incurred by Agent or such Lender in connection with such rescission or restoration, including any such reasonable costs and

expenses incurred in defending against any claim alleging that such payment constituted a preference, fraudulent transfer or similar payment under any Debtor Relief Laws.

Section 10.4 Certain Additional Waivers. US Borrower agrees that US Borrower shall have no right of recourse to security for the Secured Obligations, except through the exercise of rights of subrogation pursuant to Section 10.2 hereof and through the exercise of rights of contribution pursuant to Section 11.6 hereof.

Section 10.5 Remedies. US Borrower agrees that, to the fullest extent permitted by law, as between US Borrower, on the one hand, and Agent, on behalf of the Lenders, on the other hand, the Obligations may be declared to be forthwith due and payable as provided in Section 8.1 or 8.2 hereof (and shall be deemed to have become automatically due and payable in the circumstances provided in such Sections 8.1 and 8.2) for purposes of Section 10.1 hereof, notwithstanding any stay, injunction or other prohibition preventing such declaration (or preventing the Obligations from becoming automatically due and payable) as against any other Person and that, in the event of such declaration (or the Obligations being deemed to have become automatically due and payable), the Obligations (whether or not due and payable by any other Person) shall forthwith become due and payable by US Borrower for purposes of Section 10.1 hereof.

Section 10.6 Guarantee of Payment; Continuing Guarantee. The guarantee in this Article X is a guaranty of payment and not of collection, is a continuing guarantee, and shall apply to all Secured Obligations owing by each other Borrower, whenever arising.

Section 10.7 Payments. All payments by US Borrower under this Article X shall be made in Dollars, and free and clear of any Taxes.

ARTICLE XI. MISCELLANEOUS

Section 11.1 Lenders' Independent Investigation. Each Lender, by its signature to this Agreement, acknowledges and agrees that Agent has made no representation or warranty, express or implied, with respect to the creditworthiness, financial condition, or any other condition of any Company or with respect to the statements contained in any information memorandum furnished in connection herewith or in any other oral or written communication between Agent and such Lender. Each Lender represents that it has made and shall continue to make its own independent investigation of the creditworthiness, financial condition and affairs of the Companies in connection with the extension of credit hereunder, and agrees that Agent has no duty or responsibility, either initially or on a continuing basis, to provide any Lender with any credit or other information with respect thereto (other than such notices as may be expressly required to be given by Agent to the Lenders hereunder), whether coming into its possession before the first Credit Event hereunder or at any time or times thereafter. Each Lender further represents that it has reviewed each of the Loan Documents.

Section 11.2 No Waiver; Cumulative Remedies. No omission or course of dealing on the part of Agent, any Lender or the holder of any Note (or, if there is no Note, the holder of the interest as reflected on the books and records of Agent) in exercising any right, power or remedy hereunder or under any of the Loan Documents shall operate as a waiver thereof; nor shall any single or partial exercise of any such right, power or remedy preclude any other or further exercise thereof or the exercise of any other right, power or remedy hereunder or under any of the Loan Documents. The remedies herein provided are cumulative and in addition to any other rights, powers or privileges held under any of the Loan Documents or by operation of law, by contract or otherwise.

Section 11.3 Amendments, Waivers and Consents.

(a) General Rule. No amendment, modification, termination, or waiver of any provision of any Loan Document nor consent to any variance therefrom, shall be effective unless the same shall be in writing and signed by the Required Lenders and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

(b) Exceptions to the General Rule. Notwithstanding the provisions of subsection (a) of this Section 11.3:

(i) Specific Consent Requirements: No amendment, waiver or consent shall:

(A) increase the Commitment of any Lender hereunder or the amount of any Loans of any Lender, in any case, without such Lender's written consent;

(B) waive, extend or postpone the maturity of any Loan, the payment date of interest or scheduled principal hereunder, or the payment date of commitment fees payable hereunder, in any case without the written consent of each Lender directly and adversely affected thereby;

(C) reduce the stated rate of interest on any Loan (provided that the waiver of the Default Rate shall not constitute a decrease in interest rate pursuant to this Section 11.3), or the amount of interest or scheduled principal due on any Loan, or reduce the stated rate of commitment fees payable hereunder or change the manner of pro rata application of any payments made by Borrowers to the Lenders hereunder, in each case, without the written consent of each Lender directly and adversely affected thereby,

(D) change any percentage voting requirement, voting rights, or the Required Lenders definition in this Agreement, in each case, without the consent of each Lender directly and adversely affected thereby;

(E) release (i) the US Borrower without the written consent of each Lender or (ii) except in connection with an asset sale or disposition transaction otherwise permitted under this Agreement of all of the equity of a Guarantor of Payment to a purchaser that is unaffiliated with the US Borrower, any Guarantor of Payment; provided, however, that any such release of a Guarantor of Payment shall not result in a release of all or substantially all of the value of the Guaranties of Payment;

(F) amend this Section 11.3, Section 8.5, Section 8.7 or Section 9.8, in each case, without the written consent of each Lender directly and adversely affected thereby; or

(G) (1) release or subordinate all or substantially all of the Collateral or release or subordinate any Security Document (or any Lien created thereby) which would have the effect of releasing all or substantially all of the Collateral in any transaction or series of transactions, without the consent of each Lender, (2) subordinate, or have the effect of subordinating, the Obligations in right of payment or otherwise adversely affect the priority of payment of any of such Obligations or (3) subordinate the Liens securing any Obligations in a disproportionate and adverse manner relative to the effect on the Liens of any other holder of the Obligations, in each case of clause (2) and (3) without the written consent of each of the Lenders directly and adversely affected thereby.

(ii) Provisions Relating to Special Rights and Duties. No provision of this Agreement affecting Agent in its capacity as such shall be amended, modified or waived without the consent of Agent. No provision of this Agreement relating to the rights or duties of the Fronting Lender in its capacity as such shall be amended, modified or waived without the consent of the Fronting Lender. No provision of this Agreement relating to the rights or duties of the Swing Line Lender in its capacity as such shall be amended, modified or waived without the consent of the Swing Line Lender.

(iii) Incremental Term Loans. The Loan Documents may be amended by Agent and US Borrower only to effect Incremental Term Loans and Incremental Term Loan Commitments pursuant Section 2.9(b) hereof; provided that no amendment or modification shall result in any increase in the amount of any Lender's Commitment or any increase in any Lender's Commitment Percentage, in each case, without the written consent of such affected Lender.

(iv) Benchmark Replacement. Agent may, without the consent of any Lender, enter into amendments or modifications to this Agreement or any of the other Loan Documents or to enter into additional Loan Documents as Agent reasonably deems appropriate in order to implement any Benchmark Replacement or otherwise effectuate the terms of Section 3.5(c) in accordance with the terms of Section 3.5(c).

(c) Replacement of Non-Consenting Lender. Non-Consenting Lenders may be replaced pursuant to the terms of Section 3.4(b) hereof.

(d) Generally. Notice of amendments, waivers or consents ratified by the Lenders hereunder shall be forwarded by Agent to all of the Lenders. Each Lender or other holder of a Note (or if there is no Note, the holder of the interest as reflected on the books and records of Agent) (or interest in any Loan or Letter of Credit) shall be bound by any amendment, waiver or consent obtained as authorized by this Section 11.3, regardless of its failure to agree thereto.

Section 11.4 Notices.

(a) Notices Generally. All notices, requests, demands and other communications provided for hereunder shall be in writing and, if to a Borrower, mailed or delivered to it, addressed to it at the address specified on the signature pages of this Agreement (together with a courtesy copy thereof to US Borrower's general counsel, mailed or delivered to TTEC Holdings, Inc., 6312 South Fiddler's Green Circle, Suite 100N, Greenwood Village, CO 80111, Attention: Office of the General Counsel or at such other address as shall be designated by US Borrower in a written notice to each of the other parties), if to a Lender, mailed or delivered to it, addressed to the address of such Lender specified on the signature pages of this Agreement, or, as to each party, at such other address as shall be designated by such party in a written notice to each of the other parties. All notices, statements, requests, demands and other communications provided for hereunder shall be deemed to be given or made when hand delivered, delivered by overnight courier or five Business Days after being deposited in the mail with postage prepaid by registered or certified mail, addressed as aforesaid, or sent by facsimile with telephonic confirmation of receipt (if received during a Business Day, otherwise the following Business Day). All notices hereunder shall not be effective until received. For purposes of Article II hereof, Agent shall be entitled to rely on telephonic instructions from any person that Agent in good faith believes is an Authorized Officer and US Borrower shall hold Agent and each Lender harmless from any loss, cost or expense resulting from any such reliance. Notices delivered through electronic communications to the extent provided in paragraph (b) below, shall be effective as provided in said paragraph (b). Whenever any notice or other deliverable (other than payments, the timing of which shall be governed by Section 2.6(e) hereof) to be made hereunder shall be stated to be due on a day that is not a Business Day, such notice or other deliverable shall be due on the next Business Day.

(b) Electronic Communications. Notices and other communications to the Lenders and the Fronting Lender hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by Agent, provided that the foregoing shall not apply to notices to any Lender or Fronting Lender pursuant to Article II if such Lender or the Fronting Lender, as applicable, has notified Agent that is incapable of receiving notices under such Article by electronic communication. Agent or any Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications. Unless Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice, email or other communication shall be deemed to have been sent at the opening of business on the next business day for the recipient.

Section 11.5 Costs, Expenses and Documentary Taxes. US Borrower agrees to pay within thirty (30) days of its receipt of an invoice (together with reasonable and customary supporting documentation) therefor, all reasonable costs and expenses of Agent and all Related Expenses, including but not limited to (a) syndication, administration, travel and out-of-pocket expenses, including but not limited to reasonable and documented out-of-pocket attorneys' fees and expenses and reasonable and documented out-of-pocket financial advisors' fees and expenses, of Agent in connection with the preparation, negotiation and closing of the Loan Documents (and with respect to the Sixth Amendment, subject to the limitations set forth in the Fee Letter) and the administration of the Loan Documents, and the collection and disbursement of all funds hereunder and the other instruments and documents to be delivered hereunder and (b) the reasonable fees and out-of-pocket expenses of special counsel for Agent, with respect to the foregoing, and of local counsel, if any, who may be retained by said special counsel with respect thereto. US Borrower, and any appropriate Foreign Borrower, also agrees to pay on demand all reasonable costs and expenses (including Related Expenses) of Agent and the Lenders, including reasonable attorneys' fees and expenses and reasonable and documented out-of-pocket financial advisors' fees and expenses, in connection with the restructuring or enforcement of the Obligations, this Agreement or any Loan Document. In addition, US Borrower and any appropriate Foreign Borrower shall pay any and all stamp, transfer, documentary and other taxes, assessments, charges and fees payable or determined to be payable in connection with the execution and delivery of the Loan Documents, and the other instruments and documents to be delivered hereunder, and agree to hold Agent and each Lender harmless from and against any and all liabilities with respect to or resulting from any delay in paying or failure to pay such taxes or fees, other than those liabilities resulting from the gross negligence or willful misconduct of Agent, or, with respect to amounts owing to a Lender, such Lender, in each case as determined by a court of competent jurisdiction. All obligations provided for in this Section 11.5 shall survive any termination of this Agreement.

Section 11.6 Indemnification. US Borrower, and each Foreign Borrower to the extent relating to the Loans and other credit extensions to such Foreign Borrower, agrees to defend, indemnify and hold harmless Agent and the Lenders (and their respective affiliates, officers, directors, attorneys, agents and employees) (each, an "indemnified person") from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses (including the reasonable fees, disbursements and other charges of counsel, but limited, in the case of legal fees and expenses, to the reasonable and documented out-of-pocket fees and expenses of one counsel, representing all of the indemnified persons, taken as a whole, and, if reasonably necessary, of a single local counsel in each relevant jurisdiction (which may include a single special counsel acting in multiple jurisdictions) for all such indemnified persons, taken

as whole, and, in the case of an actual or perceived conflict of interest where the indemnified person affected by such conflict notifies you of the existence of such conflict and thereafter retains its own counsel, of another firm of counsel for each such affected indemnified person) or disbursements of any kind or nature whatsoever that may be imposed on, incurred by or asserted against any indemnified person in connection with any investigative, administrative or judicial proceeding (whether or not such indemnified person shall be designated a party thereto) or any other claim by any Person relating to or arising out of any Loan Document or any actual or proposed use of proceeds of the Loans or any of the Obligations, or any activities of any Company or its Affiliates; provided that no indemnified person shall have the right to be indemnified under this Section 11.6 for any cost, expense or liability (a) to the extent determined by a court of competent jurisdiction in a final, non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such indemnified person or any of such indemnified person's controlled or controlling affiliates or any or its or their agents or representatives, (b) arising from a material breach of such indemnified person's (or any of its affiliates, agents or representatives) obligations under the Loan Documents (as determined in a final, non-appealable judgment by a court of competent jurisdiction) pursuant to a claim brought by US Borrower, or (c) arising from any claim, actions, suits, inquiries, litigation, investigation or proceeding that is brought by an indemnified person against any other indemnified person (other than any claim, actions, suits, inquiries, litigation, investigation or proceeding (x) against Agent or any indemnified person in their role as "administrative agent", "lead arranger", "bookrunner" or other similar role under the Loan Documents or (y) arising out of any act or omission on the part of US Borrower or any of its Subsidiaries or Affiliates). All obligations provided for in this Section 11.6 shall survive any termination of this Agreement.

Section 11.7 Obligations Several; No Fiduciary Obligations. The obligations of the Lenders hereunder are several and not joint. Nothing contained in this Agreement and no action taken by Agent or the Lenders pursuant hereto shall be deemed to constitute Agent or the Lenders a partnership, association, joint venture or other entity. No default by any Lender hereunder shall excuse the other Lenders from any obligation under this Agreement; but no Lender shall have or acquire any additional obligation of any kind by reason of such default. The relationship between Borrowers and the Lenders with respect to the Loan Documents and the Related Writings is and shall be solely that of debtors and creditors, respectively, and neither Agent nor any Lender shall have any fiduciary obligation toward any Credit Party with respect to any such documents or the transactions contemplated thereby.

Section 11.8 Counterparts; Integration; Effectiveness; Electronic Execution.

(a) Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents, and any separate letter agreements with respect to fees payable to the Agent, the Fronting Lender, the Swing Line Lender and/or the Arrangers, constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.1, this Agreement shall become effective when it shall have been executed by the Agent and when the Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto.

Delivery of an executed counterpart of a signature page of this Agreement by facsimile or in electronic (i.e., "pdf" or "tif") format shall be effective as delivery of a manually executed counterpart of this Agreement.

(b) Electronic Execution. The words "execute," "execution," "signed," "signature," "delivery" and words of like import in or related to this Agreement, any other Loan Document or any document, amendment, approval, consent, waiver, modification, information, notice, certificate, report, statement, disclosure, or authorization to be signed or delivered in connection with this Agreement or any other Loan Document or the transactions contemplated hereby shall be deemed to include Electronic

Signatures or execution in the form of an Electronic Record, and contract formations on electronic platforms approved by the Agent, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act. Each party hereto agrees that any Electronic Signature or execution in the form of an Electronic Record shall be valid and binding on itself and each of the other parties hereto to the same extent as a manual, original signature. For the avoidance of doubt, the authorization under this paragraph may include, without limitation, use or acceptance by the parties of a manually signed paper which has been converted into electronic form (such as scanned into PDF format), or an electronically signed paper converted into another format, for transmission, delivery and/or retention. Notwithstanding anything contained herein to the contrary, the Agent is under no obligation to accept an Electronic Signature in any form or in any format unless expressly agreed to by the Agent pursuant to procedures approved by it; provided that without limiting the foregoing, (i) to the extent the Agent has agreed to accept such Electronic Signature from any party hereto, the Agent and the other parties hereto shall be entitled to rely on any such Electronic Signature purportedly given by or on behalf of the executing party without further verification and (ii) upon the request of the Agent or any Lender, any Electronic Signature shall be promptly followed by an original manually executed counterpart thereof. Without limiting the generality of the foregoing, each party hereto hereby (A) agrees that, for all purposes, including without limitation, in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among the Agent, the Lenders and any of the Credit Parties, electronic images of this Agreement or any other Loan Document (in each case, including with respect to any signature pages thereto) shall have the same legal effect, validity and enforceability as any paper original, and (B) waives any argument, defense or right to contest the validity or enforceability of the Loan Documents based solely on the lack of paper original copies of any Loan Documents, including with respect to any signature pages thereto.

Section 11.9 Binding Effect; Borrowers' Assignment. This Agreement shall become effective when it shall have been executed by each Borrower, Agent and each Lender and thereafter shall be binding upon and inure to the benefit of each Borrower, Agent and each of the Lenders and their respective successors and permitted assigns, except that no Borrower nor any other Credit Party shall have the right to assign or otherwise transfer any of its rights or obligations hereunder or any interest herein without the prior written consent of Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (a) to an assignee in accordance with the provisions of Section 11.10(a), (b) by way of participation in accordance with the provisions of Section 11.10(c) or (c) by way of pledge or assignment of a security interest subject to the restrictions of Section 11.10(d) (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 11.10(c) and, to the extent expressly contemplated hereby, any of affiliates, directors, officers, attorneys or employees of each of Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

Section 11.10 Lender Assignments; Participations.

(a) Assignments by Lenders. Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Revolving Credit Commitment and the Loans at the time owing to it); provided that, in each case with respect to any credit facility hereunder (including the Revolving Credit Commitments and any Loans), any such assignment shall be subject to the following conditions:

(i) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Revolving Credit Commitment and/or the Loans at the time owing to it (in each case with respect to any credit facility hereunder) or contemporaneous assignments to related Approved Funds (determined after giving effect to such assignments) that equal at least the amount specified in paragraph (a)(i)(B) of this Section 11.10 in the aggregate or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in paragraph (a)(i)(A) of this Section 11.10, the aggregate amount of the Revolving Credit Commitment (which for this purpose includes Loans outstanding thereunder) or, if the Revolving Credit Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment Agreement with respect to such assignment is delivered to Agent or, if "Trade Date" is specified in the Assignment Agreement, as of the Trade Date) shall not be less than \$5,000,000, unless each of Agent and, so long as no Event of Default has occurred and is continuing, the Administrative Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed); provided that the Administrative Borrower shall be deemed to have given its consent ten (10) Business Days after the date written notice thereof has been delivered by the assigning Lender (through Agent) unless such consent is expressly refused by the Administrative Borrower prior to such tenth (10th) Business Day;

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loan or the Revolving Credit Commitment assigned;

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by paragraph (a)(i)(B) of this Section 11.10 and, in addition:

(A) the consent of the Administrative Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (x) an Event of Default has occurred and is continuing at the time of such assignment or (y) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund; provided, that the Administrative Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to Agent within ten (10) Business Days after having received notice thereof;

(B) the consent of Agent (such consent not to be unreasonably withheld or delayed) shall be required for assignments if such assignment is to a Person that is not a Lender with a Revolving Credit Commitment, an Affiliate of such Lender or an Approved Fund with respect to such Lender; and

(C) the consents of the Fronting Lenders and the Swing Line Lender shall be required for any assignment in respect of the Revolving Credit Commitments.

(iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to Agent an Assignment Agreement, together with a processing and recordation fee of \$3,500 for each assignment; provided that (A) only one such fee will be payable in connection with simultaneous assignments to two or more related Approved Funds by a Lender and (B) Agent may,

in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The assignee, if it is not a Lender, shall deliver to Agent an administrative questionnaire (in form and substance satisfactory to Agent).

(v) No Assignment to Certain Persons. No such assignment shall be made to (A) any Borrower or any of Subsidiaries or Affiliates of any Borrower or (B) any Defaulting Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (B).

(vi) No Assignment to Natural Persons. No such assignment shall be made to a natural Person (or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural Person).

(vii) Certain Additional Payments. In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrowers and Agent, the applicable pro rata share of Loans previously requested, but not funded by, the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (A) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to Agent, the Fronting Lenders, the Swing Line Lender and each other Lender hereunder (and interest accrued thereon), and (B) acquire (and fund as appropriate) its full pro rata share of all Loans and participations in Letters of Credit and Swing Loans in accordance with its Commitment Percentage. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by Agent pursuant to paragraph (c) of this Section 11.10, from and after the effective date specified in each Assignment Agreement, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment Agreement, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment Agreement, be released from its obligations under this Agreement (and, in the case of an Assignment Agreement covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 3.1, 3.2, 3.3, 3.5, 11.5 and 11.6 hereof with respect to facts and circumstances occurring prior to the effective date of such assignment; provided, that except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this paragraph shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section 11.10 (other than a purported assignment to a natural Person or a Borrower or any of a Borrower's Subsidiaries or Affiliates, which shall be null and void.)

(b) Register. Agent, acting solely for this purpose as a non-fiduciary agent of the Borrowers, shall maintain at one of its offices in Charlotte, North Carolina, a copy of each Assignment Agreement and each Additional Lender Assumption Agreement delivered to it and a register for the recordation of the

names and addresses of the Lenders, and the Revolving Credit Commitment of, and principal amounts of (and stated interest on) the Loans owing to, each Lender pursuant to the terms hereof from time to time (the “Register”). The entries in the Register shall be conclusive, absent manifest error, and the Borrowers, Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrowers and any Lender (but only to the extent of entries in the Register that are applicable to such Lender), at any reasonable time and from time to time upon reasonable prior notice.

(c) Participations. Any Lender may at any time, without the consent of, or notice to, the Borrowers or Agent, sell participations to any Person (other than a natural Person, (or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural Person), or the a Borrower or any of a Borrower’s Subsidiaries or Affiliates) (each, a “Participant”) in all or a portion of such Lender’s rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (i) such Lender’s obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrowers, Agent, the Fronting Lenders, the Swing Line Lender and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. For the avoidance of doubt, each Lender shall be responsible for the indemnity under Section 11.6 with respect to any payments made by such Lender to its Participant(s).

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in Section 11.3(b)(i)(A), (B) or (C) hereof that directly and adversely affects such Participant. The Borrowers agree that each Participant shall be entitled to the benefits of Sections 3.1, 3.2 and 3.3 hereof (subject to the requirements and limitations therein, including the requirements under Section 3.2(g) (it being understood that the documentation required under Section 3.2(g) hereof shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (a) of this Section 11.10; provided that such Participant (A) agrees to be subject to the provisions of Section 3.4 hereof as if it were an assignee under paragraph (a) of this Section 11.10; and (B) shall not be entitled to receive any greater payment under Sections 3.1 or 3.2 hereof, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at the Administrative Borrower’s request and the Borrowers’ expense, to use reasonable efforts to cooperate with the Borrowers to effectuate the provisions of Section 3.4(b) hereof with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 8.4 hereof as though it were a Lender; provided that such Participant agrees to be subject to Section 8.5 hereof as though it were a Lender.

Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts of (and stated interest on) each Participant’s interest in the Loans or other obligations under the Loan Documents (the “Participant Register”); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant’s interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the

Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, Agent (in its capacity as Agent) shall have no responsibility for maintaining a Participant Register.

(d) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including without limitation any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

Section 11.11 Patriot Act Notice. Each Lender and Agent (for itself and not on behalf of any other party) hereby notifies the Credit Parties that, pursuant to the requirements of the Patriot Act or any other Anti-Money Laundering Laws, such Lender and Agent are required to obtain, verify and record information that identifies the Credit Parties, which information includes the name and address of each of the Credit Parties and other information that will allow such Lender or Agent, as applicable, to identify the Credit Parties in accordance with the Patriot Act or other Anti-Money Laundering Laws. Each Borrower shall provide, to the extent commercially reasonable, such information and take such actions as are reasonably requested by Agent or a Lender in order to assist Agent or such Lender in maintaining compliance with the Patriot Act and other Anti-Money Laundering Laws.

Section 11.12 Severability of Provisions; Captions; Attachments. Any provision of this Agreement that shall be prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof or affecting the validity or enforceability of such provision in any other jurisdiction. The several captions to sections and subsections herein are inserted for convenience only and shall be ignored in interpreting the provisions of this Agreement. Each schedule or exhibit attached to this Agreement shall be incorporated herein and shall be deemed to be a part hereof.

Section 11.13 Investment Purpose. Each of the Lenders represents and warrants to Borrowers that it is entering into this Agreement with the present intention of acquiring any Note issued pursuant hereto (or, if there is no Note, the interest as reflected on the books and records of Agent) for investment purposes only and not for the purpose of distribution or resale, it being understood, however, that each Lender shall at all times retain full control over the disposition of its assets.

Section 11.14 Entire Agreement. This Agreement, any Note and any other Loan Document or other agreement, document or instrument attached hereto or executed on or as of the Closing Date integrate all of the terms and conditions mentioned herein or incidental hereto and supersede all oral representations and negotiations and prior writings with respect to the subject matter hereof.

Section 11.15 Limitations on Liability of the Fronting Lender. Borrowers assume all risks of the acts or omissions of any beneficiary or transferee of any Letter of Credit with respect to its use of such Letters of Credit. Neither the Fronting Lender nor any of its officers or directors shall be liable or responsible for (a) the use that may be made of any Letter of Credit or any acts or omissions of any beneficiary or transferee in connection therewith; (b) the validity, sufficiency or genuineness of documents, or of any endorsement thereon, even if such documents should prove to be in any or all respects invalid, insufficient, fraudulent or forged; (c) payment by the Fronting Lender against presentation of documents that do not comply with the terms of a Letter of Credit, including failure of any documents to bear any reference or adequate reference to such Letter of Credit; or (d) any other circumstances whatsoever in making or failing to make payment under any Letter of Credit, except that the account party on such Letter of Credit shall have a claim against the Fronting Lender, and the Fronting Lender shall be liable to such account party, to the extent of any direct, but not consequential, damages suffered by such account party

that such account party proves were caused by (i) the Fronting Lender's willful misconduct or gross negligence (as determined by a court of competent jurisdiction) in determining whether documents presented under a Letter of Credit comply with the terms of such Letter of Credit, or (ii) the Fronting Lender's willful failure to make lawful payment under any Letter of Credit after the presentation to it of documentation strictly complying with the terms and conditions of such Letter of Credit. In furtherance and not in limitation of the foregoing, the Fronting Lender may accept documents that appear on their face to be in order, without responsibility for further investigation.

Section 11.16 General Limitation of Liability. No claim may be made by any Credit Party, any Lender, Agent, the Fronting Lender or any other Person against Agent, the Fronting Lender, or any other Lender or the affiliates, directors, officers, employees, attorneys or agents of any of them for any damages other than actual compensatory damages in respect of any claim for breach of contract or any other theory of liability arising out of or related to the transactions contemplated by this Agreement or any of the other Loan Documents, or any act, omission or event occurring in connection therewith; and Borrowers, each Lender, Agent and the Fronting Lender hereby, to the fullest extent permitted under applicable law, waive, release and agree not to sue or counterclaim upon any such claim for any special, consequential or punitive damages, whether or not accrued and whether or not known or suspected to exist in their favor; provided that nothing in this Section 11.16 shall limit the indemnity and reimbursement obligations set forth in Section 11.6 hereof to the extent that such special, consequential or punitive damages are included in any claim by a third party unaffiliated with any indemnified person with respect to which the applicable indemnified person is entitled to indemnification under Section 11.6 hereof.

Section 11.17 No Duty. All attorneys, accountants, appraisers, consultants and other professional persons (including the firms or other entities on behalf of which any such Person may act) retained by Agent or any Lender with respect to the transactions contemplated by the Loan Documents shall have the right to act exclusively in the interest of Agent or such Lender, as the case may be, and shall have no duty of disclosure, duty of loyalty, duty of care, or other duty or obligation of any type or nature whatsoever to Borrowers, any other Companies, or to any other Person, with respect to any matters within the scope of such representation or related to their activities in connection with such representation. Each Borrower agrees, on behalf of itself and its Subsidiaries, not to assert any claim or counterclaim against any such persons with regard to such matters, all such claims and counterclaims, now existing or hereafter arising, whether known or unknown, foreseen or unforeseeable, being hereby waived, released and forever discharged.

Section 11.18 Legal Representation of Parties. The Loan Documents were negotiated by the parties with the benefit of legal representation and any rule of construction or interpretation otherwise requiring this Agreement or any other Loan Document to be construed or interpreted against any party shall not apply to any construction or interpretation hereof or thereof.

Section 11.19 Judgment Currency.

(b) If Agent, on behalf of the Lenders, or any other holder of the Obligations (the "Applicable Creditor"), obtains a judgment or judgments against any Credit Party in respect of any sum adjudged to be due to Agent or the Lenders hereunder or under the Notes (the "Judgment Amount") in a Judgment Currency

other than the Original Currency, the obligations of such Credit Party in connection with such judgment shall be discharged only to the extent that (i) on the Business Day following receipt by the Applicable Creditor of any sum adjudged to be so due in the Judgment Currency, such Applicable Creditor, in accordance with the normal banking procedures in the relevant jurisdiction, can purchase the Original Currency with the Judgment Currency, and (ii) if the amount of Original Currency so purchased is less than the amount of Original Currency that could have been purchased with the Judgment Amount on the date or dates the Judgment Currency was originally due and owing to Agent or the Lenders hereunder (the “Loss”), such Credit Party or US Borrower, as a separate obligation and notwithstanding any such judgment, indemnifies Agent or such Lender, as the case may be, against such Loss. US Borrower hereby agrees to such indemnification. For purposes of determining the equivalent in one currency of another currency as provided in this Section 11.19, such amount shall include any premium and costs payable in connection with the conversion into or from any currency. The obligations of the Credit Parties contained in this Section 11.19 shall survive the termination of this Agreement and the payment of all other amounts owing hereunder.

Section 11.20 Governing Law; Submission to Jurisdiction.

(a) Governing Law. This Agreement, each of the Notes and any Loan Document (except as otherwise set forth in any Loan Document executed by a Foreign Subsidiary) shall be governed by and construed in accordance with the laws of the State of New York and the respective rights and obligations of Borrowers, Agent, and the Lenders shall be governed by New York law, without regard to principles of conflicts of laws.

(b) Submission to Jurisdiction. Each Borrower hereby irrevocably submits to the exclusive jurisdiction of the courts of the State of New York sitting in New York County, and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, over any action or proceeding arising out of or relating to this Agreement, the Obligations or any Loan Document (except as otherwise set forth in any Loan Document executed by a Foreign Subsidiary), and each Borrower hereby irrevocably agrees that all claims in respect of such action or proceeding shall be heard and determined in such New York state or federal court. Each Borrower, on behalf of itself and its Subsidiaries, hereby irrevocably waives, to the fullest extent permitted by law, any objection it may now or hereafter have to the laying of venue in any action or proceeding in any such court as well as any right it may now or hereafter have to remove such action or proceeding, once commenced, to another court on the grounds of FORUM NON CONVENIENS or otherwise. Each Borrower agrees that a final, non-appealable judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

Section 11.21 JURY TRIAL WAIVER. TO THE EXTENT PERMITTED BY LAW, EACH BORROWER, AGENT AND EACH LENDER WAIVE ANY RIGHT TO HAVE A JURY PARTICIPATE IN RESOLVING ANY DISPUTE, WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE, AMONG BORROWERS, AGENT AND THE LENDERS, OR ANY THEREOF, ARISING OUT OF, IN CONNECTION WITH, RELATED TO, OR INCIDENTAL TO THE RELATIONSHIP ESTABLISHED AMONG THEM IN CONNECTION WITH THIS AGREEMENT OR ANY NOTE OR OTHER INSTRUMENT, DOCUMENT OR AGREEMENT EXECUTED OR DELIVERED IN CONNECTION HERewith OR THE TRANSACTIONS RELATED THERETO.

Section 11.22 Confidentiality. Each of Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates’ respective Related Parties (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any Governmental Authority (including any self-

regulatory authority, such as the National Association of Insurance Commissioners) or in accordance with Agent's, the Fronting Lender's or any Lender's regulatory compliance policy if Agent, the Fronting Lender or such Lender, as applicable, deems such disclosure to be necessary for the mitigation of claims by those authorities against Agent, the Fronting Lender or such Lender, as applicable, or any of its Related Parties (in which case, Agent, the Fronting Lender or such Lender, as applicable, shall use commercially reasonable efforts to, except with respect to any audit or examination conducted by bank accountants or any governmental bank regulatory authority exercising examination or regulatory authority, promptly notify the US Borrower, in advance, to the extent practicable and otherwise permitted by applicable law), (c) as to the extent required by applicable law or regulations or in any legal, judicial, administrative proceeding or other compulsory process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (x) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (y) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Credit Parties and their obligations, (g) on a confidential basis to (1) any rating agency in connection with rating any Borrower or its Subsidiaries or the credit facilities provided for herein or (2) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the credit facilities provided for herein, (h) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section or (y) becomes available to Agent or any Lender on a non-confidential basis from a source other than the Borrowers that is not, to the knowledge of the Agent or any Lender, subject to contractual or fiduciary confidentiality obligations owing to any Borrower or its Subsidiaries, (i) to the extent that such information is independently developed by such Person, or (j) for purposes of establishing a "due diligence" defense. For the purposes of this Section, "Information" means all information received from any Borrower or any Subsidiary thereof relating to any Borrower or any Subsidiary thereof or any of their respective businesses, other than any such information that is available to Agent or any Lender on a non-confidential basis prior to disclosure by the Borrowers or any Subsidiary thereof from a source other than the Borrowers or any Subsidiary thereof that is not, to the knowledge of Agent, or any Lender, subject to contractual or fiduciary confidentiality obligations owing to any Borrower or its Subsidiaries and other than information pertaining to this Agreement routinely provided by arrangers to data service providers, including league table providers, that serve the lending industry. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Section 11.23 Amendment and Restatement; No Novation. This Agreement constitutes an amendment and restatement of the Existing Credit Agreement, effective from and after the Closing Date. The execution and delivery of this Agreement shall not constitute a novation of any indebtedness or other obligations owing to the lenders or the administrative agent under the Existing Credit Agreement based on facts or events occurring or existing prior to the execution and delivery of this Agreement. On the Closing Date, the credit facilities described in the Existing Credit Agreement, shall be amended, supplemented, modified and restated in their entirety by the facilities described herein, and all loans and other obligations of Borrowers outstanding as of such date under the Existing Credit Agreement, shall be deemed to be loans and obligations outstanding under the corresponding facilities described herein, without any further action by any Person, except that Agent shall make such transfers of funds as are necessary in order that the outstanding balance of such loans, together with any Loans funded on the Closing Date, reflect the respective Revolving Credit Commitment of the Lenders hereunder.

Section 11.24 Acknowledgment and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement

or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

Section 11.25 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, Agent, each Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrowers or any other Credit Party, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit or the Commitments;

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement;

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through

(g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement; or

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, Agent, each Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrowers or any other Credit Party, that none of Agent, any Arranger and their respective Affiliates is a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

Section 11.26 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Hedge Agreements or any other agreement or instrument that is a QFC (such support, "QFC Credit Support" and, each such QFC, a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the FDIC under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 11.26, the following terms have the following meanings:

“BHC Act Affiliate” of a party means an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

“Default Right” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

(c) “QFC” has the meaning assigned to the term “qualified financial contract” in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).
