PROXY STATEMENT ANNUAL MEETING OF STOCKHOLDERS

To be Held on May 20, 2004

The Board of Directors of TeleTech Holdings, Inc., a Delaware corporation (“TeleTech,” the “Company,” “we,” “us,” or “our”) is soliciting proxies to be used at our Annual Meeting of stockholders to be held at 10:00 a.m. on May 20, 2004, at TeleTech Holdings, Inc.’s Principal Offices located at 9197 S. Peoria Street, Englewood, Colorado 80112. This proxy statement contains important information regarding TeleTech’s Annual Meeting, the proposals on which you are being asked to vote, information you may find useful in determining how to vote and voting procedures.

A number of abbreviations are used in this Proxy Statement. The term “proxy materials” includes this proxy statement, the enclosed proxy card, and TeleTech’s Annual Report for 2003.

The Board of Directors is sending these proxy materials on or about April 11, 2004.

Who Can Vote

Stockholders of record at the close of business on March 25, 2004 (the “Record Date”) may vote at the Annual Meeting. On the Record Date, we had approximately 75,244,847 issued and outstanding shares of common stock, which were held by approximately 113 record holders. If you hold shares in a stock brokerage account or by a nominee, you are considered the beneficial owner of shares held in “street name” and these proxy materials are being forwarded to you by your broker or nominee, who is considered the record holder with respect to those shares. As the beneficial owner, you have the right to direct your broker or nominee on how to vote and you are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote these shares in person at the meeting unless you first obtain from your broker or nominee a letter recognizing you as the beneficial owner of your shares. Your broker or nominee has enclosed a voting instruction card for you to use. **You are urged to vote by proxy regardless of whether you attend the Annual Meeting.**

How You Can Vote

You can vote your shares if you are represented by proxy or present in person at the Annual Meeting. If you hold your shares through your broker in “street name,” you may direct your broker or nominee to vote by proxy, but you may not vote in person at the meeting unless you first obtain from your broker or nominee a letter recognizing you as the beneficial owner of your shares. If you return a properly signed proxy card, we will vote your shares as you direct. If your proxy card does not specify how you want to vote your shares, we will vote your shares “FOR” the election of all nominees for director and as recommended by the Board with regard to all other matters.

and follow the instructions to cast your vote. You can also register to receive all future shareholder communications electronically, instead of in print. This means that the annual report, proxy statement, and other correspondence will be delivered to you electronically via e-mail.

Votes submitted via the Internet or by telephone must be cast by 12:00 a.m. EDT on May 19, 2004. Votes submitted by mail must be received on or before May 15, 2004. Submitting your vote by mail, telephone or via the Internet will not affect your right to vote in person if you decide to attend the 2004 Annual Meeting.

PLEASE DO NOT RETURN THE ENCLOSED PAPER BALLOT IF YOU ARE VOTING OVER THE INTERNET OR BY TELEPHONE.

Revocation of Proxies

You can revoke your proxy at any time before it is voted at the Annual Meeting by any of the following three methods:

- by voting in person at the Annual Meeting;
- by delivering to the Company's Secretary a written notice of revocation dated after the proxy; or
- by delivering another proxy dated after the previous proxy.

Required Votes

Each share of common stock has one vote on all matters properly brought before the Annual Meeting. In order to conduct business at the Annual Meeting, a quorum of a majority of the outstanding shares of common stock entitled to vote as of the Record Date must be present in person or represented by proxy. The affirmative vote of a plurality of the shares represented at the meeting, in person or by proxy, will be necessary for the election of directors. The affirmative vote of a majority of the shares represented at the meeting, in person or by proxy, will be necessary for approval of the other Company proposals.

Kenneth D. Tuchman, Chairman and Chief Executive Officer of the Company and the beneficial owner of approximately 49.5% of the shares of common stock entitled to vote at the meeting, has indicated that he intends to vote for all persons nominated by the Board of Directors for election to the Board of Directors and as recommended by the Board with regard to other proposals to be presented at the Annual Meeting.

Voting Procedures

Votes cast by proxy at the Annual Meeting will be tabulated by an automatic system administered by the Company's transfer agent. Votes cast by proxy or in person at the Annual Meeting will be counted by the persons appointed by the Company to act as election inspectors for the Annual Meeting. Abstentions and broker non-votes (as described below) are each included in the determination of the number of shares present

Table of Contents

at the Annual Meeting for purposes of determining the presence of a quorum and are tabulated separately. Abstentions are counted in tabulations of the votes cast on proposals presented to stockholders and except with respect to the election of directors, will have the same effect as negative votes. With regard to the election of directors, votes may be cast in favor or withheld; votes that are withheld will be excluded entirely from the tabulation of votes and will have no effect. Broker non-votes are not counted for purposes of determining whether a proposal has been approved.

If your shares are held in the name of a broker and you do not return a proxy card, brokerage firms have the authority to vote your non-voted shares on certain routine matters, such as the election of directors and the ratification of auditors. No broker may vote shares with respect to the amendments to the TeleTech Holdings, Inc. Employee Stock Purchase Plan or the Stockholder Proposal without specific instructions from beneficial owners. If you do not instruct your broker on how to vote on these two proposals, your shares will not be voted on these proposals resulting in “broker non-votes”, and will not be counted towards the vote totals for such proposals.

If you hold shares in TeleTech’s Employee Stock Purchase Plan (“ESPP”) and you do not return a proxy card, Wachovia Securities, as third party administrator of the ESPP has the authority to vote your shares on certain routine matters, such as the election of directors and the ratification of auditors. Wachovia may not vote shares with respect to the amendment to the Employee Stock Purchase Plan or the Stockholder Proposal without specific instructions from beneficial owners.

Cumulative voting is not permitted in the election of directors. Consequently, you are entitled to one vote for each share of TeleTech common stock held in your name for as many persons as there are directors to be elected, and for whose election you have the right to vote.

Costs of Proxy Solicitation

The Company will bear the costs of soliciting proxies from its stockholders. Certain directors, officers and other employees of the Company, not specially employed for this purpose, may solicit proxies, without additional remuneration therefore, by personal interview, mail, telephone or other means of communication. The Company will request brokers and other fiduciaries to forward proxy soliciting material to the beneficial owners of shares of common stock that are held of record by such brokers and fiduciaries and will reimburse such persons for their reasonable out-of-pocket expenses.

Admission to the Annual Meeting

If you plan to attend the Annual Meeting, please mark the appropriate box on the proxy card and return the proxy card promptly. If you are a stockholder of record and arrive at the Annual Meeting without an admission ticket, you will only be admitted once we verify your share ownership at the stockholders’ admission counter. If you are a beneficial owner, you will only be admitted upon presentation of evidence of your beneficial holdings, such as a bank or brokerage firm account statement.

Stockholder List

A complete list of stockholders entitled to vote at the Annual Meeting will be available for examination by any stockholder, for any purpose germane to the meeting, at the Annual Meeting and at the Company’s principal office located at 9197 S. Peoria Street, Englewood, Colorado 80112 during normal business hours for a period of at least 10 days prior to the Annual Meeting.

Information Regarding the Board of Directors and Committees Thereof

The Board of Directors held twelve meetings during our 2003 fiscal year. All directors attended at least 75% of the total number of meetings held by the Board of Directors and by the committees of the Board of Directors on which they served. We do not have a formal policy on Board member attendance at our Annual Meetings although we encourage members of the Board to attend our Annual Meetings. Last year, eight of our directors attended the Annual Meeting.

The Board of Directors has determined that George Heilmeier, William Linnenbringer, Ruth Lipper, Mark Thompson and Shirley Young qualify as "independent directors" as defined in Rule 4200(a)(15) of the National Association of Securities Dealers ("NASD") listing standards, which become effective as of the date of our Annual Meeting. Beginning in 2004, we intend to hold regularly scheduled executive sessions at least two times each year, at which only our independent directors are present.

The Board of Directors has standing Audit, Compensation and Nominating and Governance Committees, which assist the Board in the discharge of its responsibilities. Members of each committee are elected by the Board at its first meeting following the Annual Meeting of stockholders and serve for one-year terms.

The Audit Committee is charged with the responsibility of overseeing the accounting and financial reporting processes of the Company and the audits of the Company's financial statements, the appointment of

Table of Contents

the independent public accountants of TeleTech, the scope and fees of the prospective annual audit and the results thereof, compliance with TeleTech's accounting and financial policies and management's procedures and policies relative to the adequacy of TeleTech's internal accounting controls. The Audit Committee is required under its written charter to hold regular meetings at least four times each year. The current members of the Audit Committee are William Linnenbringer, Morton Meyerson and George Heilmeier each of whom is independent under the SEC and NASD rules. Morton Meyerson is not standing for reelection at the Annual Meeting of Shareholder's and will resign from our Audit Committee and our Board of Directors, leaving us with one vacancy on our Audit Committee. In accordance with the NASD rules, we intend to fill such vacancy and maintain an Audit Committee comprised of at least three independent Board members prior to the one year anniversary of the vacancy to the Audit Committee. Our Board of Directors determined that each of the members of the Audit Committee is able to read and understand fundamental financial statements, including the Company's balance sheet, income statement and cash flow statement. In addition, our Board of Directors has determined that William Linnenbringer qualifies as an "audit committee financial expert" within the meaning of the regulations of the SEC. Mr. Dammeyer, who resigned from the Board of Directors in January 2004, served on the Audit Committee from May 2003 through January 2004. During 2003, the Audit Committee held four (4) regularly scheduled meetings and eight (8) special meetings and took all other actions pursuant to unanimous written consent in lieu of meetings. The Audit Committee has a written charter adopted by our Board of Directors, a copy of which is attached hereto as Appendix A. The Audit Committee reviews and assesses the adequacy of its charter on an annual basis. See "Report from the Audit Committee".

The Compensation Committee reviews performance goals and determines or approves the annual salary and bonus for each executive officer (consistent with the terms of any applicable employment agreement); reviews, approves and recommends terms and conditions for all employee benefit plans (and changes thereto); and administers the TeleTech Holdings, Inc. Amended and Restated 1999 Stock Option and Incentive Plan; the TeleTech Holdings, Inc. 1995 Stock Plan; the TeleTech Holdings, Inc. Employee Stock Purchase Plan and such other employee benefit plans as may be adopted by TeleTech from time to time. See "Report of the Compensation Committee on Executive Compensation." The current members of the Compensation Committee are Ruth Lipper and Shirley Young each of whom is an independent non-employee director of the Company under the SEC and NASD rules, as applicable. Mr. Dammeyer served on the Compensation Committee from May 2003 through January 2004. During 2003, the Compensation Committee held four (4) regularly scheduled meetings and three (3) special meetings and took all other actions pursuant to unanimous written consents in lieu of meetings. The Compensation Committee operates under the Compensation Committee Charter adopted by our Board, a copy of which is attached hereto as Appendix B.

The Nominating and Governance Committee is charged with identifying and recommending to the Board of Directors qualified candidates for election or appointment to the Board of Directors, overseeing matters of corporate governance, including the evaluation of Board performance and processes and assignment and rotation of Board Committee members. The Nominating and Governance Committee utilizes a variety of methods for identifying and evaluating nominees for director. In the event that vacancies on the Board arise, the Nominating and Governance Committee considers potential candidates for director, which may come to the attention of the Nominating and Governance Committee through current directors, professional search firms, shareholders or other persons. The Nominating and Governance Committee will consider candidates for the Board recommended by stockholders if the names and qualifications of such candidates are submitted in writing in accordance with the notice provisions for stockholder proposals set forth under the caption "General Information — Next Annual Meeting of Stockholders" in this Proxy Statement to the Corporate Secretary of TeleTech, 9197 S. Peoria Street, Englewood, Colorado 80112. As described above, the Nominating and Governance Committee considers properly submitted shareholder nominations for candidates for the Board of Directors in the same manner as it evaluates other nominees. Following verification of the shareholder status of persons proposing candidates, recommendations are aggregated and considered by the Nominating and Governance Committee. The materials provided by a shareholder to the Company for consideration of a nominee for director are forwarded to the Nominating and Governance Committee. All candidates are evaluated at meetings of the Nominating and Governance Committee. In evaluating such nominations, the Nominating and Governance Committee seeks to achieve the appropriate balance of industry and business

Table of Contents

knowledge and experience in light of the function and needs of the Board of Directors. The Nominating and Governance Committee considers candidates with excellent decision-making ability, business experience, personal integrity and reputation. In addition, the Nominating and Governance Committee recognizes the benefit of a Board of Directors that reflects the diversity of the Company's stockholders, employees and customers, and the locations in which it operates, and will seek qualified candidates for nomination and election to the Board of Directors in order to reflect such diversity. The Nominating and Governance Committee reviews, approves and oversees various corporate governance policies and recommends changes, if any, to the Board of Directors. The current members of the Nominating and Governance Committee are Morton Meyerson and Ruth Lipper each of whom satisfy the independence requirements for nominating committee members pursuant to NASD rules. Morton Meyerson is not standing for reelection at the Annual Meeting of Shareholder's and will resign from our Nominating and Governance Committee and our Board of Directors, leaving us with one vacancy on our Nominating and Governance Committee. In accordance with the NASD rules, we intend to fill such vacancy and maintain a Nominating and Governance Committee comprised of at least two independent Board members prior to the one year anniversary of the vacancy to the Nominating and Governance Committee. Mr. Barlett also served as a member of the Nominating and Governance Committee from May 2003 through December 2003. During 2003, the Nominating and Governance Committee held four (4) regularly scheduled meetings and one (1) special meeting. The Nominating and Governance Committee operates under the Nominating and Governance Committee adopted by our Board of Directors, a copy of which is attached hereto as Appendix C.

We have adopted a Code of Conduct applicable to all of our directors, officers (including its chief executive officers, chief financial officer, controller and any person performing similar functions) and employees which includes the prompt disclosure of any waiver of the Code for executive officers or directors approved by the Board of Directors. The Company has made the Code of Conduct available on its website at <http://www.teletech.com>. In addition to the charters attached to this Proxy Statement, you can also locate copies of the Audit Committee Charter, the Nominating and Governance Committee Charter, Compensation Committee Charter, Code of Conduct, and Corporate Governance Guidelines on the Company's website at www.teletech.com under "Investors", "Corporate Governance". You may also obtain a copy of any of these documents without charge by writing to: TeleTech Holdings, Inc., at 9197 S. Peoria Street, Englewood, Colorado 80112, Attention: Corporate Secretary.

In October 2001, Mr. Tuchman was also granted an option to purchase 420,000 shares of common stock at \$6.98 per share. The option vested as to 50% on October 1, 2001 and as to 100% on December 31, 2001. In February 2002, Mr. Tuchman was granted an option to purchase 420,000 shares of common stock at \$11.83 per share. The option vested as to 100% on February 25, 2003.

In October 2001, the Company entered into an employment agreement with James Barlett, a director of the Company, to serve as Vice Chairman of the Company. As compensation for such services, Mr. Barlett receives an annual salary of \$250,000 per year. In October 2001, Mr. Barlett was also granted an option to purchase 400,000 shares of common stock at \$7.84 per share. The option vests over a period of 4 years. Mr. Barlett also received a grant of 200,000 shares of restricted common stock for which restrictions lapsed as to 50% on October 15, 2003 and will lapse with respect to 100% on October 15, 2005 and a grant of 50,000 shares of restricted common stock for which restrictions lapse as to 100% on October 15, 2005. Both grants of restricted stock contain provisions which provide for the immediate lapse of all restrictions upon a change of control.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 (“Exchange Act”) requires the Company’s directors, executive officers and beneficial owners of more than 10% of the outstanding common stock (collectively, “insiders”) to file reports with the SEC disclosing their ownership of common stock and changes in such ownership. The rules of the SEC require insiders to provide the Company with copies of all Section 16(a) reports that the insiders file with the SEC. Based solely upon the Company’s review of copies of Section 16(a) reports received by it, and written representations that no such reports were required to be filed with the SEC, the Company believes that all of its insiders complied with all Section 16(a) filing requirements applicable to them during 2003.

During the term, Mr. Tuchman's base salary may be increased or decreased in a non-material way at the sole discretion of the Company. In addition, Mr. Tuchman will be entitled to participate in all other employee benefit plans, in each case, on terms and conditions no less favorable than the terms and conditions generally applicable to Mr. Tuchman's peers.

If, during the term, the Company terminates Mr. Tuchman's employment other than for cause, death or disability or if Mr. Tuchman resigns the Company will pay to Mr. Tuchman as severance (i) a sum equal to twenty-four (24) months of Mr. Tuchman's then current base salary payable in twenty four equal installments and will cause to vest all of Mr. Tuchman's unvested stock options that would have vested during the twelve months following termination.

If any payments or benefits that Mr. Tuchman receives are determined to be a "parachute payment" within the meaning of Section 280G(b)(2) of the Internal Revenue Code, his employment agreement provides for an additional payment to him to restore him to the after-tax position that he would have been in, if the tax had not been imposed.

During Mr. Tuchman's employment and for a period of three years thereafter, Mr. Tuchman will be subject to non-competition and non-solicitation of employees provisions. During the term and thereafter, Mr. Tuchman has agreed not to disclose confidential information or to disparage the Company or its affiliates.

At the time of his initial transition, his employment agreement was amended to provide that his annual bonus be targeted at 100% of his base salary. Mr. Kaufman left the employment of the Company in March 2004.

Executive Change of Control and Termination Arrangements

The Company's standard option agreement for employees who are employed at the vice president level or higher contains a provision whereby the vesting of such stock options (which typically have a 4 or 5 year vesting period) would accelerate by a period of 2 years immediately upon the occurrence of a change of control.

Certain Relationships and Related Party Transactions

The Company has entered into agreements pursuant to which Avion, LLC ("Avion") and AirMax, LLC ("AirMax") provide certain aviation flight services to and as requested by the Company. Such services include the use of an aircraft and flight crew. Kenneth D. Tuchman, Chief Executive Officer and Chairman of the Board of the Company, has a direct beneficial ownership interest equal to 100% in Avion. During 2003, the Company paid an aggregate of \$1.0 million to Avion for services provided to the Company. Mr. Tuchman also purchases services from AirMax and from time to time and provides short-term loans to AirMax. During 2003, the Company paid to AirMax an aggregate of \$804,000 for services provided to the Company including approximately \$100,000 in pass through costs. The Audit Committee of the Board of Directors reviewed these transactions quarterly and determined that the fees charged by Avion and Airmax are at fair market value.

Compensation Committee Interlocks and Insider Participation in Compensation Decisions.

Ruth Lipper, Rod Dammeyer and Shirley Young served on the Compensation Committee of the Board of Directors. Mr. Dammeyer resigned from the Board of Directors in January 2004. There were no Compensation Committee interlocks during 2003.

TeleTech believes that all transactions disclosed above have been, and TeleTech's Board of Directors intends that any future transactions with its officers, directors, affiliates or principal stockholders will be, on terms that are no less favorable to TeleTech than those that are obtainable in arm's length transactions with unaffiliated third parties.

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933 ("Securities Act") or the Exchange Act that might incorporate future filings, including this proxy statement, in whole or in part, the reports of the Audit and Compensation Committees presented below and the performance graph following the reports shall not be deemed to be "soliciting material" or "filed" with the SEC or subject to liabilities of Section 18 of the Exchange Act except to the extent that TeleTech specifically incorporates any of them into a document filed under the Securities Act or Exchange Act.

REPORT OF THE COMPENSATION

COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee of the Company's Board of Directors (the "Compensation Committee") approves and oversees the Company's compensation policy, approves salaries and annual bonuses for executive officers of the Company, including the named executive officers, and administers the Company's stock option plans and stock purchase plan. In fulfilling its responsibilities, the Compensation Committee receives significant input from the Company's Chief Executive Officer and other members of senior management. The Compensation Committee is composed of independent non-employee directors.

Compensation Policy

Components of Compensation. The Company's compensation policy for executive management is designed to recruit, motivate and retain highly qualified individuals by (i) rewarding individual achievement, (ii) enabling individuals to share in the risks and rewards of the Company's overall performance and (iii) paying compensation that is competitive with industry compensation levels. The key components of the Company's current compensation policy, which is designed to balance short-term and long-term considerations, are competitive salaries, annual cash performance bonuses and long-term equity incentives. In February 2004, the Compensation Committee approved a Management Incentive Plan ("MIP") based on company profitability to determine the specific amount of bonus compensation payable to any member of management. The Compensation Committee also determined that all members of management should undergo an annual performance review.

2003 Compensation

Annual Salaries. The Chief Executive Officer of the Company, has authority to hire all members of executive management of the Company, subject to the Compensation Committee's approval of the compensation to be paid to such executives. Subject to the approval of the Compensation Committee, the Chief Executive Officer also determines the compensation payable to persons offered executive level employment with the Company and annual salary increases for members of the Company's executive management. The Board, at the recommendation of the Compensation Committee, determines adjustments to the Chief Executive Officer's compensation and evaluates the performance of the Chief Executive Officer. In determining and approving the amount of compensation for executive management, the Chief Executive Officer and the Compensation Committee consider factors such as the executive's contribution to the Company's overall operating effectiveness, strategic success and profitability; the executive's role in developing and maintaining key client relationships; the level of responsibility, scope and complexity of such executive's position relative to other executive management; and the executive's leadership growth and management development over the past year. The salaries of the Company's named executive officers, which are listed in the Summary Compensation Table located elsewhere in this proxy statement, are governed primarily by written employment agreements with the Company.

Performance Bonuses. In February 2004, the Compensation Committee adopted the Management Incentive Plan ("MIP") and conducted annual performance reviews for all executive management. Pursuant to the MIP, cash performance bonuses for executives are determined and approved annually by the Compensation Committee based on specific metrics relative to the Company's overall performance including revenue growth, operating margin, capital expenditure, earnings per share and cash flow.

Long-Term Incentives. Stock-based compensation is also an important element of the Company's compensation policy. Stock options are generally offered to induce an executive to accept employment with the Company and then on an annual basis to retain and motivate the management team. The Compensation Committee believes that stock options, which vest over time and are subject to forfeiture, align the interests of executive management with the interests of the Company's stockholders. The Compensation Committee also believes that substantial equity ownership by individuals in leadership positions within the Company ensure that such individuals will remain focused on building stockholder value. An executive officer level committee, consisting of the Company's Chief Executive Officer, the Company's Chief Financial Officer and the Company's General Counsel has the authority to administer the Company's stock option plans with respect to option grants of not more than 100,000 options to employees who are not executive officers. Any stock option grants in excess of 100,000 or to an executive officer must be approved by the Compensation Committee.

Compensation of the Chief Executive Officer. Pursuant to Mr. Tuchman's employment agreement as described above, Mr. Tuchman was not entitled to receive an annual bonus. Mr. Tuchman is paid a base salary of \$250,000 with no cash bonus or other variable compensation. Based upon proxy data reviewed by the Company, the Company believes this compensation is below the compensation paid similarly situated Chief Executive Officers. Mr. Tuchman chooses, however, to accept a level of base pay below the competitive norm in order to conserve capital expenditures until such time as the Company returns to profitability. The Board reviews the CEO's performance once annually.

Limitations on the Deductibility of Compensation. Under Section 162(m) of the Internal Revenue Code of 1986, as amended, and applicable Treasury regulations, no tax deduction is allowed for annual compensation in excess of \$1 million paid to the five most highly compensated executive officers. Performance-based compensation that has been disclosed to and approved by stockholders, by a majority of the vote in a separate stockholder vote before the payment of such compensation, is excluded from the \$1 million limit if, among other requirements, the compensation is payable only upon attainment of pre-established, objective performance goals and the board committee that establishes such goals consists only of “outside directors” as defined for purposes of Section 162(m). All of the members of the Compensation Committee qualify as “outside directors.” The Compensation Committee intends to maximize the extent of tax deductibility of executive compensation under the provisions of Section 162(m) so long as doing so is compatible with its determinations as to the most appropriate methods and approaches for the design and delivery of compensation to executive officers of the Company.

REPORT FROM THE AUDIT COMMITTEE

Management is responsible for the Company’s financial reporting process including its system of internal control, and for the preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States of America. The Company’s independent auditors are responsible for auditing those financial statements. Our responsibility is to monitor and review these processes. It is not our duty or our responsibility to conduct auditing or accounting reviews or procedures. We are not employees of the Company and we may not be, and we may not represent ourselves to be or to serve as, accountants or auditors by profession or experts in the fields of accounting or auditing. Therefore, we have relied, without independent verification, on management’s representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States of America and on the representations of the independent auditors included in their report on the Company’s financial statements. Our oversight does not provide us with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, our considerations and discussions with management and the independent auditors do not assure that the Company’s financial statements are presented in accordance with generally accepted accounting principles or that the audit of our Company’s financial statements has been carried out in accordance with generally accepted auditing standards.

We perform the following functions:

- provide an open avenue of communication among the Company’s independent auditor, the Company’s Vice President of Internal Auditing and the Board of Directors.
- oversee the adequacy of the Company’s internal controls and financial reporting process and the reliability of the Company’s financial statements.
- confirm and assure the independence of the Company’s independent auditors.
- review and approve the provision by the independent auditors all permissible non-audit services.
- oversee the function, adequacy and progress of the Company’s internal audit department.
- conduct or authorize investigations into any matters within the committee’s scope of responsibility.
- review and approve the establishment and compliance with the Company’s Code of Conduct.

[Table of Contents](#)

- review and approve all related-party transactions.

We meet with management periodically to consider the adequacy of the Company's internal controls and the objectivity of its financial reporting. We discuss these matters with the Company's independent auditors and with appropriate Company financial personnel, including the Company's Vice President of Internal Auditing.

We are also directly responsible for the appointment, compensation and oversight of the work of the independent auditors and review periodically their performance and independence from management.

The Directors who serve on the committee are all "Independent" for purposes of the NASD standards. That is, the Board of Directors has determined that none of us has a relationship with TeleTech that may interfere with our independence from TeleTech and its management.

The Board of Directors has adopted a written charter for the Audit Committee a copy of which is attached as Appendix A to our Proxy Statement used in connection with our 2004 Annual Stockholders Meeting.

The independent auditors audit the annual financial statements prepared by management, express an opinion as to whether those financial statements fairly present the financial position, results of operations and cash flows of the Company in conformity with accounting principles generally accepted in the United States of America and discuss with us any issues they believe should be raised with us.

This year, we reviewed the Company's financial statements and met with both management and Ernst & Young LLP, the Company's independent auditors, to discuss those financial statements. Management has represented to us that the financial statements were prepared in accordance with accounting principles generally accepted in the United States of America.

We have received from and discussed with Ernst & Young LLP the written disclosure and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and have discussed with Ernst & Young LLP such firm's independence from the Company. We also discussed with Ernst & Young LLP any matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

Based on these reviews and discussions, we recommended to the Board that the Company's audited financial statements be included in the company's Annual Report on Form 10-K for the year ended December 31, 2003 for filing with the Securities and Exchange Commission.

- *Audit Related Fees.* Fees for audit-related services totaled approximately \$102,000 in 2003 and approximately \$71,000 in 2002. Audit-related services principally included due diligence in connection with proposed acquisitions, accounting consultations and benefit plan audits.

The Audit Committee has considered whether the independent auditors' provision of other non-audit services to the Company is compatible with the auditors' independence and determined that it is compatible. One hundred percent of the Non-Audit Services provided by Ernst & Young LLP were approved by the Audit Committee pursuant to its Pre-Approval of Audit and Permissible Non-Audit Services.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services

Consistent with the SEC and NASD policies regarding auditor independence, our Audit Committee has responsibility for appointing, setting compensation and overseeing the work of our independent auditor. In recognition of this responsibility and in accordance with the Audit Committee's charter, the Audit Committee has established a policy to pre-approve audit and permissible non-audit services provided by the independent auditor as follows:

Any and all services to be provided by TeleTech's external audit firm must be approved by the Audit Committee of TeleTech's Board of Directors. Any director, officer or employee of the company proposing to engage the services of TeleTech's external audit firm for any reason (regardless of scope of the project or associated costs) must submit a request for approval, in writing, to TeleTech's Corporate Controller. The Corporate Controller will review the request and, if necessary, obtain additional information from the requestor.

If the proposed services fall into one of the specified prohibited services categories as set forth in the Sarbanes-Oxley Act of 2002, the Corporate Controller will deny the request.

Both the Corporate Controller and the Assistant General Counsel should review requests that are not clearly determined to fall into the prohibited services category. Requests that are approved by the Corporate Controller and Assistant General Counsel will then be forwarded to the Corporate Chief Financial Officer for further review.

Requests that are approved by the Corporate Chief Financial Officer will be forwarded to the Audit Committee Chairperson (projects with a total expected cost of less than or equal to \$100,000) or to the Audit Committee (projects with a total expected cost of more than \$100,000) by the Assistant General Counsel. The Chairperson reports all pre-approvals to the full Audit Committee at each regularly scheduled meeting and all such pre-approvals are ratified by the full Audit Committee.

The Corporate Controller will be responsible for tracking the status of all requests and for reporting the final disposition to the requestor and to the Assistant General Counsel. The Assistant General Counsel will be responsible for maintaining documentation supporting the disposition of all requests. No contracts or engagement letters may be signed and no work may commence until the requisite written approval has been received.

PROPOSAL 2:
APPROVAL OF AMENDMENTS TO
THE TELETECH HOLDINGS, INC.
EMPLOYEE STOCK PURCHASE PLAN

Stockholders are being asked to consider and approve this proposal to amend and restate the Company's ESPP (as amended and restated, the "Amended ESPP") to increase the number of shares subject to the Amended ESPP from 1,000,000 to a total of 2,500,000 shares. The Board of Directors has adopted the Amended ESPP, subject to stockholder approval, and the Amended ESPP will become effective when stockholder approval is obtained. The material terms of the Amended ESPP are summarized below and are qualified in their entirety by the terms of the Amended ESPP, which is included as Appendix D to this Proxy Statement.

General

The Amended ESPP is intended to qualify as an "employee stock purchase plan" under Section 423 of the Internal Revenue Code of 1986, as amended (the "Code"). A total of 2,500,000 shares of common stock are being reserved for issuance under the Amended ESPP. Because benefits under the Amended ESPP will vary depending on participants' elections and the fair market value of the common stock at various future dates, it is not possible to determine exactly what benefits might be received by the Company's employees following the adoption of the Amended ESPP.

Purpose

The purpose of the Amended ESPP is to provide a means for employees to share in the ownership of the Company through payroll deductions, and to provide an incentive for continued employment. The Amended ESPP enables employees to buy small amounts of common stock without incurring transaction costs and gives them the additional advantage of dollar cost averaging in their purchases of common stock. Increased loyalty, productivity, and stockholder value often result from employee stock ownership.

Administration

The Amended ESPP is administered by the Compensation Committee of the Board of Directors.

Eligibility

All employees of the Company and its subsidiaries are eligible to participate in the Amended ESPP except (i) employees who have not worked for the Company for at least three months; (ii) five percent or greater stockholders of the Company; (iii) employees who do not work more than 20 hours per week; and (iv) employees who do not work more than five months per year. Approximately 17,700 employees are eligible to participate in the ESPP. The number of employees includes four (4) Officers as defined in Rule 16(b)-3 and one (1) Director who is employed by the Company.

Grant of Purchase Rights

Eligible employees may participate by executing and submitting a subscription agreement authorizing specific regular payroll deductions of not less than \$50 per month and not more than 15% of the employee's compensation. All eligible employees have the same rights and privileges with respect to the purchase of shares under the Amended ESPP. In no event, however, may an employee be allowed to contribute in excess of \$25,000 in any one calendar year to purchase stock.

Offering Periods

The offering periods are semi-annual, with the first period beginning on October 16 and ending on April 15 and the second period beginning on April 16 and ending on October 15.

Purchase Price

The purchase price per share of each purchase right granted under the Amended ESPP shall be the lesser of the fair market value of a share of common stock on the first or last day of each offering period, less 15%.

Federal Income Tax Considerations

The following is a general summary as of the date of this proxy statement of the U.S. federal income tax considerations associated with the purchase of shares of common stock under the Amended ESPP. The U.S. federal tax laws may change and the U.S. federal, state, and local tax consequences for any participating employee will depend upon his or her individual circumstances. Each participating employee is encouraged to seek the advice of a qualified tax advisor regarding the tax consequences of participation in the Amended ESPP.

General. The Amended ESPP is intended to qualify as an “employee stock purchase plan” within the meaning of Section 423 of the Code.

Tax Treatment of the Employee. Participating employees will not recognize income for U.S. federal income tax purposes either upon enrollment in the Amended ESPP or upon the purchase of shares of common stock under the Amended ESPP. All tax consequences are deferred until a participating employee sells the shares, disposes of shares by gift, or dies. Payroll deductions used to purchase shares of common stock, however, remain fully taxable as ordinary income at the time the deduction is taken, and there is no deferral of the ordinary income tax assessed on these amounts.

If shares are held for more than one year after the date of purchase and more than two years from the beginning of the applicable purchase period or if the employee dies while owning the shares, the employee realizes ordinary income on a sale (or a disposition by way of gift or upon death) to the extent of the lesser of: (i) 15% of the fair market value of the shares at the beginning of the purchase period, or (ii) the actual gain (the amount by which the market value of the shares on the date of sale, gift or death exceeds the purchase price). All additional gain upon the sale of shares is treated as long-term capital gain. If the shares are sold and the sale price is less than the purchase price, there is no ordinary income, and the employee has long-term capital loss for the difference between the sale price and the purchase price depending upon the amount of time the shares are held.

If the shares are sold or are otherwise disposed of including by way of gift (but not death, bequest or inheritance) within either the one-year or the two-year holding periods described above (in any case, a disqualifying disposition), the employee realizes ordinary income at the time of sale or other disposition equal to 15% of the fair market value of the shares at the date of purchase. This amount will constitute ordinary income in the year of the sale or other disposition even if no gain is realized on the sale or if a gratuitous transfer is made. The difference, if any, between the proceeds of sale and the fair market value of the shares at the date of purchase is a long-term or short-term capital gain or loss, depending on how long the shares have been held.

Tax Treatment of the Company. The Company will be entitled to a deduction in connection with the disposition of shares acquired under the Plan only to the extent that the employee recognizes ordinary income on a disqualifying disposition of the shares (but not if an employee satisfies the holding period requirements).

2. Adequate security for the protection of minority employees both at the workplace and while traveling to and from work.
3. The banning of provocative religious or political emblems from the workplace.
4. All job openings should be publicly advertised and special recruitment efforts should be made to attract applicants from underrepresented religious groups.
5. Layoff, recall, and termination procedures should not, in practice, favor particular religious groupings.
6. The abolition of job reservations, apprenticeship restrictions, and differential employment criteria, which discriminate on the basis of religion or ethnic origin.

Proponents Supporting Statement

We believe that our company benefits by hiring from the widest available talent pool. An employee's ability to do the job should be the primary consideration in hiring and promotion decisions.

Implementation of the MacBride Principles by TeleTech Holdings, Inc. will demonstrate its concern for human rights and equality of opportunity in its international operations.

Please vote your proxy FOR these concerns.

The Board of Director's Statement in Opposition

The Company's TeleTech Customer Care Management (Ireland) (TCCM-I) business unit currently employs 153 people at a facility in Belfast, Northern Ireland. Neither of the two major religious groups is underrepresented in the TeleTech workforce in Belfast.

The TCCM-I facility complies with all fair employment legislation, including requirements to register with the Equality Commission, to submit regular monitoring returns showing religious composition of the workforce and to review employment practices on a regular basis. The Equality Commission has provided training for TCCM-I management concerning fair employment practices and TCCM-I has a monitoring officer to monitor recruitment practices in accordance with Equality Commission guidelines. TCCM-I also enforces its own strict fair employment policy, which includes a prohibition of displays of religious and/or political emblems. Further, every effort is made to maintain a safe and secure workplace for employees.

The Company has also provided information to the Equality Commission and to the Investor Responsibility Research Center concerning the employment practices of the TCCM-I facility in Northern Ireland.

The Company's policy is to afford equal employment opportunity to qualified individuals regardless of their religion. The Company also is committed to providing to all its employees a workplace that is free from recognized safety and health hazards, and a work environment free from discrimination, harassment or personal behavior not conducive to a productive work climate. These principles are embodied in the Company's Code of Conduct, which applies throughout the Company's organization worldwide, including Northern Ireland.

Since the Company has already implemented the appropriate and legally permitted fair employment policies in Northern Ireland, the Board of Directors believes this proposal is unnecessary and therefore recommends that Stockholders vote **AGAINST** this proposal.

Recommendation of the Board of Directors

The Board of Directors recommends that you vote "AGAINST" Proposal 4.

During the year ended December 31, 2000 and December 31, 2001 and through May 10, 2002, the Company did not consult Ernst & Young LLP regarding any matters or events set forth in Item 304(a)(2)(i) and (ii) or Regulations S-K.

As required under SEC regulations, the Company provided Andersen with a copy of the Item 4 disclosure filed on Form 8-K on May 16, 2002 and requested Andersen to furnish the Company with a letter addressed to the Commission stating whether it agrees with the statements by the Company in Item 4 and, if not, stating the respects in which it did not agree.

Ernst & Young LLP has acted as the Company’s independent public accountants for the years ended December 31, 2003 and December 31, 2002. (e) The Committee shall have full discretionary authority to delegate ministerial functions to the management of the Company.

4. Eligibility.

All employees of the Company and its Affiliates shall be eligible to participate in the Plan, except (a) an employee who has not worked for the Company or an Affiliate for at least three months, beginning at least three months prior to an Offering Period and ending on the first day of an Offering Period, (b) any employee who owns stock possessing 5% or more of the total combined voting power or value of all classes of stock of the Company or an Affiliate, (c) any employee whose customary employment does not exceed 20 hours per week, and (d) any employee whose customary employment does not exceed five months in any calendar year. For purposes of this Paragraph 4, the term "employment" shall be interpreted in accordance with the provisions of Treasury Regulation Section 1.421-7(h) (or any successor thereto).

5. Election to Participate.

(a) *Subscription Agreements.* Each Eligible Employee may become a Participant by executing and submitting a Subscription Agreement to the Company at least seven (7) days prior to the beginning of the Offering Period in which payroll deductions will be made, authorizing specified regular payroll deductions. Subscription Agreements may not be retroactive. Subject to the limits of Paragraph 5(b), payroll deductions may be in any whole dollar amount, but not less than a rate of \$50 per month, and shall be made on an after-tax basis. All payroll deductions shall be recorded in the Accounts. All funds recorded in Accounts may be used by the Company and its Affiliates for any corporate purpose, subject to the Participant's right to withdraw at any time an amount equal to the entire cash balance accumulated in his or her Account as described in Paragraph 8. Once a Participant has withdrawn from participation in the Plan for an Offering Period, the former Participant must submit a new Subscription Agreement at least seven (7) days prior to the beginning of any subsequent Offering Period in which the former Participant elects to participate. Funds credited to Accounts shall not be required to be segregated from the general funds of the Company or any Affiliate.

(b) *Contribution Limit.* The sum of all regular payroll deductions authorized under Paragraph 5(a) shall not exceed the lesser of (i) the maximum amount permitted by Section 423 of the Code, and (ii) 15% of the Participant's Compensation.

(c) *No Interest on Funds in Accounts.* No interest shall accrue for the benefit of or be paid to any Participant with respect to funds held in any Account for such Participant.

6. Deduction Changes.

A Participant may decrease (but may not increase) his or her payroll deduction by executing and submitting to the Company a new Subscription Agreement, subject to the minimum and maximum contribution limits set forth in Section 5 above. The change will become effective as soon as practicable following the receipt of such new Subscription Agreement by the Committee or its delegatee.

7. Limit on Purchase of Shares.

(a) No Eligible Employee may be granted a right to purchase Shares under the Plan to the extent that, immediately following such grant, such Eligible Employee would have rights to purchase equity securities of the Company, under all plans of the Company and Affiliates that are intended to meet the requirements of

Table of Contents

section 423 of the Code, that accrue at a rate which exceeds \$25,000 of Fair Market Value (determined at the time the rights are granted) for each calendar year in which such rights to purchase equity securities of the Company are outstanding at any time. For purposes of this Paragraph 7:

- (i) The right to purchase Shares accrues when the right (or any portion thereof) first becomes exercisable during the calendar year;
- (ii) A right to purchase Shares that has accrued under one grant of rights under the Plan may not be carried over to any other grant of rights under the Plan or any other plan; and
- (iii) The limits of this Paragraph 7 shall be interpreted by the Committee in accordance with applicable rules and regulations issued under section 423 of the Code.

(b) No Eligible Employee may be granted a right to purchase Shares under the Plan if, immediately following such grant, such Eligible Employee would own stock possessing 5% or more of the total combined voting power or value of all classes of stock of the Company or an Affiliate. In determining stock ownership for purposes of the preceding sentence, the rules of section 425(d) of the Code shall apply and stock that the Eligible Employee may purchase under outstanding options, including rights to purchase stock under the Plan, shall be treated as stock owned by the Participant.

8. Withdrawal of Funds.

Notwithstanding anything contained herein to the contrary, a Participant may at any time prior to a Purchase Date and for any reason withdraw from participation in the Plan for an Offering Period, in which case the entire cash balance accumulated in his or her Account shall be paid to such Participant as soon as practicable thereafter. Partial withdrawals shall not be permitted. Any such withdrawing Participant may again commence participation in the Plan in a subsequent Offering Period by executing and submitting to the Company a Subscription Agreement at least seven (7) business days prior to the beginning of such Offering Period.

9. Method of Purchase and Investment Accounts.

(a) *Exercise of Option for Shares.* Each Participant having funds credited to an Account on a Purchase Date shall be deemed, without any further action, to have exercised on such Purchase Date the option to purchase from the Company the number of whole Shares that the funds in such Account would purchase at the Purchase Price, subject to the limit:

- (i) on the aggregate number of Shares that may be made available for purchase to all Participants under the Plan; and
- (ii) on the number of Shares that may be made available for purchase to any individual Participant, as set forth in Paragraphs 5(b) and 7.

Such option shall be deemed exercised if the Participant does not withdraw such funds before the Purchase Date. All Shares so purchased shall be credited to a separate Investment Account established by the Agent for each Participant. The Agent shall hold in its name or the name of its nominee all certificates for Shares purchased until such Shares are withdrawn by a Participant pursuant to Paragraph 11. Fractional Shares may not be purchased under the Plan. Any funds remaining in the Account of a Participant after a Purchase Date shall be retained in the Account for the purchase of additional Shares in subsequent Offering Periods.

(b) *Dividends on Shares Held in Investment Accounts.* All cash dividends, if any, paid with respect to the Shares credited to a Participant's Investment Account shall, unless otherwise directed by the Committee, be credited to his or her Account and used, in the same manner as other funds credited to Accounts, to purchase additional Shares under the Plan on the next Purchase Date, subject to Participants' withdrawal rights against Accounts and the other limits of the Plan.

(c) *Adjustment of Shares on Application of Aggregate Limits.* If the total number of Shares that would be purchased pursuant to Paragraph 9(a) but for the limits described in Paragraph 9(a)(i) or Paragraph 10

Table of Contents

exceeds the number of Shares available for purchase under the Plan for a particular Offering Period, then the number of available Shares shall be allocated among the Investment Accounts of Participants in the ratio that the amount credited to a Participant's Account as of the Purchase Date bears to the total amount credited to all Participants' Accounts as of the Purchase Date. The cash balance not applied to the purchase of Shares shall be held in Participants' Accounts subject to the terms and conditions of the Plan.

10. Stock Subject to Plan.

The maximum number of Shares that may be issued pursuant to the Plan is 2,500,000 in the aggregate subject to adjustment in accordance with Section 19. The Shares delivered pursuant to the Plan may, at the option of the Company, be Shares purchased specifically for purposes of the Plan, shares otherwise held in treasury or Shares originally issued by the Company for such purposes. In addition, the Committee may impose such limitations as it deems appropriate on the number of Shares that shall be made available for purchase under the Plan during any Offering Period.

11. Withdrawal of Certificates.

A Participant shall have the right at any time to receive a certificate or certificates for all or a portion of the Shares credited to his or her Investment Account by giving written notice to the Company; PROVIDED, HOWEVER, that no such request may be made more frequently than once per Offering Period.

12. Registration of Certificates.

Each certificate for Shares withdrawn by a Participant may be registered only in the name of the Participant, or, if the Participant has so indicated in the manner designated by the Committee, in the Participant's name jointly with a member of the Participant's family, with right of survivorship. A Participant who is a resident of a jurisdiction which does not recognize such a joint tenancy may have certificates registered in the Participant's name as tenant in common or as community property with a member of the Participant's family without right of survivorship.

13. Voting.

The Agent shall vote all Shares held in an Investment Account in accordance with the Participant's instructions.

14. Termination of Employment.

Any Participant (a) whose employment by the Company and all Affiliates is terminated for any reason (except death) or (b) who shall cease to be an Eligible Employee, in either case during an Offering Period, shall cease being a Participant as of the date of such termination of employment or cessation of eligibility. Upon such event, the entire cash balance in such Participant's Account shall be refunded as soon as practicable.

15. Death of a Participant.

If a Participant shall die during an Offering Period, no further payroll deductions shall be taken on behalf of the deceased Participant. The executor or administrator of the deceased Participant's estate may elect to withdraw the balance in said Participant's Account by notifying the Company in writing prior to the Purchase Date in respect of such Offering Period. In the event no election to withdraw has been made, the balance accumulated in the deceased Participant's Account shall be used to purchase Shares in accordance with the provisions of the Plan.

16. Merger, Reorganization, Consolidation or Liquidation.

In the event of a merger, reorganization or consolidation (regardless of whether the Company is the surviving entity) that results in any person or entity other than Kenneth Tuchman owning more than 50% of

Table of Contents

the combined voting power of all classes of stock then outstanding or the liquidation of all of the assets of the Company, the Committee in its sole discretion may either (a) require that the surviving entity provide to each Participant rights which are equivalent to such Participant's rights under the Plan, or (b) cause the Offering Period to end on the date immediately prior to the consummation of such merger or other transaction.

17. Governing Law; Compliance With Law.

This Plan shall be construed in accordance with the laws of the State of Delaware. The Company's obligation to sell and deliver shares of Common Stock hereunder shall be subject to all applicable federal and state laws, rules and regulations and to such approvals by any regulatory or governmental agency as may, in the opinion of counsel for the Company, be required.

18. Assignment.

The purchase rights granted hereunder are not assignable or transferable by the Participants, other than by will or the laws of descent and distribution. Any attempted assignment, transfer or alienation not in compliance with the terms of this Plan shall be null and void for all purposes and respects.

19. No Rights as Stockholder.

No Eligible Employee or Participant shall by reason of participation in this Plan have any rights of a stockholder of the Company until he or she acquires Shares on a Purchase Date as herein provided.

20. No Right to Continued Employment.

Neither the Plan nor any right granted under the Plan shall confer upon any Participant any right to continuance of employment with the Company or any Affiliate, or interfere in any way with the right of the Company or Affiliate to terminate the employment of such Participant.

21. Adjustments in Case of Changes Affecting Shares.

In the event of a subdivision of outstanding Shares, or the payment of a stock dividend, the Share limit set forth in Paragraph 10 shall be adjusted proportionately, and such other adjustments shall be made as may be deemed equitable by the Committee. In the event of any other change affecting Shares (including any event described in section 424(a) of the Code), such adjustment, if any, shall be made as may be deemed equitable by the Committee to give proper effect to such event, subject to the limitations of section 424 of the Code.

22. Amendment of the Plan.

The Committee may at any time, or from time to time, amend this Plan in any respect; PROVIDED, HOWEVER, that any amendment to the Plan that is treated for purposes of section 423 of the Code and regulations issued pursuant thereto as the adoption of a new plan shall be effective only if such amendment is approved by the stockholders of the Company within 12 months of the adoption of such amendment in a manner that meets the requirements for stockholder approval under such Code section and regulations.

23. Termination of the Plan.

The Plan and all rights of employees under any offering hereunder shall terminate at such time as the Committee, at its discretion, chooses to terminate the Plan. Upon termination of this Plan, all amounts in the Accounts of Participants shall be carried forward into the Participant's Account under a successor plan, if any, or shall be promptly refunded and certificates for all Shares credited to a Participant's Investment Account shall be forwarded to him or her.

24. Governmental Regulations.

(a) Anything contained in this Plan to the contrary notwithstanding, the Company shall not be obligated to sell or deliver any Share certificates under this Plan unless and until the Company is satisfied that such sale or delivery complies with (i) all applicable requirements of the governing body of the principal market in which such Shares are traded, (ii) all applicable provisions of the Securities Act of 1933, as amended, (the “Act”) and the rules and regulations thereunder and (iii) all other laws or regulations by which the Company is bound or to which the Company is subject.

(b) The Company (or an Affiliate) may make such provisions as it may deem appropriate for the withholding of any taxes or payment of any taxes which it determines it may be required to withhold or pay in connection with any Shares. The obligation of the Company to deliver certificates under this Plan is conditioned upon the satisfaction of the provisions set forth in the preceding sentence.

25. Repurchase of Shares.

The Company shall not be required to repurchase from any Participant any Shares which such Participant acquires under the Plan.
